GCS Membership Endorses Four New Board Members Selected By Congress

The Annual Corporation meeting of Greenbelt Consumer Services was held Thursday, May 26, at the Greenbelt Theatre. President Walter J. Bierwagen opened the meeting by stating the purpose of the Co-op Congress is to assure more democratic control as the Co-op grows. He added that this annual Corporate meeting would legalize action taken by congress in electing the Board of Directors.

Over 450 ballots were tabulated, and 227 were needed to elect. The successful candidates are William C. Arntz with 353 votes, George T. Davidsen, with 323, Albert K. Herling, with 356, and Carolyn R. Miller receiving the highest number of votes, 385. Unsuccessful candidates were Jack T. Jennings, receiving 165, and Sam Schwimmer, receiving 141 votes.

The resolution to increase the Board's compensation was passed, as were the changes in the by-laws recommended by Congress. The Board, which is required to meet at least twice monthly, is to receive \$12.50 per meeting instead of \$10. The Executive Board, the President, Vice-President, Treasurer and Secretary are to receive compensation of \$25 every quarter in addition to the \$12.50 per meeting.

The form of the ballot was discussed and Al Herling moved that a further study of the ballot was an experiment. Ben Rosenzweig said the failure to vote a block slate would be a rejection of the democratic selection system. Reverend Robert Hull added that "those responsible for the ballot did a fair job in accordance with their best judgment and wishes of the membership." Following a successful vote on Herling's motion for further study the meeting was adjourned.

The new Board of Directors of Greenbelt Consumer Services met Friday, May 22, at Wheaton. The following officers were re-elected: Walter J. Bierwagen, President; Larry A. Oosterhouse, Vice President; Robert T. Bonham, Treasurer; T. George Davidsen, Secretary. Other members of the Board are: Albert K. Herling, Robert C. Hull, Carolyn R. Miller, Ben Rosenzweig, and William C. Arntz.

Herling was appointed chairman of the newly reorganized Member Relations Committee as ordered in the By-Laws. Members of Congress were invited to attend a dinner Tuesday, May 31, at Takoma Park. Dick Carlson will be the speaker. The first meeting of the Co-op Congress will be held Friday, June 3, at the Takoma Park meeting room at 8 p.m.

Carnival Scheduled At Lake June 26 - July 2

The Greenbelt Volunteer Fire Department and Rescue Squad, Inc. this week announced plans to hold the annual carnival at Greenbelt lake later this month.

Earl Hampton, Captain of the Fire Department, was appointed chairman of the committee and stated that the carnival will be held at the lake during the week of June 26-July 2. Permission has already been granted by the city. There will be an assortment of kiddie rides and a number of booths where the local citizenry can demonstrate their various hidden talents and skills, win extra groceries and pick up various types of plush animals.

RUMMAGE SALE

The Women's Group of the JCC will hold a rummage sale on Friday, June 3 from 10 a.m. to 4 p.m. in front of the Greenbelt Theatre.

LEGION AWARD

Class Day ceremonies will be held for the sixth grade at North End School on Friday, June 3, at 2 p.m. The American Legion Award for the outstanding boy and girl of the year will be presented at that time. Parents and friends are invited to attend.

Junior High Band Concert Friday

Quite a number of people are hard at work these days to make the coming concert of the Greenbelt Junior High School Band (to be held in the school gymnasium on Friday, June 3, at 8 p.m.) a success. Many posters have been made by the school art department, tickets have been printed and band members are busy selling them. The two band members disposing of the highest number of tickets will receive a prize! The school office is printing programs and the band is busily rehearsing a variety of musical selections. A tone poem, a rhapsody, and "up to the minute boogie-woogie" will be heard, as well as some classical selections, an instrumental duet, marches and novelty numbers. A Hill Billy group, known as the "Three Melody Boys," will also be on the program with their guitars.

While this is the final appearance for this school year of the regular Greenbelt Junior High School Band, there will be a summer instrumental group at the school, beginning one week after school closes. The last day of school is Wednesday, June 15. On the following Wednesday, June 22, from 10:30 a.m. until noon, the summer group will have its first meeting. It will meet twice a week until the end of the second week in August, when it will close with a concert at the school for parents and friends.

North End PTA Elects Officers For New Year

The North End PTA at the final meeting of the year elected the following officers: President, Joseph O'Loughlin; Vice President, Mrs. Lawrence Goldberg; Secretary, Mrs. Isadore Parker; Treasurer, Pierre Gadol; Historian, Mrs. Ina Kornetsky.

Mr. Rice, Psychologist from the Board of Education, presented a documentary film, "The Meaning of Adolescence."

Rice pointed out that the title of a popular song, "Accentuate the Positive," should be practiced by all parents of teenagers. He further stated that teenagers may veer from the right path in minor ways but, if the home environment is satisfactory, will immediately discard the undesirable and return to the right way. He emphasized that, at this stage of life, teenagers want to feel they are making their own decisions but subconsciously want and need to feel they are responsible to and must obey their parents. Subtle guidance by parents is necessary to avoid open rebellion.

In closing, Rice stressed that teenagers must feel loved and secure at home.

City Prepares Books For Library Transfer

The city of Greenbelt will rebind its library books itself before turning the library over to the county. It will spend \$500 for rebinding in contract to the \$1800 originally requested for this purpose by the county library board. The condition that Greenbelt's books be in good shape before the library can be integrated into the county system will then be fulfilled. In a recent letter the county library board said it is ready to take over the Greenbelt library if the city will take over rebinding the books. This the city has agreed to do.

As yet the county library board has submitted no new library budget to replace the original \$18000 figure estimated for Greenbelt. (After approving a reduced library budget, the County Commissioners recently made a supplemental \$6200 appropriation to be used for Greenbelt). Reverend Robert Hull, chairman of the library advisory committee in Greenbelt, says he's been told the city will receive the same library services as any other county library advisory committee in Greenbelt, says he's been told the city will receive the same library services as any other county library.

The library advisory committee met April 21 with city manager Charles T. McDonald. It appointed one of its members, Emanuel Dondy, as a subcommittee to draft an appraisal of the work of the city library for the past year. His report will be turned over by the library committee to city council. There will be no further meeting of the library advisory committee until after the report goes to council.

GVHC Board Commends Dave Kane As Campbell Reports On Heating System

By Russell Greenbaum

The first fruits of a long-range program to improve the heating systems for both frame and masonry homes were revealed at the regular meeting of the Greenbelt Veteran Housing Corporation board of directors meeting on Friday, May 28.

Paul Campbell, GVHC manager, reported that the first large heating plant to be renovated and improved by the Maintenance Department was recently tested by a professional engineer and achieved an operating efficiency of 81.6 percent. This is considered excellent, as any rating in the 70's is regarded as high.

Campbell noted that the engineer, who conducted the four-hour test according to rigid standards set by the American Society of Mechanical Engineers, rechecked his figures on the test carefully, since he did not expect such high results.

The work on the heating plant began last summer under the direction of Dave Kane, GVHC's Maintenance Supervisor. All improvements and modernization features inaugurated by Kane were approved by the professional engineer. The three other large heating plants, all of which serve the frame homes, are now in process of being similarly improved.

The heating system of the masonry homes will be more difficult and costly to renovate since they are served by 140 small units rather than by a small number of large plants as in the case of the frame homes. However, a completely new type of heating unit has been installed in one court and experimental improvements have been

made to a unit in another court as a means of finding out what can be accomplished.

The GVHC board passed a resolution commending Kane and his crew of men for their hard work and skillful labor applied to this project. Campbell, referring to the fact that there was no increase in the use of No. 6 oil despite the more prolonged cold days this winter, said that even greater savings can be expected in the future.

Joint Meeting

Other matters discussed at the board meeting included an agreement by the board to hold a joint meeting with the city council, as requested by City Manager Charles McDonald, to settle all mutual problems. One issue on the agenda of the joint meeting to be held sometime in June will be GVHC's request to amend the trash ordinance so that the city will pick up debris resulting from the renovation of GVHC vacant homes. The city has contended that such trash is in a commercial category and thus not the city's responsibility. Other matters which GVHC plans to take up at his meeting, are the laying of new baseball fields, allotting land for parking purposes, and mutual landscaping programs.

GVHC President Ed Burgoon appointed a special committee to study the matter of what might be done with the profit resulting from the sale of GVHC's vacant land. Directors John Phariss, Frank Lastner, and Bruce Bowman were appointed to make recommendations which would be considered by the board and then referred to the membership for approval. The first payment from the land sale will be made in December.

Director Frank Kriby called attention to the fact that the self-help program was only a temporary expedient until the Corporation reached the point where it could handle this job itself. He noted that the new self-help program for the frame houses had received an enthusiastic response. It was revealed that a special effort is being made to obtain ladders for residents who take off from work during the week to do their painting.

Director Percy Andros, who is heading a project to restore and landscape small play areas and vacant patches of land owned by GVHC, noted that he has received calls about areas of land that belong to the city. He said he discovered that about 80 percent of the areas he recently surveyed belong to the city. However, he pointed out that the city has indicated its willingness to cooperate with GVHC in renovating these areas.

Matters discussed by the GVHC board at its meeting of May 13 and not previously reported by the News Review include the fence separating the Washington-Baltimore Parkway from Greenbelt. Campbell read a letter from the National Park Service promising to close at least some of the gaps in this fence in order to prevent children from crawling through it.

Campbell reported on a bill passed in the closing days of the recent state legislature session, giving Potomac Housing Cooperative the sort of recognition and protection originally sought by both that group and GVHC. However, the bill, which is a modified version of the one proposed by the Potomac group in conjunction with GVHC, affects only Charles County.

As a result of GVHC opposition to the bill after it was later revised, Prince Georges County Senator Winship Wheatley, Jr., had the bill amended in committee to exclude this county from the scope of the bill. No further action can be taken on this matter until the next legislative session, by which time we may learn to what extent the bill is a benefit to the Potomac Co-op.

Fourth Annual Choir Festival This Sunday

The Fourth Annual Choir Festival of Community Church will take place Sunday morning at 11 o'clock. The Service of Worship Through Music has been planned with all choirs participating. The St. Cecilia and Pilgrim Choirs will have special numbers fitting into the Service, e.g., Children's Te Deum and Creed by Clokey.

The Chancel Choir will sing the Chorale and Variations from the Motet "Jesu, Priceless Treasure" of Johann Sebastian Bach, and David McK. Williams "In the year that King Uzziah died." The Widow Scene from Mendelssohn's Oratorio "Elijah" will be sung by Mrs. Edna White and Harold Hufendick, with the Angel Recitative sung by Mrs. Betty Hughes.

At the 9 o'clock service Mr. Braund will speak on "Reflections on Memorial Day" and special music will include the duet from "Elijah" by Mrs. White and Hufendick, and a solo by Mrs. White with flute obligato by George Townsend.

The public is invited to attend these Services of Worship Through Music.

Teacher Appointed To Lutheran Kindergarten

The Board of Education of Greenbelt Lutheran Church announces that Mrs. Helena DeGourse has accepted the position of Kindergarten teacher at the Lutheran Kindergarten for the year 1955-'56. Mrs. DeGourse has been the Lutheran Kindergarten teacher for the past year. Before coming to Greenbelt last year, Mrs. DeGourse taught kindergarten classes at the Glen Burnie Lutheran School.

More information concerning the Lutheran Kindergarten may be obtained by calling GR 4-9200 or GR 3-2553 between 9 and 11:30 a.m. any week-day morning.

FLOWER SALE

This Saturday, June 4, the Women's Auxiliary to the Firemen and Rescue Squad will hold their annual Flower Sale at the Center, starting at 10:30 a.m. There will be a variety of flowers, marigolds, zinnias, petunias and African violets from Behnke's Florist.

Annemarie and Joe Rogers, Jr., 34-L Ridge announce the arrival of their third child and second daughter, Francine, on May 17, 1955 at the Washington Sanitarium. Francine, who checked in at seven pounds, 13 ounces has an older brother Joe Rogers III and a sister Marianne.

Make a note of the new phone number of the Charles Danish family, 16-Q Ridge. It's now GR 4-9530. Over the holiday weekend they entertained Charles' aunt, Mrs. Molly Danish of the Bronx, New York.

At their last meeting on May 24 the JCC Youth Group presented their leader, Mrs. Dondy with a gift in token of their appreciation. The JCC'ers wound up the season with a party May 29 at the JCC Building. A scavenger hunt was the highlight of the affair.

Happy birthday to Imogene Haber. Imogene's eleventh birthday was on May 25 and she celebrated it the following Sunday with a party in her home, 10-F Southway.

The Norman Granims had the pleasure of a visit from Nettie's sister and family, Mr. and Mrs. Rathkopf of the Bronx, New York over the weekend.

Prince William Park, Virginia was the scene of a cooperative camp-out sponsored by the National Campers Association this past weekend. Representing Greenbelt were the William Kleins, the Simon Justmans, the Sidney Rubins, and the Louis Finks. It was a "civilized" camp-out (i.e., they slept in cabins) and everyone had a marvelous time.

Got your pencil handy? Another new phone number. The Lou Gerstel family, 14-Z Ridge can now be reached at GR 4-9543.

Mr. and Mrs. Robert Melby have moved to 9-J Southway. They recently had the pleasure of a visit from Robert's parents, Mr. and Mrs. Olaf Melby. The senior Melbys flew in from their home in Cedarburg, Wisconsin in time to stand-in for the godparents of Patricia Louise at her christening on Sunday, May 22.

Three year old Lynn and eight year old Diane are thrilled at the arrival of Nancy to join the Pisano household at 6-G Plateau. Nancy was born on May 28 in Alexandria, Virginia and weighed seven pounds six ounces. On hand to help out is Mrs. Pisano's sister, Mrs. Sarah Millon and her two daughters from New York.

Ina and Aaron Kornetsky spent an enjoyable holiday weekend entertaining her aunt Florence Covitz from Boston.

Dr. and Mrs. William J. Crowder, 4 Woodland Way, recently attended sessions of the Southern Baptist Convention, in Atlantic City, New Jersey. They left on Tuesday for Ridgecrest Baptist Assembly, Ridgecrest, North Carolina, for Home Mission Week. Doctor Crowder is on the program Wednesday evening to bring the devotional message. He is Director of the Department of Missions and Evangelism for the District of Columbia Baptist Convention.

Mr. and Mrs. Steven Immerse of Long Island arrived last week for a visit with their daughter and her family, Mr. and Mrs. George Esposito, 13-Q Ridge. They will stay until next Sunday and be present for the graduation of their granddaughter from St. Patrick's Academy in Washington, D. C. on Friday evening, June 3.

Greenbelters who went up the walk past the 4 Court of Hillside on Sunday afternoon, May 29, and saw a deluxe lawn party in progress will be interested to know that the affair was a birthday celebration for Virginia and Justin Klem, 4-D Hillside. Neighbors of the 2 and 4 Courts and friends from

near and far, including their children, were invited to the gala affair and there were about 50 people present.

On their first visit to Greenbelt, Mr. and Mrs. Robert Hansen and their two children were very impressed with the town. They came down from Long Island to spend the holiday weekend with Mr. and Mrs. Charles Watkins, 7-B Hillside.

Mr. and Mrs. Carl Ray Bond, 28-F Crescent proudly announce the arrival on May 28 of their first child, Gregory Carl. Gregory was born in Bethesda Naval Hospital and weighed seven pounds, two ounces. Equally thrilled are Mrs. Bond's parents, Mr. and Mrs. Earl Moretz, 2-B Laurel Hill. Gregory is their first grandchild.

Another family sharing their holiday fun with guests this weekend were the Larry Millers, 21-N Ridge. Mr. Newton Berger stopped off en route to Williamsburg, Virginia and left Mrs. Miller's mother, Mrs. Rose Berger to visit. On his return, he also stopped off and took Mrs. Berger back to Philadelphia with him. In two weeks, Mrs. Miller and the children will be taking a brief vacation from Larry to visit her mother in Philadelphia.

With the summer vacation season approaching and so many Greenbelters traveling out of town, this column will be happy to serve as a clearing house for people desiring rides or riders out of town. Just call us (as far in advance as possible) and we will be happy to oblige.

Co-op Kindergarten Elects New Officers

At the annual membership meeting held May 26, the Greenbelt Cooperative Kindergarten elected the following officers for the coming year: President, Mrs. Jennie Klein; Vice President and Membership Chairman for the Center School, Mrs. Leslie Robinson; Vice President and Membership Chairman for the North End School, Mrs. Marian Hatton; Secretary, Mrs. Vernon Ely; Financial Secretary for the Center School (morning), Mrs. Boyd Nelson; Financial Secretary for the Center School (afternoon), Mrs. Robert Leo; Financial Secretary for the North End School, Mrs. Joseph O'Loughlin; and Treasurer, Mrs. Helen Rubin.

The children of the Kindergarten are looking forward to a train trip (accompanied by their mothers) from Union Station in Washington to Silver Spring and back. A surprise has also been planned at the stopover in Silver Spring. A surplus of the juice program money will pay for the trip.

If you have not yet registered your child for admission to the Co-operative Kindergarten, you may do so by calling Mrs. Robinson for the Center School at 5153, or Mrs. Hatton for the North End School at 3251. Tuition will be determined by the membership at a meeting to be held soon. Children who will be five before January 1, 1956 are eligible for enrollment.

The Greenbelt Co-op Kindergarten was formed four years ago by local mothers when funds for the free kindergarten were withdrawn, just a year before the government left Greenbelt. These mothers felt that kindergarten is a necessary step to adjust the pre-school child in preparation for the first grade. This group took the name of Greenbelt Co-Op Kindergarten and became a member of the Prince Georges County Council of Co-Op Kindergartens and nursery schools. It is supervised by the county supervisor and the principals of both

the Center and North End schools act in an advisory capacity whenever necessary. The teachers are chosen carefully and are state accredited.

The children, who meet in the school building, are made to feel that their class is part of the school and are able to participate in many school activities. The children benefit from this as well as their own appropriate kindergarten experiences.

Preference is given to Greenbelt children; however, any openings after August 15 will be made available to children in this area.

The child's vaccination and birth certificates are required at the time of registration.

Legion Post Presents Student School Awards

On Sunday, June 5 at 4 p.m. at the Greenbelt American Legion Home, Nelson Chapman, Commander of the Greenbelt American Legion, will present school award plaques to the four Greenbelt schools. The plaques will be displayed in the school building and, each year, the names of the students receiving the American Legion school award medals will be inscribed on the plaques.

The PTA organizations, teachers, parents, and students are invited to attend.

Baptists To Conduct Vacation Bible School

The Greenbelt Baptist Chapel will hold its second Vacation Bible School at the Center School June 20 to 30 from 9 to 11:30 a.m. The school is open to all children from 4 to 12 years of age. Registration will take place on Preparation Day at the Center School on Friday afternoon from 1 to 3:30 p.m. There will be no registration fee.

For the next three Sundays, members and friends of the Baptist Chapel are asked to donate "Kool Aid," sugar, and cookies for the refreshments which will be served daily. Plans are being made for free daily bus transportation for the children who do not live within walking distance of the Center School.

On Wednesday evening, June 29, the boys and girls of the Bible School will conduct a service for their parents to relate their experiences in worship, instruction, handwork, and recreation. A picnic will be held the last morning, June 30 at the Greenbelt Lake.

The faculty superintendents consist of the following: Principal, Rev. Glenn W. Samuelson; Pianist, Mrs. John Oleksak; Refreshments, Mrs. Weldon B. Drake; Nursery I and II respectively for faculty children, Mrs. R. E. Lawson and Mrs. Walter G. Starnes; Beginner, Mrs. Gordon Arthur; Primary, Mrs. John S. Stewart, Jr.; and Junior, Mrs. Ted Hajdasz.

Womans Club Fetes NewAndEx-Prexies

The American Home Department of the Woman's Club of Greenbelt held a dinner party on May 23 at 6:30 in the evening at the home of Mrs. Ed. W. Schneider, 5-B Crescent, honoring the retiring president, Mrs. Henley M. Goode and the new President, Mrs. Jay Brubaker. The affair climaxed the year's activities and progress.

Those assisting the chairman, Mrs. Raymond Finley, were Mrs. Edward Kaighn, Mrs. Dan B. Branch, Mrs. Miles Bonnar, Mrs. James McCarl, Mrs. Henley Goode, Mrs. Earl Thomas and Mrs. Ed. W. Schneider.

Mrs. Harry B. McNeel will be the new American Home Department chairman for the next two years and will welcome new members into her department.

The Woman's Club completed its current year with its fifteenth annual spring luncheon at Candlelight Lodge in Catonsville. Seventy-eight members and their guests attended the meeting, presided over by Mrs. Nelson Chapman. Mrs. Edna White sang a few selections and Mrs. Julia Bailey entertained with a reading. Mrs. Harry L. Harcum, known as the "Mother" of the Greenbelt Woman's Club, installed the new officers for the coming year. Mrs. Henley M. Goode, retiring president, was presented with a silver tray from the Club.

Refrigerator Wanted

Three families with small children are desperately in need of a refrigerator and the Social Service League of Prince Georges County is hoping that some readers of this newspaper who are buying new refrigerators will be willing to give their old ones to these needy families.

Dr. Gordon M. Cairns, newly elected president of the Board of Directors of the Social Service League, announced that 218 families, of the 406 receiving services during the past year, were relief cases. "This," said Dr. Cairns, "is a higher percentage of relief cases than in any previous year." He added that it will be increasingly necessary to call on the public for help.

Dr. Cairns asked that if any citizen or group would donate a used refrigerator to telephone WAfield 7-1441.

Lastner Describes Greenbelt Screen

A description of the "green belt" or screening that will enclose the newly planned industrial area on Greenbelt land was given to the Greenbelt Veteran Housing Corporation board of directors by Director Frank Lastner at the regular meeting on Friday, May 28.

Lastner, who is one of the five Prince Georges County Commissioners, gave the board a brief account of what has been decided to meet the needs not only of the residents of the Hollywood community but also of Greenbelt residents.

A 200-foot deep strip of wooded land bordering the B & O railroad tracks on the east or Greenbelt side will separate Hollywood from the heavy industry zone. On the Edmonston Road side of the area, more than 200 acres of land between that road and the area slated for light industrial development have been set aside for residential use. In addition, a 50-foot deep strip of land will separate the residential acreage from the industrial area itself. Thus, present Greenbelt development does not border on the industrial land.

Lastner noted that the industrial area will also be shut off from Greenbelt Road by a 100-foot deep belt of land. In addition, he pointed out that the new inter-county belt freeway will provide a natural barrier between the new industrial area and present Greenbelt.

The new industrial area, which is now the largest such area in Prince Georges county, will be entirely within the incorporated limits of Greenbelt. The industry is expected to be the precision instrument and electronics type. A four million-dollar industrial park has already been planned.

Memorial Day Program Honors Local War Dead

The men who died for their country had faith in it; their lives were worth the goal and the hope of the future . . . Liberty is worth any price. So said Senator H. Winship Wheatley to nearly 1,000 residents of Greenbelt attending the Memorial Day program at the Center.

The Invocation was given by the Reverend Eric T. Braund. Nelson Chapman, Commander, Greenbelt American Legion Post No. 126, recalled those who served their country but did not come home when he read their names on the Memorial.

A memorial bush was planted by Harry L. Bell, Assistant Sergeant-at-Arms, Department of Maryland, and a wreath was placed at the Memorial by Frank Nunery in honor of those who died for their country.

At the close of the National Anthem the Benediction was given by the Reverend Glenn W. Samuelson. The units participating in the Memorial parade were the Green-

Church Supper Set For Teachers And Officers

Friday evening, June 3, at 6:30, the Church School Teachers and Officers and the Daily Vacation Bible School (which opens on June 20) will meet in the Social Hall of Community Church for their Annual Fellowship Supper.

Following the dinner, a 20 minute newly released movie "Goals of the Church for our Children" will be shown, after which there will be a half-hour Service of Dedication and Holy Communion in the Sanctuary. Pictures will be taken as permanent records of this occasion.
