## GHI BUDGET PROPOSAL ADOPTED MONTHLY CHARGES, FEES RAISED

by Al Skolnik

Increases in monthly charges and in a variety of fees and charges were voted by the Greenbelt Homes, Inc. board of directors on Thursday, December 14, in order to balance the 1968 budget. The increase in monthly charges for brick homes will range from \$1.25 to \$2.75, while for frame homes it will be from \$2 to \$3. The larger increase for frame homes is primarily due to rising maintenance costs.

The board adopted without change the proposed budget submitted to it on December 7 and described in last week's News Review. Before adoption, the GHI board took final action on a series of recommendations by the manager relating to charges for services that are not covered by the mutual ownership contract. These include:

- 1) Increase in monthly charges for sale of services to members from \$4 to \$4.50.
- 2) Increase in hourly charge for sale of services to GDC (apartments owned by GHI) from \$6 to \$7.
- 3) Increase in sales service fee charged the selling member for each sale made by GHI from 2½% to 3¼%, effective with all listings after Jan. 1, 1968.
- 4) Adoption of a \$50 administration fee for services rendered to a member handling his home's sale by himself.
- 5) Increase in application fee from \$5 to \$7.50 so as to cover fully expense of credit check for membership.
- 6) Adoption of \$25 fee charge for service rendered by corporation in evaluation of suggested selling price. Members selling through GHI will not be subject to this charge.
- 7) Adoption of a \$10 fee for each request for a name change on a mutual ownership contract.

All these changes to go into effect Jan. 1, 1968. The total budget amounted to \$1,715,400, an increase of \$85,600 from the 1967 budget. Of this increase \$51,500 is to come from monthly charges.

### Discussion

Discussion on the budget was minimal, as the board had exhausted the subject in three prior budget meetings. Director Cliff Simonson suggested that the rate of recovery for amounts advanced from reserves for capital improvements be speeded up. The budget calls for these amounts to be recovered over a 10-year period, and Simonson suggested a 5-year period instead. The majority of the board felt, however, that it should first await the results of a study by the finance committee on the use and level of reserves. Treasurer John O'Reilly said that the problem is not so much building up reserves as making most effective use of the existing ones and of other funds.

A member of the audience inquired whether the board had taken sufficient account of inflationary forces in the coming year. Board members observed that two of the factors most affecting GHI costs are wages and materials. The wage factor, it was noted, had been taken care of by the pay raise just voted, and provisions for increases in cost of materials have been included in the budget.

Manager Roy Breashears also noted that another important factor affecting GHI costs is weather, and this has nothing to do with inflationary forces.

### GDC Meeting

Prior to convening as the board of GHI, the directors met as the board of Greenbelt Development Corporation (GDC), a wholly-owned subsidiary of GHI which manages several apartment buildings in Greenbelt. The GDC board voted its intent to pay an \$8,000 dividend to GHI when the cash funds became available. The cash accrued for this purpose had been advanced by the corporation to finance certain capital improvements and major repairs (roof work and boiler work), pending the approval of a long-range borrowing program.

## The Police Blotter

Safety patrols at all four elementary schools are being invited to a Christmas Party by the Police Dept. in appreciation of their help in maintaining Greenbelt's traffic safety record. Cartoons will be shown at the Greenbelt Theatre and there will be refreshments and gifts.

The addition of two new police officers will bring the Department to full authorized strength. Alvin Hall, Jr., 34-D Ridge, previously a Metropolitan police officer, graduated first in a training class of ninety. He received a scholarship to American University as a result. He is married, has two children.

Michael R. Kerr, 11-B Parkway, currently a day dispatcher, has been with the Department since Sept. 1966. He will be transferred to the force in January when he arrives at the required age.

A number of windows were broken in an act of vandalism at Lakeside North. The parents of the two juveniles apprehended have agreed to make restitution.

A local man was hospitalized with second and third degree burns when his couch caught fire.

Two girls from D. C. were apprehended by a police officer when he saw them removing a wallet from a purse at S. Kleins.

## SANTA CLAUS VISIT

Santa will make his annual visit to Greenbelt this Friday, December 22, from 1:30 to 4 p.m. at the Youth Center. All pre-school and elementary children are welcome. There will be a big cartoon show and cookies for all.

## Holiday Decoration Contest For G.H.I. Homes, Yards

A panel of ten judges has been selected to judge the most beautifully decorated G.H.I. homes during this holiday season. Three categories will be judged: doorways, yards and general effects.

Members who would like to participate in the contest are asked to call the G.H.I. office, 474-5566 or 4161. Any member wishing to nominate another member's home may do so. It is felt that the nomination of another member's home is in order, since many members may be reluctant to register for themselves.

Entries will be received until Tuesday, January 2 at 5 p.m.

## Statement of City Council

### Concerning the Recent Court of Appeals Decision Relating to Covenants and Agreements

The City Council reviewed with mixed emotions the recent Court of Appeals decision relative to the covenants and agreements in Charlestowne Village. We were pleased to learn that the Court of Appeals upheld the City's right to enter into such covenants and agreements, thus establishing new law in the State of Maryland which will be of benefit to all municipalities in this County by enabling them to contract for desirable development and enforce promises made by developers. We are further pleased that the Court returned to the Circuit Court for trial the City's suit to obtain the conveyance of park land.

We are distressed, however, that the Court of Appeals ruled against the City in holding that the injunction proceeding to stop building construction was not filed within the time period specified in the covenant. The record clearly shows that the Council followed closely the developments taking place in Charlestowne Village and on several occasions referred the matter to the City Mgr. and the City Solicitor. On January 17, 1967, immediately upon learning of the taking out of building permits and upon the advice of the City Solicitor, the Council, by unanimous motion, directed the City Mgr. to instruct the City Solicitor to file suit. Although several inquiries were made subsequently, we are extremely distressed that this direction of Council was not followed through.

It should be noted, however, that in January of 1967 there were certain factors that tended to make the filing time of less importance than later developments and the ruling of the Court of Appeals gave to the question.

1. The City never was notified by the Breslers that the covenant would not be honored. Bresler does contend that he did send a letter to the City Manager notifying that he took out permits, but this letter, which was never received by the City Manager, did not indicate that the covenant was being violated and the Court of Appeals chose not to rule on whether or not this letter was proper notice. It was not until after the suit was filed that the City Solicitor, the City Manager and City Council learned of the letter's existence.

2. The development control committee, which was the Mayor and Council, was never advised of nor ever approved any modification of the covenant, as was required.

3. There was serious doubt as to whether or not the taking out of permits had violated the covenant for the covenant permitted the construction of 353 units and permits had been issued for only 326 units.

The Court of Appeals chose not to give weight to these factors in reaching its decision. However, they did have a bearing on actions at the time.

The City is still in court as relates to the agreement of the Breslers to convey 3.3 acres of park land. The Court of Appeals held that this agreement was completely valid and remanded it to the Circuit Court for trial. Thus our battle is not entirely lost.

The City Council has met with the City Manager and the City Solicitor and reviewed several possible courses of action. The City Solicitor has been instructed to have the specific performance suit relating to the agreements set for trial at the earliest possible date.

## Murphy-Fleischman

Mr. and Mrs. John Murphy of College Park announce the marriage of their daughter, Mary, to James A. Fleischman, son of Mrs. M. Kitchen of Greenbelt. The ceremony took place at St. Hugh's Catholic Church on November 25. Father Alphonso Smith officiated. The bride, given in marriage by her father, wore a full length gown of silver lurex brocade peau-de-soie with a cathedral train. Her silk tulle fingertip veil was held together with a crown of rhinestones. Attending the bride was Miss Valerie Murphy, maid of honor, and Linda DeLong and Donna Peterson, bridesmaids. The best man was Richard King and the ushers were Carol Hawkins and Walter McCarthy. The couple will reside at 32-B Crescent.

## Hoesch-Murray

Former Greenbelters Mr. and Mrs. Andrew P. Hoesch of Chester, Pa., announce the marriage of their daughter, Kathleen, to John Dennis Murray, son of Mr. and Mrs. John P. Murray, 159 Westway. The church ceremony took place at the St. Joseph's Roman Catholic Church in Chester on December 9. A reception followed at the Knights of Columbus Hall in Springfield. The bride was attended by Mrs. Mary Canning Murray, matron of honor, and Lorraine Alexander, a bridesmaid. Bill Fern served as best man, and the ushers were Mike Wheatley, Francis Scott and Terrence Murray. Murray is District Representative with the Continental Mortgage Insurance Company. Mrs. Murray is a registered nurse. The couple will reside at 6-N Hillside.

## Baptist Carol Sing

Greenbelt Baptist Church will have a FAMILY CAROL SERVICE on Christmas Eve at 7 p.m. Members of the congregation and friends are cordially invited to be present for this service of praise and worship.

## Chanukah Services at JCC

A short service and candle-lighting ceremony, marking the holiday of Chanukah, will be held at the Jewish Community Center at 7:30 p.m. Wednesday, December 27. Members and non-members, with their families, are cordially welcome.

## Holiday Refuse Collection

There will be no refuse collection on Christmas Day or on New Year's Day so that City employees may enjoy the holidays. On the Tuesday following Christmas the refuse crew will start with Monday's routes and subsequently pick up Tuesday routes as soon as Monday's routes are completed. This means that all persons receiving City refuse collection service can expect a delayed pickup of up to one day from the normal pick-up date. On the week following New Year's, city crews will collect the Tuesday route first and pick up Monday route customers in so far as possible on Tuesday or the Wednesday following.

**Lions Hold Annual New Year's Eve Dance**

The Greenbelt Lions will again hold their annual New Year's Eve Dance at the Greenbelt Armory and invite all Greenbelters to attend.  
One of the prime reasons for holding the dance is to keep Greenbelters in Greenbelt and off the roads on this most hazardous of nights.  
The date, naturally, is December 31, from 10 p.m. to 2 a.m. B.Y.O.L. Set-ups, chips and pretzels provided. Music by Lee Maxfield's Orchestra. For information on costs and reservations call 474-6012.

To the Editor:  
PLEASE FEED US! We are ten white ducks and one black (female) wild duck! We cannot survive the cold, ice and snow without your help. The thoughtless people who buy us as toys for Easter for their children have long forgotten us. The water of the lake is contaminated! That and the cold and hunger brings on an illness that has killed our relatives in past years. Not one survived! PLEASE come and see us when you have leftovers and we will be around the following spring so you can enjoy us.  
Thank you,

A colorful figure, "Pop" could be found sitting at a bridge table at the center at election time or at special events, displaying his pamphlets, raffle books and sweepstake tickets.  
"Pop" was a member of St. Hugh's and the Golden Age Club. He is survived by his daughter, Mary, two sons, Edward P. and Joseph M., and ten grandchildren.

Dear Santa, will you be a doll  
And bring for me a real hair fall.  
Some groovy records would be cool  
And mod boots I can wear to school.  
A stereo set would be real gone  
And some perfume could turn me on.  
And Santa, please, before you leave,  
I need a date for New Year's Eve.  
**From Father:**  
S. Claus, old pal, I'm glad it's you  
They're telling all their wishes to.  
You'll have to pay the bills, I fear,  
Because, dear friend, I'm broke this year.  
P.S. And would you tell Aunt Vi  
That I don't need another tie.  
**From Mother:**  
Dear Santa, bring my little boy  
This Christmas just a single toy  
That he will like one half as much  
As all the things he must not touch.

**God's Gift**

"Fear not; for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord." Luke 2:10, 11  
"For God so loved the world that He gave His only begotten Son that whosoever believeth (trusts) in Him should not perish, but have everlasting life." John 3:16 Jesus is the Saviour God has given. Have you received Him as your Christmas present? Dear friend, have you been saved by my Saviour? Is He your Saviour? I am not asking how good you are or if you go to church. I am asking if you received God's gift for you.

We need a gift because all men are sinners — both you and I. "There is none righteous, no, not one." — Romans 3:10. "For there is no difference: For ALL have sinned and come short of the glory of God." — Romans 3:22, 23. Jesus told Nicodemus in John 3:7, "Ye must be born again." Salvation is necessary to go to heaven, and a person can never be saved by his own good works because all sins must be punished by a just God. "Therefore by the deeds of the law there shall no flesh be justified in His sight; for by the law is the knowledge of sin." Romans 3:20. Indeed, salvation must be received by faith. "Therefore we conclude that a man is justified by faith without the deeds of the law." — Romans 3:28. But what must this faith be in?

God loves you so much that He gave His only Son as your substitute, who bore your sin and died in your place. God loved you and yet you are a sinner and because God is Holy He must punish sin by death and separation from Him in Hell forever. "For the wages of sin is death." — Romans 6:23. Instead, He allowed His own sinless Son to be nailed on the cross and suffer agony and death in your place for your sin. "Who His own self bare our sins in His own body on the tree, that we being dead to sins, should live unto righteousness: by whose stripes ye were healed." — I Peter 2:24. Jesus died for you and rose bodily from the dead to prove to you that He had won victory over Satan and sin and provided everlasting life for you. What a wonderful love-gift that was.

All that is required of you is that you receive this gift. John 1:12 says, "But as many as received Him, (Jesus), to them gave He power (authority) to become the sons of God, even to them that believe (put their trust) in His name." Belief is not something that is just intellectual, for even devils have intellectual belief in Jesus and tremble (James 2:19). The belief that saves is the turning of the heart to God in trust to receive that wonderful gift. "For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation." — Romans 10:10. It is the heart's asking. God promises, "For whosoever shall call upon the name of the Lord shall be saved" — Romans 10:13. That is God's promise to you. If you ask Him to save you — to put all your sins under the blood of Jesus, nail them to His cross and for Jesus to be your substitute, if you really mean it in your heart as you pray to Him, God promises to you that He will at that instant save you, send the Holy Spirit into your heart to give you guidance, and change your life. (2 Cor. 5:17.) Aren't God's promises wonderful — much better than man's promises because God never lies. Won't you believe God's promise to you and do as he wants and asks? Jesus says to come to Him and He will give you rest. Our assembly is in prayer that you would receive Jesus as your own Saviour. If this article hasn't been clear to you, please reread it until it is. God bless you richly.

If you feel led of God to visit us, we would rejoice in fellowshiping with you. But we are mainly concerned that you be saved and have complete assurance of having received God's gift.

Tom Haughey, pastor
