# **Concert, Fireworks, Ninja Turtles Highlight the July 4 Celebration**

by Kelly Harmon Once again Greenbelt will celebrate Independence day with a "BANG" as a fireworks display at the 'Buddy' Attick Lake Park completes the cities festivities.

Three ground displays and an aerial fireworks display will be launched by the Public Works Department at about 9 p.m. (dusk), headed by trained and licensed pyro-technician Kenneth Hall. They will present a flag scene, a ship-battling scene and a "goodnight" scene on the ground and a sparkling array of colorful starbursts and firework flowers in the sky. The fireworks, once again purchased from the Zambelli Company, will last about a half hour.

The Greenbelt Concert Band will commence the July 4 fes-tivities at 7 p.m. on the lake park bandstand. Conductor John Del Homme, will lead the 60-piece band in patriotic tunes such as "America", "Over There", "America the Beautiful", and the requisite "1812 Overture" by Tchaikovsky to signal the beginning of the fireworks display. This is Del Homme's 21st season with the band.

In case of rain, the fireworks will be rescheduled for the next available clear night. The concert will not be rescheduled.

Fountain Lodge The Springhill Lake Fountain Lodge kicks off the Independence Day celebrations by hosting an "Under the Boardwalk" picnic. Greenbelters should dress for the beach in sunglasses and their wildest summer shorts and tee's -although this is not required

to enjoy the activities. The side lawn of the lodge will be dominated by games, contests and other activities-a colorful scene which children and adults can enjoy from 11 a.m. until 4 p.m.

Games such as a dunk tank, moon bounce and "junior high striker" where kids can test their strength by striking a pad with a giant mallet to ring a bell high on a post, will be just part of the fun. Fees for these games will be donated to Children's Hos. pital.

Personalities will abound at the picnic: IIncle Sam will welcome Mayor Gil Weidenfeld and his wife, Greenbelt police Offi-cer Cpl. David Buerger will be on hand with McGruff the Crime Dog to teach kids to "take a bite out of crime." Also, Stringbean the Clown will entertain the crowd.

Leonardo, one of the Teenage Mutant Ninja Turtles will host and judge a Teenage Mutant Ninja Turtle Contest.

### **City Programs**

The Greenbelt pool will operate on weekend hours of 10 a.m. to 8 p.m. The recreation centers will be open from noon until 6 p.m. The tennis courts, softball and baseball fields and horseshoe pits will be available as usual on a first come, first served basis.

**American Legion** American Legion Post No. 136 will host its annual picnic on the front lawn of the post at noon on Wednesday. The menu includes hot dogs, hamburgers, Polish sausages, watermelon and drinks. There will be a small charge for each food item, but children eat free. The post is located just off Greenbelt Road at Lakecrest Drive.

After enjoying a holiday meal children and adults can join in the fun of games and contests. There will be a moon bounce, egg and balloon tosses, sack races and horseshoes, as well as a dunk tank staffed by volunteers. The games will end with the annual tug-of-war between different branches of the service. Rudy Adler's Dixieland Band

will play jazz and blues music on the Legion's bandstand throughout the afternoon. From 5-9 p.m. there will be a d.j. for

dancing inside the Legion hall. Families are asked to bring their own lawn chairs or blankets. Overflow parking can be found at the Lutheran Church across Greenbelt Road.

Getting There Safely Parking will be extremely lim-

ited near the Buddy Attick Park during the July 4 celebration. Only elderly and handicapped persons, as well as city employees and officials will be able to use the lake lot. Nearby residents are encouraged to walk. Police will octablish pick-up and dropoff zones for passengers near the park. There will be limited parking available on Crescent Road between Lastner Lane and Ridge Road. Revelers should bring lawn chairs or blankets to the park for comfort during the concert and fireworks dis-

# **Centerway Reconstruction To Affect Parking, Trees**

Work has begun on the con-struction of Centerway. The work will include sidewalk re-placement, street reconstruction, and reconfiguration of the western entrance to Centerway and the west parking lot.. The city expects that the contractor will complete the project by Labor Dav.

Because the contractor cannot reset the sidewalk without damaging the root systems of the sycamore trees currently lining Centerway, the trees will be removed. When the project is complete, new London Plane (re-lated to the sycamore) trees will be planted. These trees are greener and more resistant to disease than the sycamore. An irrigation system will be installed to ensure that the trees remain healthy.

The contractor, NZI Construction, will construct plywood sidewalks to Centerway stores while the sidewalks are torn up. Residents should expect half of the Centerway parking spaces will be unavailable at any given time.

Firecrackers, bottle rockets and other fireworks, especially sparklers, are illegal in Prince Georges County. Being in possession of them can result in confiscation of the items, or arrest, according to Lt. Michael Craddock of the Greenbelt Police Department. Alcoholic beverages are also prohibited in the park.

A dozen officers will patrol the lake park at all times "to maintain peace and order" said Craddock. After the fireworks, Crescent

Road up to Kenilworth Avenue will be temporarily shut down in order to allow people out of the park.

For information call the Recreation Department at 474-6768, the American Legion at 345-0136 or the Springhill Lake Fountain Lodge at 474-4555.

### **DEADLINE APPROACHING** FOR FILING CANDIDACY

The State Administrative Board of Election Laws will accept candidate filings for federal and state offices through 9 p.m., Monday, July 2, for the 1990 gubernatorial elections. The state office will be open for business on the Saturday preceding the final filing date, June 30 from 9 a.m. to 5 p.m.

Candidates seeking the following offices in this year's elections file with the State Board: Governor/Lt. Governor, Comp. troller, Attorney General, Rep-resentatives in Congress, State Senators, Members of the House of Delegates, Circuit Court Judges.

Candidates for local offices such as: county government officials, court house officials, boards of education, party central committees, file with the local boards of supervisors of elections in the county.

Prospective candidates are advised to ascertain that they have all necessary documents and information required for filing before they make the trip to the election office. Those filing should have a form of identification, preferably a driver's license, their election district and precinct or, in Baltimore City, their ward and precinct.

The State Administrative Board of Election Laws is located in the Old Armory Building, 11 Bladen Street, Annapolis, Md.

The deadline for voter registration is 9 p.m., Monday, August 13.

# **Recycling, Police Coverage Concern GEAC Members**

### by Pat Scully

Members of the Greenbelt East Advisory Coalition (Ge-AC) reported on progress on several continuing issues at their June 7 meeting. Recycling, Sunrise, police coverage and the Greenbrook Lake were discussed.

Recycling Sheldon Goldberg reported on several city and county public hearings where a number of questions about the county's role in recycling were answered. Of particular interest to GEAC members was whether the county's program would collect from multi-family units. The answer is that townhouses will be cov-ered but not "apartments," whether rental units or condo-

miniums. Owners of rental units must submit a recycling plan to the county by the middle of 1991, with the plan taking effect in 1992. The county as yet lacks the capacity to collect and recycle materials from large multifamily developments. Hunting Ridge is taking part in the coun-ty's two-part pilot recycling program.

Communities that do not currently receive city trash service will not be covered in whichever plan the city adopts, whether city-run or county-run, Each community would need to determine whether their private hauler wants to establish a recycling program. The hauler for most of the communities has been contacted and is not interested in recycling. Charlotte Mac-Adams urged that the boards of all of the GEAC communities write to the county expressing their interest in taking part in the county recycling program.

Sunrise James Foy, GEAC Chair and member of the city's Advisory Planning Board, reported on the Sunrise property. Under the Sectional Map Amendment, county council approved R-18-C zoning for the property, which permits about 20 condominium units per acre. In order to retain the old zoning, the developer needed to have footings installed by 11:30 p.m. May 1. According to Foy, City Manager James K. Giese visited the site and found no footings, but on May 3 found newly poured footings. The county's attorney is evaluating the issue.

GEAC members discussed whether their request for an additional police officer to patrol in the East was addressed under the new budget. Five new officers will form a narcotics en-forcement unit. While endorsing the need for such a unit, the members did not feel that their request for additional neighborhood coverage had been met. Currently, when five officers

are on patrol there is one in the East, one in Old Greenbelt, one in Springhill Lake and two roving. The sense of the meeting was that Foy should write a letter suggesting that one of the roving officers be assigned to patrol in the East, which leads the city in car thefts and has a large and growing square foot-age of both commercial and residential property. The Lake

Foy presented a letter Giese

### **COUNTY BUSES IDLE ON THE 4TH**

Prince Georges County Buses, the The Bus and Call-A-Bus, will not run on the July 4 holiday.

No "Connection" on July 4 The Greenbelt "Connection" will not run on the July 4 holiday.

wrote to the residents of Green-brook Village at the request of city council providing informa-tion on the lake in Schrom Hills Park. He also shared a copy of the schedule for completion of the design and permitting process for the park. The plans are scheduled to be ready for bid by September 14.

Edward Schilling of Windsor Green and Dorothy Pyles of Greenbriar expressed their concerns that the letter from Giese did not answer questions on what was supposed to be done, what was done and what needs to be done to get the lake built. Schilling took particular exception to the statement in Giese's letter that "the Corns has taken the position that the estably bed wetlands must either be preserved or replaced. It was determined that it would not be possible to construct the six acre lake and establish six more acres of wetlands in the Greenbrook area."

The Corps has taken no such nosition on the lake, Schilling maintained. He also noted the "masterful use of the passive voice" through "hich no one is "determined" that the lake "would not be possible." Schil-ling planned to present council with comments from the Windsor Green Board on the letter and the lake situation.

GEAC agreed that Foy should attempt to find out, from the city, county or Corps, what is going on and what needs to be done.

Other Issues

GEAC discussed the study being done by a city consultant on hiker/biker trails throughout the city, including the extent of the proposed trail system and the composition of individual trails. Will it be a perimeter trail or tie into interior trails within the individual communities? Will the trails be dirt, chip, asphalt or some other material? Will the trails provide an easy bicycle commute to the Metro station? No action was taken, pending completion of the city's study.

The problems with fire-retardant plywood, used for roofs in some of the communities, was also discussed, althrough not strictly a GEAC concern. Goldberg noted that Windsor Green had invited a lawyer to speak after their annual meeting on June 14 to talk about what can be done. There may be a possibility of joining a pending class action suit. Greenbrook Village has established an ad hoc committee on the issue and can provide information for affected homeowners.

The July meeting of GEAC has been rescheduled from the first Thursday (July 5) to July 12 to avoid interference with holiday plans. That meeting will be held in the Greenbriar community center at 7:30 p.m.

**News Review Deadline** Because of the July 4 holiday, the deadline for submitting articles and advertising for the next issue will be 10 p.m. Monday, July 2. The News Review office will be open from 2-4 and 8-10 on that date. The office will be closed on Tuesday, July 3. The deadline for the drop box in the Co-op Supermarket is 7 p.m. Monday.

# **Metro Schedules Change** For the July 4 Holiday

The Washington Metropolitan Area Transit Authority (WMA-TA) has announced transit schedules for the July 4 holiday. Metrorail service will operate from 8 a.m. Wednesday, July 4, to 1 a.m. Thursday, July 5. Metrobus service will operate on a special Saturday schedule with additional service from eight downtown bus staging areas after the fireworks display.

If the July 4 fireworks display on the Mall is postponed until July 5 because of inclement weather, transit schedules will be adjusted July 5 to accommodate expected crowds.

Fares will be 75 cents per trip with exact change required. Rail fares will be collected in barrels. Transfers between Metrobus and Metrorail will be free. Parking at all transit authorityoperated lots will be free. Seniors and disabled reders with valid WMATA ID cards will pay 25 cents per trip. Flash passes will be accepted.

For their own safety, all Metrobus and Metrorail passengers should wear shoes, and not carry glass containers, oversize or open coolers, hand carts and dangerous articles that could become hazards to themselves or other riders. Passengers who do not comply with these safety guidelines may be denied entry to the Metrorail system. It is against the law to eat, drink or smoke in stations or aboard buses and trains. Parents with strollers should plan to use the elevators " instead of escalators,

To get to and from the fireworks display, passengers should take advantage of all the downtown stations, and avoid using the Smithsonian and Federal Triangle stations, which are usually very crowded. Passengers should avoid transferring between Metrorail lines, if at all possible. Trains and buses can move approximately 100,000 passengers an hour. If crowds are very large, it will take several hours to clear the Mall.

For further information about transit schedules, call Metro at 637-7000 or (TDD) 638-3780.

### FIREWORKS CAN CAUSE SERIOUS EYE INJURY

The fireworks that are so much a part of Independence Day celebrations can and do cause eye damage and blindness

Every year people, often children, lose an eye or suffer eye injury as a result of handling or being close to fireworks. The bulk of these incidents happen during the Fourth of July festivities.

Statistics suggest that inexperience and mishandling of fireworks play a huge part in the nearly 10,000 injuries suffered by adults and children each year. The Prevention of Blindness is

urging that all use of fireworks this Fourth of July holiday be restricted and left to the experts. Practice eye safety and prevention this Fourth of July season, watch public displays of fireworks, and enjoy a lifetime of

### **No Notice?**

Tuesday evening about 8:30, I started out for a pleasant walk from the 15 Court of Laurel Hill Road to Research Road. I was only a short distance from home when a truck spraying some awfoul smelling pesticide (I guess) came out of the 14 Court Laurel Hill Road behind me onto Laurel Hill where I was walking. I stood out in the middle of the road and put one hand up to stop the driver. I covered my mouth and nose with the other hand to show him not to spray me. He complied but continued to spray a short distance ahead of where I was walking. I was trapped between two clouds of deadly gas. I say 'deadly' because my body reacts to many airborne irritants with an asthmatic attack. I could feel my heart begin to race as I hurried home and quickly shut the doors and windows. I sat down to determine if I could breathe normally. Aside from some tightness in my

chest, I knew I was okay. Then I called the Greenbelt Police who told me that no notice has to be given before spraying in our fair city. I scoured the News Review but saw no notice. And no advance notices had been tacked up on telephone poles, etc. I just just couldn't believe it. How could this be? I only hope everyone else made it safely home.

### Jean Lombardo It's a Shame

While looking through the Greenbelt 50th anniversary book, I came across several photo-graphs of Roosevelt Center lined with young sycamore trees alongside the walkway facing Crescent Road. I later found out that many of these same trees stand tall today, now over a half cen-tury old. I am aware that in the near future these historic trees will be cut down to make way for "improvements."

Whereas it is always easier to just plow everything down and start anew, it seems a shame that City Council chose the expedient way, rather than showing sensitivity towards preserving what remains of historic old Greenbelt.

# Charlotte Kennedy

Miss Charlotte V. Kennedy, 72, of 21-D Parkway, formerly of Washington, D.C. and Frederick. Md., died Saturday morning, June 23, at AMI Doctor's Hospital in Lanham, after a short illness. Miss Kennedy was born in

Frederick and was a graduate of St. John's Literary Institute and the Visitation Academy in Frederick. She also attended Park College in Missouri and the George Washington University in Washington, D.C.

Miss Kennedy lived in Washington for nearly 44 years. She had a long career working with the news media, having retired in 1983 from the Washington Bureau of the Cleveland Plain Dealer where she had been an office manager for 14 years. She previously worked for Newsweek for 21 years.

In 1987, she moved to Greenbelt. She was an active member of the Greenbelt Golden Age Club, the Greenbelt Senior Advisory Committee, the Friends of the Greenbelt Library, the Franklin and Eleanor Roosevelt Democratic Club, the OASIS Club, and the Prince Georges County Opera Guild, as well as serving on the staff of the News Review.

Miss Kennedy was the daughter of the late Ernest F. and Fannie E. Kennedy. She was preceded in death by one sister and one brother. Surviving are three sisters, Mary Ann Kennedy of Baltimore, Jane Scavone of San Antonio, Texas, Patricia Ger-nand of Oldsmar, Florida; two brothers, John H. Kennedy of Frederick, and Michael P. Kennedy of Catonsville; one aunt, Lucille Baumgardner of Frederick; and a number of nieces and nephews, including Patrick Kennedy of Seabrook, and W. grand-nieces and grand-nephews. A memorial service was held

on Wednesday, June 27, lakeside at Greenbelt Lake in "Buddy" Attic Park. Friends wishing to contribute to her memory may make donations to the Lupus Foundation of America in Washington or to the City of Green-belt "Adopt-A-Tree" Program (care of Patrick Kennedy, 794-7175)

### In Memoriam

I'm sure that anyone who had the good fortune to know Charlotte Kennedy, who passed away on Saturday, June 23, would agree that truly Charlotte will be missed. Although not a longtime resident of Greenbelt, Charlotte, in the time she was here, managed to touch the lives of many of us. She was especially active at the Youth Center, proudly proclaiming herself as the "oldest living T'ai Chi freshman."

As we recently participated together in a class on spirituality, I found that beyond her sense of humor and exceedingly loving and lovable nature was a deep sense of connection with life itself." I can think of no one that lived life more fully than Charlotte, and have confidence that she now has the angels in stitches. Nonetheless, Charlotte, we miss you.

# Maisie Bowman

Ila Maisie Bowman died on Saturday, June 23, at the Bethesda Naval Hospital. Mrs. Bowman was born in Rock Hill, S.C. in 1925. She and her husband Duane (Bo) Bowman were long-time residents of Riverdale.. They celebrated their 32nd wedding anniversary last June.

Mrs. Bowman was president of The Gunner's Mate, Inc. Her cor-poration has operated the concession stand and boat rental at Greenbelt Lake and, until recently, the concession stand at the Municipal Pool, since acquiring the lease from the City of Greenbelt in 1972.

Mrs. Bowman supported every organization or cause that provided a service to the people of Greenbelt-from the police and fire departments, the Labor Day Festival, this newspaper, to the many politicians and children's sports clubs. She held a special play day each year for blind children and gave dozens of Greenbelt youngsters their first responsible jobs. She sponsored fun runs, the ride-a-bike and ball teams for all ages. And she acquired a new flock of ducks for the lake when the old ones disappeared.

Mrs. Bowman was a member of the American Legion Auxiliary in Greenbelt, the Fleet Reserve Auxiliary in Rockville and the Retired Enlisted Association Auxiliary in Temple Hills. She was also an associate member of the Fraternal Order of Police, Lodge No. 9, in Greenbelt.

In addition to her husband, Mrs. Bowman is survived by her three sons, Roy Thomas Melton of Ft. Myers, Florida, Edgar Bright Melton of Waxhaw, N.C., and Lloyd Franklin Melton of Charlotte, N.C.; 13 grandchildren and five great-grandchildren.

The funeral service will be held at Gasch's Funeral Home in Hyattsville on Friday, June 29, at 11:30 a.m. Interment will fol-low at the Arlington National Cemetery.

#### **Based** on Information Released by the Greenbelt **Police Department**

Close to noon on June 13, a 9 year old resident girl reported being assaulted by a man walking a dog. The girl and her friend were looking at a bird's nest near the school bus stop on Morrison Dr. at Ora Glen Dr. when the man approached them, pushed the girl with his shoulder, and told them to get away from the birds. He is de-scribed as white, of indetermin-ate age, 5'10", 175 lbs.. brown hair, mustache, and wearing blue pants. The dog was black and on a leash.

As a woman was walking to her car in the parking lot of Greenway Center around 9:15 p.m. June 13, a van pulled up next to her and a man got out, pushed her to the ground, and forcibly took her purse. He then got back in the van and took off the direction of Hanover Pkwy. The man is described as black, in his mid 30s, 5'10" 6'0" approximately 170 lbs., with long black hair,, full mustache, wearing dark dirty-looking clothing. The van is described as a late model, two-tone, dark green window van with yellow lettering on the door, and MD tags.

While on routine patrol June 9, Officer John Rogers observed a car being driven by a minor with 3 passengers who also appeared to be too young to have a license, so he pulled them over, in the 7500 block of Greenbelt Rd. According to the Montgom-ery County Police Department, the car. a 1987 Toyota Camry, and its tags were stolen. Its front passenger side window was smashed and the ignition was re-moved. The driver, a 14 year old nonresident male, and one pas-senger, a 15 year old nonresident male, were charged with theft and were released to their parents. The other two passengers were released to their parents.

Responding to a report that someone was waving around a sawed-off shotgun in a VW Jetta in the 6000 block of Greenbelt Rd. on June 15, Pfc. Carl Schinner located the car and stopped at Cherrywood Lane and Breezewood Dr. On the floor of the car by the driver's feet were a baseball bat and an iron rod; in the back seat were a sawed-off shotgun and several boxes of shotgun shells. The people in the car, 4 nonresident juveniles ranglng in age from 14 to 17, were arrested and charged with possessing/transporting a firearm, and released to a parent.

On June 16 Pfc. Schinner was called to Franks Nursery and Garden Center (Beltway Plaza) to stop a breaking and entering. As he arrived, two youths were

climbing over the fenced area back into the parking lot. They as well as a third youth, were ordered to stop; two did and were arrested for trespassing, at-tempted theft under \$300, and malicious destruction. One of them was also charged with possession of a concealed deadly weapon (knife). Both were nonresident juveniles and released to a parent. The third man, 22 and a nonresident, ran away; when he was apprehended, besides being arrested for trespassing, attempted theft under \$300, and malicious destruction, he was also charged with resisting ar-He was held on a \$2,000 rest.

bond pending trial. On June 16 the Beltway Plaza Security personnel asked the police for assistance with an intoxicated man who had been asked to leave but wouldn't. The 28year-old nonresident was arrested and charged with wanton trespassing: he was released on personal recognizance pending trial.

Around six p.m. on June 17, a man, age 46, was reported to be waving a knife in the air in front of his house in 8 Court Southway. As the police approached, the man went back inside; also at this time, the police were advised that the man was suicidal. Then the man came back out and the police told him about the complaint that he was wielding a knife. The man then reached into the back of his pants as if he were getting a weapon and a struggle ensued between him and Pfc. Schinner. The man was beligerent and very intoxicated and was quickly subdued. He was arrested and charged with assault and battery of a police officer, and was held on \$4,500 bond pending trial. An accident occurred in the

6100 block of Breezewood Dr. around 5:40 p.m. on June 18: a 13-year-old girl stepped into the street without first checking in both directions for traffic and was hit by a car. The driver immediately called the police for assistance and the Prince Georges County Rescue Squad took the girl to the hospital. She was re-

leased later the same day. Vehicles

While on routine patrol on June 14, Pfc. Thomas Moreland noticed three very young juveniles who matched the descriptions of people suspected of stealing vehicles in the Metropolitan area during daytime hours. They were in a 1988 Hyundai. Because the juveniles resembled the suspects, Officer Moreland pulled the car over and found from the Montgomery County police that

it had been stolen that morning. He arrested the chi'dren. One was a resident; two were not. The driver was charged with theft over \$300, speeding, and driving without a license. He was re'eased to his parents pending trial. The other two were releasd to their parents. A 1976 BMW 2S, stolen on

June 16 from the 7500 block of Greenbelt Rd., was recovered by the U.S Park Police in Greenbelt Park the next day.
