GCS Invites All Town Residents To Hear Plans For Super-Market

The quarterly meeting of Greenbelt Consumers recessed from last August reconvenes in the auditorium, September 26, at 8:15 p. m., to hear the Expansion Committee's proposal to erect a building housing a super-market delicatessen, soda fountain, and pharmacy in the parking lot back of the theatre. In view of the possibility of a loop bus service, plans for enlarging the north end store are being held in abeyance. GCS has invited all residents of Greenbelt to attend the membership meeting, since the expansion of shopping facilities is a community problem.

Nominations for directors of GCS have been reopened and may be submitted to the office until 5 p. m. September 21. David H. Bau, Hans Jorgenson, Carl A. Oliver and Max Salzman were previously nominated for the Board, as were Carnie O. Harper and Walter R. Volckhausen who are candidates for another term. Alton Bowman, Sgt. William Nicholas, and George M. Eshbaugh, present Board member, are also candidates for election to the four vacancies on the Board. The four candidates for the auditing committee appointed by the president to serve as an interim committee until the membership meeting are Glendon L. Allred, chairman; L. Preston Blatter, Allan A. Bryan and Delbert Mesner, three of whom are to be elected.

Although enough affirmative votes have now been cast to lower the present quorum of 246, it may not be officially reduced to 165 before the meeting next Wednesday night, due to the technicality of scheduling a meeting at which the proxy votes are cast by the Secretary. Two major membership meetings this year were unable to take action because of lack of a quorum.

Vote To Explore Housing Figures

The permanent committee of the Citizens' Association, elected to investigate the possibilities of mutual housing or other plans for the future of Greenbelt, met Sunday evening, September 9 in the home of Thomas B. Ritchie, chairman.

The extent and scope of the function of the committee was determined to be that of fact finding for presentation to the Association within a period of two months and definite assignments were made among the members to obtain all available information on mutual, cooperative and municipal housing projects in existence; copies of the Lanham Act and other statutes relating to such projects; the experience and financial condition of existing mutual housing projects; the costs of operation and maintenance of the Greenbelt community; to obtain from government agencies if possible what plans, if any, were contemplated for the disposal of defense projects at the time of their erection, and what disposition has been made of other such housing and resettlement projects in the past.

Anyone interested in assisting with the work of the committee is invited to contact the chairman at Greenbelt 3131. Other members are Merton J. Trast, Cyrilla O'Connor, Donald Cooper, Sherrod East, Walter Volckhausen and Ruth Taylor.

Adult Education

There will be a meeting Tuesday, September 25 at 8:00 p. m. in the Social Room for all those interested in joining adult education classes for the coming year. The instructors will be present to discuss proposed courses. Interest shown at this meeting will determine what courses will be offered.

Catholic Parents Propose Bus Plan

About 50 members of the Catholic Parents Association meeting last Monday approved a transportation plan whereby Greenbelt Consumer Services would buy and operate the bus serving the Holy Redeemer School in Berwyn, furnishing the children a weekly rate. When the bus was not taking the children to school in the morning or bringing them home in the afternoon it would furnish loop service to the town. Under the plan approved at the meeting CPA would retain an option to repurchase the bus if GCS chose to discontinue operation.

Delivery of the new bus, which has been ordered since June, has been delayed because of strikes at the factory, it was explained by retiring president William E. Donahue. The old bus continues to take 140 children to and from the school daily, at a monthly fare of \$1.

New officers elected at the meeting were: president, Thomas J. Canning; vice-president, Wm. F. Donahue; secretary, Bernard J. Bordonet, and treasurer, J. Walsh Barcus.

Mr. Barcus heads the committee in charge of the paper collection, which will be continued only if the papers are tied securely and ready for pick-up Saturday mornings. The Association will furnish twine to the persons in each court responsible for the paper. To help in reorganization of block captains, Mr. Barcus asks that anyone willing to assume responsibility for a court call him at 2742.

American Voters

Pick Slate Of 5

A new organization appeared on the Greenbelt scene last Friday night at the American Legion home, when a group calling themselves the Committee of American Voters sent out invitations to a private meeting to decide on the candidates to be supported for Tuesday's election to town council.

Frank Lastner, acting as chairman, called for speeches from candidates Allen D. Morrison, George Bauer, Paul Dunbar (all running for re-election), Eli Radinsky, Margaret Carmody, Jesse Smith, and Joseph Rogers. Letters were read from candidates John Cain and Jack Fruchtman explaining their inability to be present and stating their policies and platforms. A popularity vote resulted in the selection of Morrison, Bauer, Dunbar, Cain and Rogers as the contestants to be supported by the group, and a collection was taken amounting to \$32.50 "to finance the committee's work".

The Cooperator representative who attended the meeting reported that "a lot of mud-slinging went on," but that the meeting was orderly.

The group also voted to study "existing conditions" in Greenbelt Consumer Services, the Greenbelt Health Association, and the Greenbelt Cooperator, and to take definite action "to eliminate undesirable policies." A second meeting was to be held tonight.

Mothers Continue Child Care Plea

The Child Care Committee of Greenbelt, acting with the Parents Committee of the Metropolitan Area, is continuing to protest the closing of the child care centers, scheduled for October 31, by letter, petition, and personal interview, according to Mrs. Fred McCarthy, chairman of the local group.

Petitions bearing a total of 608 signatures have been sent to Major-General Fleming (FWA Administrator), President Truman, Representatives Lanham and Sasser, Senators Tydings and Radcliffe. Mrs. Dorothy Huggard, as delegate from Greenbelt, joined representatives from the District, Riverdale, and Alexandria in a conference with Major Fleming on Thursday, September 13. Mrs. Myrtle Resnick and Mrs. Betty Comings of Greenbelt held an interview with Representative Rolla McMillen of the Committee on Public Buildings and Grounds (Lanham Committee) on Tuesday, September 18. The Lanham Committee is scheduled to convene on Thursday, September 20, to consider Major-General Fleming's recommendations; the Parents Committee of the Metropolitan Area hopes to have a hearing before the committee at this meeting, Mrs. McCarthy said.

A second general meeting of Greenbelt mothers using the center was held at 14 Parkway on Wednesday, September 11, to hear a report of the committee's activities and plan further action. Due to the difficulties which mothers of small children must overcome in order to attend evening gatherings, it was decided that no further regularly scheduled meetings would be held; instead, the Child Care Committee will call the mothers together when need for group action arises.

First PTA Meet At North School

All parents are urged to attend the first Elementary School P.T.A. membership meeting to be held at the North End School on Monday, September 24 at 8:00 p. m. Mrs. Rowena Whittaker, principal, will be hostess at the new building. After a brief meeting, teachers will meet with parents in their respective rooms to discuss the school program. Refreshments will be served during the evening. Members of the executive board are: president, Mrs. Wells Harrington; vice-president, Miss Maxine Batie; secretary, Mrs. Carl Day; treasurer, David Granahan; historian, Mrs. Joseph Trinko. School principals are Mrs. Elizabeth S. Fugitt and Mrs. Rowena Whittaker.

Committee chairmen are: Program, Mrs. Sherrod East; Membership, John W. Colliver; Publicity, Mrs. William Harmelin; hospitality, Mrs. Freeland Ramsdell; Newsletter, Mr. and Mrs. William R. Stewart; Legislative, Captain Wilbur H. Sulzbach; Publications, Mrs. Arthur Wetter; and Ways and Means, Mr. and Mrs. Clifford Woodward.

Plan Hot Lunches Coats For Patrol

The PTA executive board of the Elementary School plans to issue a questionnaire regarding the possibility of cafeteria service for the children. Two paid workers will be secured to serve hot lunches at both schools if sufficient interest is shown.

The board also voted to sponsor a bake sale for Friday, September 28, to raise funds for the purchase of 15 raincoats for the School Boy Safety Patrol. This fund would also be used to provide hot cocoa for the boys during bad weather. Chief George Panagoulis and Sgt. Albert Attkick will work with the boys' patrol.

Bauer, Morrison, Dunbar, Rogers In As Cain, East Share Run-Off Honors

Climax of Greenbelt's biennial election for Town Council was reached Tuesday night with the election of four of the necessary five councilmen, George F. Bauer, Allen D. Morrison, Paul Dunbar and Joseph L. Rogers. From the two runners-up, John A. Cain and Sherrod East, a fifth council member will be selected in a run-off election scheduled for next Tuesday.

AVC Plans Party

The Greenbelt Chapter of the American Veterans Committee will hold its next meeting at 2000 Monday, September 24, in Room 222 of the Elementary School.

Plans will be discussed for the party to be held at the home of the Salzmans, 56-B Crescent Road, on Saturday evening, September 29. All servicemen and women are urged to attend the meeting and join in the discussion of the veteran's place in the future.

Citizens Rally

Draws 175 Voters

About 175 voters attended last Friday's open pre-election meeting held by the Citizens Association. The six council candidates not at the Legion House rally were present to give their views on the future disposal of Greenbelt, the transportation problem, local police and court procedure, adult and youth recreation, and the proper role of the council in the conduct of town government.

Applause and laughter greeted suggestions that warnings be substituted for first traffic violation offenses, and that the "shorts" ordinance be abolished. A police court within the town limits was advocated. During a discussion of the delayed announcement of FPHA's disposal plan, the long-standing transportation difficulties, and the inadequacies of the youth center, the incumbent council was indirectly criticized for what seemed to the voters as a do-nothing, know-nothing policy. Referenda for determining town sentiment on vital issues were advocated, although it was agreed that the referendum held on the liquor store question was absurd in view of the temper expressed by the crowd in the council chambers when the matter was first put on the floor. The six candidates stated that they approved publicizing dates and agenda of council meetings in advance, in order to increase public participation. Forming a mutual housing association owned by the residents was affirmed by the six as the proper action for the town upon being set adrift from FPHA's apronstrings.

Irving Rothchild, target of a physical attack by Legionnaire James Flynn at the Association's first election rally, offered an apology to the association for his part in the name-calling which characterized that gathering, stating that he realized it was not part of proper democratic procedure.

Lt. Dayton Hull, who chaired the meeting, ruled out of order any questions not bearing directly on town problems.

Leading candidate Bauer secured a total of 501 votes; Mr. Morrison 478 votes, Mr. Dunbar 467 votes and Mr. Rogers 462 votes. Runners-up Cain and East received 377 and 294 votes, respectively. Remaining candidates are David Granahan with 291 votes; Wells Harrington, 269; Walter R. Volckhausen, 261; Ruth D. Taylor, 252; Jesse E. Smith, 172; Donald H. Cooper, 169; Jack Fruchtman, 162; Margaret D. Carmody, 42, and Eli Radinsky, 40.

This year's vigorously fought contest, in which 871 votes were cast, was anticipated by the unusually large registration of over 1100 voters. Several hundred of these were "late" registrants availing themselves of the late registration privilege, time of which had been extended until 7:00 Tuesday night. Many late-comers were registered by enthusiastic campaigners as they descended from the Greenbelt bus on Tuesday afternoon.

The four elected councilmen were all members of a ticket sponsored by the "Committee of American Voters," as was one of the runners-up, Mr. Cain. The "Reform" slate also sponsored a group of five candidates, including Mr. East, Mr. Granahan, Mr. Harrington, Mrs. Taylor and Mr. Volckhausen. Mrs. Carmody, Mr. Cooper, Mr. Fruchtman, Mr. Radinsky and Mr. Smith ran as independent candidates.

Three of the new councilmen—George Bauer, Paul Dunbar and Allen Morrison—were also members of the previous Town Council.

Legion Invites

War II Veterans

Commander Frank Riley of Greenbelt American Legion Post No. 136 announces that all eligible veterans of World War I and II are invited to attend the post meetings held the first and third Thursdays of each month. Local dues are \$3.00 per year, which includes subscription to the American Legion Monthly magazine and the National Legionnaire publication. Half the present membership of the Greenbelt are World War II veterans, and half the officers for 1946 are also World War II veterans.

The Post is planning to build a new Legion Home as a memorial to veterans who died in World War II and to provide adequate facilities for the membership which, according to Commander Riley, has been increasing since cessation of hostilities. The Legion's charter was amended in 1942 to include World War II veterans who have been honorably discharged or honorably separated from the service.

A New Council

No one can say now that the Greenbelt electorate is not politically conscious. The fact that 871 voted out of a total of 1100 registered is a batting average to be proud of.

This newspaper has been accused of partisan politics during the election. As individuals, the editor and staff claim a right to their own opinions. We wish to state for the record, however, that we refused no advertisement or letter to the editor from any candidate. Our news articles have been accurate and unbiased, as testified to by supporters of the two principal factions involved. It is an editor's privilege to color editorials with his or her own convictions, however. It constitutes a right that any newspaper worthy of the name will fight for. We are sure the new council respects the fundamental right of "freedom of the press", and we pledge in return to continue with impartial news coverage of its activities.

We are sure the new council is as sincerely concerned with the future welfare of Greenbelt as we are, though we may differ as to the best ways to achieve it. The electees have a tremendous responsibility. We hope for a blending of leadership and free exchange of ideas between the council, the Citizens Association, Greenbelt Consumers Services, and all other civic groups for a mutual working-out of our destiny.

GREENBELTERS IN UNIFORM

By MRS. CARL DAY
3-D Crescent Road
Tel. 5561

THE ARMY—WELCOME HOME

Sgt. Frank Lastner, X-ray technician, got back home last week from the E.T.O. He was stationed at Sissonne, France, as assistant to the Chief Dental Surgeon. He participated in the Battle of the Bulge. Frank was also detailed to detached service in Chirencester, England. Frank had an opportunity to do some sight-seeing and reports the beautiful Rheims Cathedral escaped any damage from bombing.

Pvt. John Cain received his medical discharge at Camp Pickett, Va. He reports for duty this week with the firm of J. Nolan Electric Co.

Pvt. Ray Trumbell is now stationed permanently, so he hopes, at Fort Meade in a personnel office.

Pvt. Bill Rogers is back on Saipan. He had been stationed on Iwo Jima for four months. He and Warner Steidle had another meeting. Warner is quite proud of the fact that he has obtained his license as a movie operator.

Pvt. Zip Nanna is in Greenbelt. He has been stationed with the Army Air Corps in North Dakota and reports back to duty at Todd Field in Fairbanks, Alaska.

Sgt. Jim Mathers finally has been located with he Engineers in the Philippines. Jim made the trip direct from Germany over to the Philippines much to the disappointment of Louise and his Greenbelt friends.

Cpl. Vernon Richards is also in the Philippines. Vernon was with an engineer detachment, was transferred to the infantry and finally after a few skirmishes larded back in the engineers with a map making division.

THE MARINES

Every week now we see another familiar face. Ralph Howey, formerly Greenbelt's Plant Engineer at the Greenbelt Elementary School is home to stay. "Howey" looks fine and has gained 40 pounds since he has been in Service. Howey was with the 18th A.A.A. on Saipan, Iwo Jima and Okinawa.

The Co-op has received quite a detailed letter from the Public Relations Section, Hq. Communications Zone, concerning Cpl. James Sommers of Greenbelt. Jim is a brother of Dick of the Marines, a

OUR NEIGHBORS

By JUNE WILBUR

Hi friends, Greenbelters are still coming and going.

The Bill Bussans have returned from their vacation trip to Wisconsin.

Mr. and Mrs. Robert T. Smith and their two children of 6-Y Plateau Place left this week for a vacation at home in Wisconsin.

On the thirteenth a farewell party was given at the home of Mr. Roy Colburn in honor of Mrs. Emily Strange of 6-Z-3 Plateau Place. Mrs. Strange's husband has just been discharged from the service and they are going back home to Louisville, Kentucky.

It's particularly pleasant to report that the husband of Mrs. Doris Hanson of 20-A Parkway has returned after 2½ years overseas. Sergeant Tom W. Hanson is presently stationed in Camp Meade.

Harold Key braved the early morning dew last Sunday morning getting up shortly after the sun went down to go fishing on the bay.

Mrs. Shirley Levine, former Brownie leader is back in town at 38-B Crescent Road, awaiting the return of Pfc. Seymour from Germany. She entertained over the weekend for her old troop, No. 35, introducing her six-months old son, Alan Neil.

Connie Newton was 12 year old last Friday, celebrating with a slumber party for six girl friends.

Mary Jane Kinzer and Carolyn Miller are spending the week in New York City.

Mrs. Joseph Deisinger, of Pittsburgh, Pa., is visiting at the home of her daughter, Mrs. R. L. Scott, of 7-K Crescent Road.

Mr. and Mrs. Frank Harper of 48-F Crescent Road were given a surprise housewarming party on Saturday night by Mrs. Carnie Harper and a group of friends.

That's thirty for tonight, folks.

paratrooper with the 13th division; Bob; and the late Bill Sommers who was killed in the Pacific with the Sea-Bees. Jim has been with the 376th Infantry since basic training at Camp Phillips, Kansas. He not only has acquired four battle stars, fought in France, Ardennes, Rhineland and Central Europe, but acquired a smattering of languages. So don't be surprised when Jim comes marching home and airs his newest vocabulary. He expects to get back home in December.

Community Church

At the Community Church Sunday morning at 11 o'clock, Rev. Wilmer P. Johnston will preach on "Anchors That Hold in the Time of Storms". The music will be furnished by a choir under the direction of Mrs. Charlotte Schubert, accompanied at the organ by Mrs. Hester Neff.

The annual meeting of the church is scheduled for this coming Thursday night, September 27. All organizations are asked to submit concise reports of the year's work at this meeting. Dr. Frederick E. Reissig of the Washington Federation of Churches will discuss the building of a community church in Greenbelt. The meeting will be preceded by a "covered dish" supper. Each family is asked to furnish a covered dish to serve 10, plus its own place service. Please make reservations by calling Mrs. Phil Taylor, phone 3361.

The Community Church has been organized for the convenience of the Protestant people of Greenbelt and represents your church in Greenbelt if your church is a member of the Washington Federation of Churches.

On Sunday, September 30 at the anniversary service, Chaplain J. P. Mookman, who was in the South Pacific for almost three years, will tell about the life of a chaplain in the Navy in this war.

Lutheran Church

Rev. Edwin E. Pieplow has chosen for his sermon for this Sunday, September 23, "Christians, You Are Being Watched," Luke 14:1. Services are at 12:30 p. m. in the Home Economics Room of the Elementary School. Everyone is cordially invited.

Sunday School classes begin promptly at 11:45 a. m. All children are urged to bring a neighbor or friend who does not attend church regularly. This being National Sunday School Week, we hope to join the country in getting seventeen million unchurched children to Sunday school and church.

Anyone wishing to sing in the mixed choir should contact Mrs. Helen Leifur.

Hebrew Congregation

The Hebrew Congregation wishes to thank the Community Church for making available the various rooms that were used for High Holiday Services. The Congregation also thanks Manager Jack Fruchtman for the use of the theatre last Monday.

After services last Friday, initial discussion for the coming Sunday school session was held.

Services will start tonight in the Social Room at 8:30 o'clock.

Catholic Church

Sunday Masses: 7:30 a. m. and 9:30 a. m. in the Greenbelt Theatre; 7:00 a. m., 9:00 a. m. and 11:30 a. m. at Berwyn.

Confessions: Saturday from 7:30 p. m. on at 10-B Parkway in Greenbelt; Saturday at Berwyn from 3 to 5 p. m., and from 7:30 p. m. on.

Novena Devotions: at Berwyn every Wednesday evening at 8 p. m.

570 Now Attend Greenbelt High

Greenbelt High School's five hundred and seventy students began school September 10. Two hundred thirty of them are in the 7th and 8th grades which at present comprise the new junior high school system.

In use for the first time is the new wing, which includes five classrooms, a combination auditorium and gymnasium, and an office. Some equipment, including desks and lockers ordered by the government last December, has not yet been delivered.

Principal John Speicher heads a staff of 26 teachers, an increase of 10 over last year. New members of the faculty are: Miss Stewart, seventh grade; Mrs. Chesney and Miss Venable, eighth grade; Miss Eley, health and physical education; Mr. Gibson, shop; Miss Hawkins, seventh grade math and health; Mrs. Haines, biology and math; Mrs. Klein, math; Miss MacIntosh, U. S. History and Problems of Democracy; Mrs. Rich, guidance; Miss Sakofsky, music; Miss Stoner and Miss Townsend, health and home economics; and Mrs. Zeldin, foreign languages.

Supt. Points Out Defects In School

Following a tour of inspection of the Northend School on September 4, County Superintendent Gardner G. Shugart sent a letter last Saturday to FWA Division Engineer Henry J. Sullivan requesting that the following conditions be corrected. Mr. Shugart stated he understood there had been some improvement due to the building having dried out since school opened.

1. The asphalt tile and border is loose and coming up in several places.

2. The paint is stained and peeling in several rooms.

3. Floors in some of the rooms and in the lower hall are uneven, indicating that they were not laid on a level surface.

4. Paint has peeled off the bases of upright members in the lavatory partitions. The bases have rusted and stained the floor.

5. The concrete steps from the first to the second floor are rough.

6. Floor of the second story storeroom is very rough.

7. The discharge pipe from the downspout empties into a gully about 50 feet from the rear of the building, which creates a hazard for the children. The discharge pipe should be further from the building and underground.

8. Exterior paint is streaked.

9. The outside drinking fountain is broken.

10. Woodwork is discolored by damp.

11. Stoker looks old and rusted and the boiler is full of clinkers. It should be serviced and the parts checked by the manufacturer.

12. Boiler room is mildewed and all woodwork damaged.

13. Some doors are coming apart. The entrance door rubs the platform and will open only about one foot. The platform is cracked in two places.

14. Window handles are unnecessarily long and slender, thus easily broken.

15. Middle rail of removable section of railing around the ash hoist is missing, constituting a hazard.

16. Window shade in auditorium is pulled from roller and damaged.

The U. S. Rubber Company, in a recent memorandum, deprecates the current attack on co-ops by the National Tax Equality Association. "Any Corporation that elects to," the company declares, "may do business on the same basis (as a Cooperative) by refunding its profits to its patrons."

TO THE EDITOR

I respectfully urge that the 169 Greenbelters who voted for me Tuesday now swing their full support to Sherrod East in the run-off election next Tuesday. Sherrod East, one of our first residents, has demonstrated a continuous record of service to the community and a sense of impartial honesty that should be useful on the Town Council in healing the angry scars of this town's most bitter election.

Bamby Bakers vs Shamrocks For County Championship

By decree of Prince Georges County Baseball League president Jake Reed and with approval of Bamby Bread team's manager, Pop Meyers, the first game of Sunday's doublebill will be played at Snug Harbor at 12:30 with the Bakerboys acting as host team. On completion of the first game the title contenders will come to Greenbelt for the nightcap.

Originally, Bamby Bread signified that, should they become involved in the loop play-off, they would be happy to use Braden Field for their home diamond. Internal disention and petty squabbles have embittered team managers and the league officials. The Shamrocks, having been in the driver's seat most of the season, have been respected by fans and players throughout the league, and are now the target of some slimy back-stage mumbblings from the loop mogul's office.

Vince Holochwost is going right along with his policy of winning and losing games right on the field and has left the mutterings of the disgruntled to themselves. He wants more than anything else to gain the league championship by winning the pair of games this Sunday. Of course, if the teams

divide the double-header, a third game becomes necessary and will be played the following Sunday. Holly plans to shoot Ernie Boggs at the "Dough-boys" in the opener and come right back at them with Bill Eick in the closer.

Pop Meyers will undoubtedly throw his ace, Bernie Schools, against Boggs and will have big Dave Leonarduzzi or Lefty Harpster ready for Eick.

It was somewhat of a surprise for the Shamrocks to find themselves confronted with the Bamby Bakers. Snug Harbor seemed much the more solid team in spite of 11-4 and 9-0 lickings by Greenbelt earlier. Snug Harbor did come back to beat the Shamrocks by 4 to 3 in ten innings two weeks ago. But, Bamby Bread left no doubt in their game at Snug Harbor last Sunday. They went right

to work on lanky Tex Williams for four runs in the sixth inning and went on to win by 6 to 2. Schools held the Harborite sluggers well in check. Score by innings:

Bamby Bread 000 104 011—6 11 1
Snug Harbor 000 100 010—2 7 3
Batteries—Schools and Johnson; Williams and DeGeronimo.

In a bit of post season fenegling, Pop Meyers gained the use of catcher Richard Johnson, of the Mt. Rainier Recs, when he lost his own receiver to the armed services. By and large, Meyers' lads have remained faithful to him. The Shamrocks have played Meyers' nine for three years now and his lineup remains pretty much the same, just a few new names now and then. They came to Braden Field as the Northeast A. C. in '43 and '44.

They split four games with the Rocks the first season and dropped three out of four here last year. All the games were well contested and well worth seeing. The only time the rival have met this season was the last game of the first half when the Shams, with Ray Glasgow pitching, victimized the Rosedale lads by 11-3 for their eleventh straight victory. That gave the Breadmen a 6 and 5 record for the first half and Greenbelt the first half championship.

September 21, 1945 GREENBELT COOPERATOR Three

Play Traveling Double Header Sunday; First At Snug Harbor, Nightcap Here

Two interesting things happened to the Shamrocks last Sunday and neither was the ball game they played. The first was the return of Staff Sgt. Leroy Clark to the Shams and the second was Snug Harbor's loss to Bamby Bakers in the second half title game played at the same time the Locals were losing a (sorry) exhibition game to Bill James' Prince Georges A. C. at Braden Field 3-0.

Clark, who will not be 22 until December 12, returned home last Monday morning after being mustered out of the Army Air Corps at Fort Bragg, N. C. Leroy used to live up Hillside Road way but his parents bought a home over in Berwyn. His mother works at our post office.

Lee started his air gunnery training March 22, 1943 and left these shores March 13, 1944, arriving over there on the 20th. Then, from March 23 through November 10, he flew 65 missions as tail gunner in Captain Lively's B-26. On D-day Lively's plane and the flight leader were the only two to

return in a flight of seven. Leroy counted 68 bullet holes in his plane when it set down in England.

For his active part in the battle of Europe, Lee received the Air Medal with twelve Oak Leaf Clusters and the EAMET campaign medal with four bronze service stars. His sixty-five missions were over Europe, Normandy, Northern France and the Rhineland.

On returning to the United States, Staff Sgt. Clark was sent to Loreda, Texas for a six-weeks instructors course and then served at Tyndall Field, Florida up until his separation orders came in.

Mr. Leroy Clark returns to Maryland University under well earned rights from the famous GI Bill of Rights.

Sunday, against the Athletics, Lee coaxed two bases on balls, stole two bases and accepted two fly balls out in leftfield. Bill Zerwick was the only Shamrock to hit Chapman and he secured two and stole three bases.

The Big Green had never given a thought to the possibility of playing Bamby Bakers in the championship series. Snug Harbor just appeared to have the better ball club. Sunday the Breadmen soundly thrashed the Harborites by a score of 6 to 2 to win the right to a series with the Shamrocks. Two games will be played this Sunday and, if split, a third game will be played the next Sunday.

Getting back to the (sad) exhibition game with P.G.A.C., it must be said, in fairness to pitcher Ernie Boggs, that all runs were unearned. It was the third straight game the Irish have lost and during that spree Boggs has allowed but 2 earned runs, his mates have been accountable for 8 others and their bat support has produced but 3 runs in assistance over the same span.

RIDE WANTED—to the vicinity of 12th and Constitution Avenue. Hours 8:30 to 5:15, phone 2317.

FOR A HUGE DIVIDEND

The rounding out of a meal with a bottle of NATIONAL BOHEMIAN will undoubtedly pay you a huge dividend in pure enjoyment.

There is something about a glass of NATIONAL BOHEMIAN that brings an added feeling of goodness and a glow of satisfaction.

Of course, as is known by one and all, NATIONAL BOHEMIAN is by no means a cheap beer. Quite to the contrary, it invariably ranks as the top-price, popular-range beer your dealer or your restaurateur can buy. Still and all, like the good boniface he is, he thinks of your pleasure, buys quality and yet asks you no more than he asks for other popular-priced beers.

As a dividend-payer in real pleasure, one might say that NATIONAL BOHEMIAN pays EXTRA dividends.

for Pure enjoyment

Foul Tips

By JOE MULLER

By JOE MULLER
In case you fans have been wondering where Ray Glasgow has been for the past couple of Sundays, the big bespectacled pitcher has left Greenbelt for Indiana. Since the war is over many Navy Yard employes are being laid off. Ray fled to a more secure job in the Hoosier State before the axe fell on him here. Ray and Nurney and their three little girls, Rose Marie, Carol Lou and Mary used to live at 73-F Ridge Road.

It is tough on GLASGOW the Shamrocks to lose such a fine team player and fine hurler at this critical time when they are entering a best-of-three game series for the county championship. The former North Carolina U. and Coastal Plains league pitcher had won 4 games against but one loss this campaign. In 1944 he won 3 and lost a like number. His first year with the Locals, 1943, he toed the slab in 10 winning efforts against just 4 losses. He hit over the .300 mark for all three seasons. The husky "Razor" left quite suddenly when this job presented itself, but he called manager Vince Holochwost to wish him and his Shamrock mates all the success in the world. The 'Rocks in return are sincere in wishing Ray Glasgow a full and happy life in Indiana and will remember him while battling for the pennant.

They do say that, once upon a time, they cut Lou Gerstel's head open and baseballs fell out all over the place. Now I'm very much afraid that a similar operation would find footballs spilling out. Old Lou got back with the Redskins from their exhibition itinerary that carried them through Cleveland, Chicago and finally Buffalo. Lou says for you fans to discount the 'Skins' poor showing. . . . they will be hitting on all eleven cylinders come regular loop kick-off time . . . Shufflin' back from Buffalo, Lou is a well man. Actually in poor health when he left, the trip, its associations, good hotels and good food worked wonders for the sports enthusiast . . . And, even Lewis F. Atchison gave him a nice write-up in the STAR . . . Lou forsakes the Shamrocks in their championship struggle to be with his beloved Redskins this Sunday.

That tall, black-haired, good looking guy that played leftfield for the Shamrocks last Sunday will not be eligible for the loop play-offs. Staff Sgt. Leroy Clark, veteran of sixty-five missions in the tumbled seat of a B-26 over France and Germany around hunting season (D-day plus and minus) hasn't played with the Shamrocks since 1942 but you can bet he'll be in there for a berth next year. Lee is one of the best basketball players the town has produced. An outstanding player on the high school team, he really went to town on the town team. His record of 32 points in a single game

Mothers To Meet New Teacher Fri.

The Cooperative Nursery School mothers will meet the new nursery teacher, Dorothy Broadbent, at their first fall meeting on Friday, September 28, at the home of Mrs. Sam Ashelman.

Miss Broadbent was graduated from the Perry Kindergarten Normal School in Boston and has taught in Wilmington, Delaware, and in Brunswick, Maine, at a nursery and kindergarten camp.

The Co-op Nursery School in the basement of 14 Parkway is now in its fifth year. Under the cooperative arrangement each mother contributes some time either in assisting at the school, serving as an officer, or acting as a committee member. The school regularly enrolls 15 three-year olds and 15 four-year olds, who attend separate 2 1/2 hour sessions, one in the morning and the other in the afternoon.

This year's officers are Donna Romer, president; Margaret Ashelman, treasurer; Betty Kindler, secretary, and Jean Johnston, financial secretary.

Engagement Told

—Photo by Bachrach
Dr. and Mrs. James W. McCarl have announced the engagement of their daughter Mary Jean to Ensign Robert Bonham, son of Mrs. Bertha Bonham. The wedding will take place when Ensign Bonham returns from the Pacific where he is now on active duty.

Mary Jean graduated from Greenbelt High School where she played on the basketball team and was queen of the 1941 All-Greenbelt Night. She is now a senior at the University of Maryland majoring in English and is a member of Gamma Phi Beta.

Bob also graduated from Greenbelt High and attended St. John's College in Annapolis for two years before entering the service.

still stands in the local recreation league.

This Sunday would be a good time for you Greenbelters to show your belting Shamrocks how much you like them by coming over to Snug Harbor in the early game and back to Braden Field for the nightcap and really root out loud for them.

Hope you voted.

Co-op To Handle Electric Gadgets

Greenbelt Consumers Services has signed a distributor's contract with a Washington wholesale dealing in Thor washing machines and ironers, Philco house and auto radios and home air conditioners, Premier vacuum cleaners, New Home electric sewing machines, and electric irons, lamps, clocks, fans, heaters, heating pads, waffle irons, toasters, and coffee makers. Philco television sets will be available in the future. Greenbelters are urged to sign up for the appliances they desire.

A display model of the Thor washing machine is expected next week and the variety store is now taking registrations of interested purchasers. A service department is planned by GCS to keep the washing machines in first class condition for one year free of charge, radios for 90 days.

Other appliances available as soon as OPA establishes price ceilings are Conlon washing machines and ironers, Bendix radios and small appliances, RCA radios and phonographs, and a line of records.

NEW BABIES

Three New Greenbelters arrived at Leland Memorial Hospital in Riverdale last week:

William Carl, son of Mr. and Mrs. Louis Groman of 1-C Plateau Place was born on September 11. He weighed in at 7 lbs., 3 oz.

William Vincent, born to Mr. and Mrs. William Rosand, 33-E Ridge Road, September 10, tipped the scales at 7 lbs., 2 1/2 oz.

Patrick John DeCoste, 7 lbs., 4 ozs., put in his appearance on September 13. He and his parents, Mr. and Mrs. J. Frederic DeCoste live at 20-L Hillside Road.

125 Minneapolis veterans have developed a cooperative housing project in the city's suburbs.

Hebrew Sisterhood Urges Child Care

The Sisterhood of the Hebrew Congregation held its regular meeting last Wednesday evening at the home of Mrs. L. Wexler, 32-K Ridge Road. The continuance of the federally-financed Greenbelt Child Care Center was discussed and members present voted to send two telegrams to Congress, urging that the school be kept open.

Following Yom Kippur services, a dance was held last Monday evening in the Home Economics Room. Despite a wind of gale-like proportions, a number of people showed up to enjoy refreshments served by the ladies.

GCS Managers Meet

T. Tenhune, manager of National Cooperatives was guest speaker at a meeting of GCS store managers Friday noon, September 14. National Cooperatives was set up by the 18 regional wholesales for the purpose of central purchasing and production. Mr. Tenhune explained, stating that co-ops are now being organized on an international scale. The previous week, Mr. Tenhune said, he had made plans with delegates from cooperatives in two European countries for exchange of goods. National Cooperatives is now going into pro-

duction on electrical appliances for the home, concentrating at present on washing machines and refrigerators. A representative from the Washington office of the Co-operative League spoke on the problem of surplus commodities.
