July 6 Deadline To Erect Fences

Tenants who desire to erect the standard type of fences approved by the FPFA office will have until July 6 to do so, according to a statement issued by Community Manager Charles Cormack this week. All fences which have been erected without the permission of FPFA must be down by that date, or they will be removed by FPFA employees at the expense of the tenant.

"In response to the requests of a number of tenants who believe that the addition of fences will provide desired privacy, a protected play area for small children and a protected flower garden space," Cormack stated, "I have obtained the approval of the FPFA to this program. I do not urge or recommend fencing of all dwellings, but sympathize with the needs of many families who have talked to me about their problems. To maintain the appearance of our community it has been necessary to establish specifications to provide for uniformity in the erection of these fences, and to require adequate maintenance of any fences erected under this plan by the tenants concerned."

Application blanks and detailed information may be obtained at the Maintenance Office, rear of the 36 Court Ridge Road, during regular office hours from 8 a. m. to 4:30 p. m. daily except Saturday or by calling 6011.

Fences may only be erected on the front side of buildings (opposite the service entrance and trash closet). No fences will be permitted on the service court side, due to problems of sidewalk access to dwellings and interference with collections of garbage and trash, delivery of milk, and other services.

A uniform type of 36" wire fence, erected on steel posts, will be required. All labor and materials must be furnished by the tenants, and all tenants in one building must join in the application and the fence for that building must be erected at one time and of uniform materials. The erection of individual dividing fences between yards is optional. Fences may extend from 20 to 30 feet in depth from the building, depending upon the desires of the tenants and the topography. Exact location of fences must be approved by the Maintenance Superintendent who will also inspect the fences for compliance with the specifications regarding construction and maintenance.

Tenants leaving the project will be required to leave the fence in place, and responsibility for future maintenance will be transferred to the new occupant of the dwelling. The management reserves the right to cancel the permit upon ten days' notice after October 1, 1947.

A few tenants have erected fences without authority. These fences, according to Mr. Cormack, provide a picture of what would happen to the appearance of the community if proper specifications were not enforced. All such fences must be removed not later than Sunday, July 6.

July 4th Parade

Will Offer Prizes

Plans for a Fourth of July parade were announced this week. The parade will be in two parts: Part I—mounted and motorized units, and Part II—walking units. The motorized parade will take the long route around the Town, and will be composed of the following categories:

Mounted police; rescue squad; fire department; police cars; floats; autos, decorated, private; autos and trucks, decorated, commercial; miscellaneous (autos, bicycles); national guard.

Part II, walking units, will be composed of the following categories:

Children with decorated carriages; girls under 10, with decorated wagons; boys under 10, with decorated wagons; girls under 10, with decorated tricycles; boys under 10, with decorated tricycles; girls under 16, with decorated bicycles; boys under 16, with decorated bicycles; junior organizations, in formation of own choosing (decorated, uniformed, etc.); senior organizations, in formation of own choosing.

In order that the parade may proceed in an orderly fashion, it will be necessary that each entry assemble with his proper category and await the arrival of Part I at intersection of Parkway and Crescent Roads. Walking units will assemble on Parkway Road and be ready to join Part I, without delay, as indicated by the starter at that point.

Parade Route

The parade, Part I of which will assemble in the school parking area, will start promptly at 10 a. m., proceeding out of the parking area to Southway and Crescent, right on Crescent to Ridge, along Ridge to Research, left on Research to Hillside, along Hillside to Crescent and along Crescent to Parkway. The Greenbelt Band will also assemble on Parkway at Crescent Road. The combined parade will then proceed along Crescent Road to Southway Road, then turn right into the Business Center and thence to the Theatre Parking Area, where all units will hold formation until completion of judging.

Prizes Offered

The judges will review the units from the center walk of the Business Center and prizes will be awarded immediately upon completion of their determination as to winners in the various categories.

Prizes will also be awarded for the prettiest, the funniest, and the most unique costume.

Judges will be Rev. Eric T. Braund, Rev. Milton U. Ray, Rabbi Morris Sandhaus, Father Victor Dowgiallo, Mrs. Lloyd Nelson, Mrs. Alfred Sansone.

Deadline June 28

Entrants for floats, etc. should contact George Panagoulis, in charge of the parade. Paul Dunbar is in charge of prizes. Deadline for entries is June 28.

Athletic contestants should contact Ben Goldfaden of the Recreation Department.

Council Hopefuls May File July 16

Beginning July 16 prospective candidates for the Town Council may file their intentions with the Clerk. Candidates may not file after September 2.

Any adult Greenbelt citizen of sound mind may file, provided he has a notarized petition signed by at least 33 registered and eligible voters.

Election day is September 16. Prospective voters may register at the town office free of charge until September 1. From then until election a 50-cent fee will be charged for each registrant.

As of Tuesday, Clerk McCamy had accepted 73 new registrations from Greenbelt citizens wishing to vote this fall. A total of 1,093, including new registrants and those already on the list, were eligible to vote in the last election, although only 871 actually cast their ballots.

Polio Safety Hints

Polio time is creeping up on the calendar, and the town Public Health Office has issued several timely warnings on how to best avoid the yearly menace.

"Do not expose yourself to active cases of polio.

Do not engage in any undue exertion, and avoid especially over-exertion in the sun. Rest in the shade.

Eat a moderate, balanced diet. Follow good personal hygiene."

Does Wet Laundry Embarrass You?

In response to an inquiry from the Cooperator as to the reinstatement of the original regulation regarding hours of laundry drying, Mr. Charles M. Cormack, Community Manager, submitted the following statement:

"The regulation regarding hours of laundry drying was reinstated in the new Terms and Conditions of Occupancy in response to what I felt to be a genuine public sentiment in favor of returning to the high standards of community life that were in effect prior to the war.

The laundry drying regulation was rescinded during the war years when many of the housewives accepted government employment on a six day week basis as a patriotic duty and hired help was unobtainable. Under such conditions the only time available to many families for washing and drying clothes was either late in the evening or on Sunday. Today the five day week has returned and more time is available to those families who find it impossible to dry their laundry during the week.

The plan of Greenbelt, while possessing many splendid advantages, places the service entrance and laundry drying yards of most homes directly on the street. In many instances, due to the arrangement of the walks, it is necessary to pass through one or more service yards in order to reach the commonly used entrance to your home. The indiscriminate and uncontrolled use of these "front yards" for drying of clothes in the evenings and on Sundays and holidays has many disadvantages. In addition to the effect on the appearance of the community, a real inconvenience and embarrassment is experienced when guests arrive and are forced to walk through the neighbor's drying yards before reaching the door of the home at which they are calling.

I have been personally requested by a substantial number of residents to restore the regulation regarding hours of laundry drying. Even in the few days since this regulation was first announced, I have observed a distinct improvement in the general appearance of our community. Many residents have voluntarily followed the old rules throughout the war period in the belief that by scheduling their activities the best interests of the community were maintained.

It is not my plan to call upon the police department to enforce this or any other regulation governing the relationships between residents of the community and the Administration Office. Primary responsibility in the observance of this as well as all other regulations rests with the residents.

The response of the great majority of the residents to my request for cooperation in our clean-up campaign and the continued efforts that are in evidence throughout our community of interest in maintaining and beautifying their grounds, shrubbery and hedges is most gratifying. I feel confident that after careful consideration the great majority of our residents will find that the regulation regarding laundry drying hours is practicable and will result in a definite improvement in our community."

CHARLES M. CORMACK.

SCHOOL'S OUT!

96 Elementary Students Will Enter Jr. High; Kindergarten To Get 252

The Center and North End Elementary Schools held assemblies yesterday to mark the end of the school year. Fifty-four children from the Center enter Junior High in the fall, and forty North-enders. 131 kindergarteners are expected at the Center School in September, while the North End School will try to find room for 121, an increase of 35 over this year's enrollment.

93 Seniors Bid Goodbye To GHS

Ninety-three seniors received their diplomas at the annual graduation exercises of the Greenbelt High School this evening at 8 p. m. The program, with the theme "Assignment for Tomorrow," employed student participation for the third successive year.

Welcoming the seniors and their guests was Kathryn Roach, followed by a speech, "The Role of the School and the Community," delivered by Harry Byrd Powers. "Our Responsibilities as Individuals," "Why We Educate," and "World Education," given by Patricia Loftus, Don Wilking Robinson, and Dolores Wolfe, respectively, were next on the agenda. The several Glee Club selections interspersing these talks were the response to Rev. Pieplow's (of the Trinity Lutheran Church) invocation, "The Lord's Prayer," followed by "Deep In My Heart," and "Serenade," from "The Student Prince."

Ten awards were presented to outstanding seniors. They were the Kwanis awards to one boy and one girl for citizenship; the American Legion Award to one boy and one girl for citizenship, scholarship, and attendance; the American Legion Auxiliary Award to one girl for outstanding work in Problems of Democracy; the Alumni Award to one boy and one girl for the most all-around development; and the Parent-Teachers' Association awards to one commercial, one general and one academic student for the highest scholastic averages in their respective fields.

Principal John P. Speicher presented the diplomas as the ninety-three seniors rose and walked across the stage to receive them.

Concluding the services was the benediction spoken by Senior Class President Robert Leslie Scott, Jr.

The piano music was supplied by Miss Ellen J. Beckman with Edna Marsh as assistant accompanist.

Legion Plans

Benefit Play

"Cornzapoppin," a three-act farce comedy, will be presented by The American Legion Post 136 at 8:30 p. m., in the center school auditorium, Wednesday and Thursday, June 25 and 26. All local talent will be employed. Specialty skits will be given between the acts.

This play, which is pure "corn" and played in hillbilly style, is being given for the benefit of the Legion's Youth Program Fund. The Legion has engaged a director from Empire Productions, Kansas City, Mo., to handle the play.

The cast includes Les Sanders, Henry Hofstetter, Frieda Bielas, Mrs. Raymond Stice, Tim Evans, Joan Dietzel, Henry Clayton and Miss Aleatha Campbell.

The cast will welcome the loan of jugs, corn cob pipes, bales of hay, spinning wheels, rocker for Aunt Bessie, ducks (alive), bustles, and any other available accoutrements.

There will also be a Homeliest Man in Town contest, open to any male resident of Greenbelt over the age of 21. The candidates will be introduced the first night and the winners announced the second night. For entry details call Miss Campbell, phone 3462.

One feature of the assemblies was the presentation of certificates to the patrol boys for 1947-48. North End boys winning this coveted honor are Bobby Gross, captain; 1st Lt., Ray Zimmet; 2nd Lt., Buzzy Merriman; Patrolmen: Donald Miller, Craig Wooley, Bobby Miller, Bobby Dove, Floyd Hawkins, Lee Shields, Leonard Multivero, Howard Wilson, Billy Nelliger. Personnel of the Center School patrol will be announced next week.

Helen Ritter won the purple ribbon for three years of perfect attendance at the North End School. Those receiving gold seal certificates for no tardies and no absences were: Nola Hilar, Jana Lee Andrusic, Billy Andrusic, Billy Higgins, David Hawkins, Sandra Dilno, Marian Higgins, Mickey McEleny, and Barbara Lehan.

The Elementary PTA presented four patrol boys with half their expenses for camp this summer.

Town Fee Delays Donation Of Fish

The possibility that Greenbelt's lake may be restocked with free fish from the Fish and Wildlife Service, Department of Interior, was announced this week by the Greenbelt chapter of the Izaak Walton League. However, passage of a recent ordinance by the Town Council which requires a twenty-five cent fee for the issuance of town fishing permits may defeat the League's hopes of providing fish for future anglers.

The Fish and Wildlife Service restocks lakes such as Greenbelt's as part of its official activities. As a prerequisite, some responsible organization must make a survey of the lake to determine the type and quantity of fish suitable to the environment, and in addition must continue to report for three years on the welfare of any fish supplied by the Service. As such fish are "public fish," the Service prohibits any local charge being made for permits to angle for them.

The present Greenbelt ordinance, passed at the council meeting of May 26, requires an applicant for town fishing permits to show a Maryland state permit in his own name, and to pay a fee of twenty-five cents to the Town. The Town of Greenbelt can receive the free fish only if it changes the ordinance to make the fishing permits free of charge. If the Town should itself make the survey and incur other expenses connected with obtaining the fish, it would be permitted to charge a fee for the permits; however, there are no Town funds available for this purpose.

Members of the local Walton League intend to request a revision of the ordinance to abolish the fee at an early meeting of the Council.

Girl Scout Camp Sets Bus Schedule

The Girl Scout day camp begins Monday, June 23.

Bus leaves center at 9 a. m., first stop at 1 Court on Crescent and Ridge Road, next stop Plateau Place—Ridge and Research; Hillside and Laurel Hill Road and at the bottom of Hillside Road. Second bus leaves center at 9:15 a. m., and will go straight to the lake. All children in and around center will take this bus. Registration will be accepted the morning of camp opening. For further information please call Mrs. L. Nelson, 3216 or Mrs. J. H. Elder, 5793.

The staff of the Cooperator will be a sure enough skeleton staff during the next few weeks. Many of the staff members are vacation bound at almost the same time. Dayton and Anne Hull are motoring to California; they will leave tomorrow and do not expect to return until August. June and Sam Ringel with their two children left June 14 to remain over the Fourth in Chicago and Milwaukee. Charlotte Welsh and her two sons are visiting relatives in Chicago, too, and will be joined by Jim Walsh later. Sally Meredith with her son, Mike, will be Chicago bound July 3. Elise East, with her two children, Karen and Mike, plans to leave early in July for Webster, Wisconsin, and will remain until school opens. Happy holiday, everybody!

Gerry Backstrom and Donna Romer have gallantly come to the rescue of "Our Neighbors" while I am in Vermont with my two little girls. They will take all items at the phone number listed at the top of our column. Do keep their line busy with news!

In the dance recital presented last Friday by the Modern School of Dance were eleven more Greenbelt children besides those mentioned in last week's Cooperator. They were: Josephine Sheaffer, Frances Anspach, Barbara Fleharty, Helen and Donna Pleitner, Sheron Thomas, Sandra Dilno, Joan Gramatte, Stephanie Haviland, Karen Resnick, and Gloria Bradley.

On Monday evening, as a courtesy to the Jean Gill Studio, presenting a dance recital, "Maytime," Joan Gramatte appeared in a duet and five-year-old Donna Pleitner in a solo acrobatic dance.

Mrs. Bob Davenport, 46-B Crescent Road is enjoying a two weeks visit from her mother, sister and

brother. Mrs. William Hamby, Miss Mary Hamby and John Hamby arrived last Sunday from their home in Greenwood, South Carolina.

Joseph Muller, 33-L Ridge Road, who sailed for Europe April 1, flew back home from London last week after a two months' tour of eleven countries. Mr. Muller, an employee of the Department of Commerce, was sent abroad by the State Department to attend timber conferences in Geneva, Switzerland and Prague, Czechoslovakia. In the latter country, he accepted an invitation to dine with former President Benes. He visited the Vatican. Mr. Muller also saw the spot where Hitler was supposed to have committed suicide. He took moving pictures of many of the interesting places visited.

Sam and Margaret Ashelman celebrated their tenth wedding anniversary last Friday evening at Michel's in Washington in the company of Mr. and Mrs. Bruce Bowman and Mr. and Mrs. Dayton Hull, who, incidentally, also celebrate their tenth anniversaries this year. The entire party after dinner attended a performance of The Lute Song, playing at the National Theatre.

Mr. and Mrs. Frank Loftus of Chicago have been visiting their mothers, Mrs. Winfield McCamy and Mrs. Charles Friedman for the past week. They are returning to Chicago where Frank Loftus will attend summer school. Shirley Loftus is an employee of National Co-ops in Chicago.

Mrs. Edward Davenport and her daughters, Joan and Nana will spend the week following the Fourth of July, visiting relatives in Chicago.

Mrs. Edward J. Brassor was the guest of honor at a bridge party given last Friday evening by Mrs. Matthew Fontaine and Mrs. Clyde Eanes at the latter's home. Among the guests was Mrs. E. T. Benton of Little Rock, Arkansas who is spending a few months with her son-in-law and daughter, Mr. and Mrs. Vernon L. Havens, 2-G Gar-

To The Editor

To the Editor:

During the past two years I have heard various citizens of Greenbelt complain regarding our inefficient Town Council. This reached its climax about a month ago when the council met to act on some complaints by the mayor and the resignation of the town manager.

There may be some justification in the criticism I have read. Personally, I feel that the Town of Greenbelt surely has within its confines more efficient talent than now resides on the town council.

I am a strong optimist regarding Greenbelt. It has much more to offer its people than other towns. The council-manager form of government is but one. If we are to have a wide awake and efficient government working in the best interests of the people, it is our duty to take a lively and serious interest in our government.

In the last election about 25 per cent of the people entitled to register did so and only a part of them voted. After all, the kind of government we receive, is a reflection of our interest in that government. Do your duty, register and vote.

—IRVING ORING—

denway. Mrs. Brassor and David Brassor will join Mr. Brassor in Boston next month, where they will make their home.

Mrs. Lillian Kinch of New York City is spending the month of June with her niece, Mrs. Stanley Stepanura, 26-D Ridge Road.

A son was born June 8 at Leland Memorial Hospital to Mr. and Mrs. William H. Hollaway, 3-C Gardenway.

The Patrol Boys of the north end of town are presenting gifts to Officers Buddy Attick and Ralph Parker in appreciation of their directing the boys as traffic police.

Mr. and Mrs. Edward L. Groff, 51-C Ridge Road announce the birth of a daughter on June 7 at Leland Memorial Hospital.

Mrs. Lewis Johnson returned on Tuesday from Leland Memorial Hospital to her home at 5-F Ridge Road.

Another patient at the same hospital is Mrs. Thomas Green of 2-D Laurel Hill Road who underwent an operation on Monday.

We've a few birthdays to report: Twenty-four of Billy Collier's friends were present the evening of June 8 at a surprise party at 26-B Ridge Road to celebrate his 15th birthday.

Joe Schaeffer, 19-M Ridge Road celebrated his fifth birthday last Sunday with five boys and five girls.

David Reuben is six years old today and celebrated with a party at his home, 4-D Crescent Road.

Patti Mesner was four years old June 19 and her brother, Tomi was two on June 12. Tomi's birthday was celebrated with a beach party for his little friends, Kathleen and Barbara McGee. Yesterday there were ice cream and cake for the birthday children and their friend, Carolyn Goodens and her mother, Mrs. Ernest Goodens who came from Takoma Park to spend the day.

Dorothy Broadbent left last week for Maine where she will be employed at a camp the entire summer.

Mr. and Mrs. Thomas Faulconer of 2-M Research Road welcomed a new daughter born June 12 at Leland Memorial Hospital.

Mrs. Don Cooper sailed from New York for Germany last Friday.

The Dee Fairchilds with their two children have moved into the Cooper's former home at 6-H Ridge Road.

To Mr. and Mrs. Edward M. King, 18-A Parkway was born a daughter on June 16 at Leland Memorial Hospital.

Dickie Williams, 6, of 9-N Research Road, came through his first piano recital with flying colors and he found out that practice makes perfect for he didn't make any mistakes.

About twenty members of the local Izaak Walton League enjoyed last weekend fishing at Oscar Zoellner's place on Chesapeake Bay.

Richie Fonda of 9-C Research Road celebrated his 7th birthday last Saturday, but the swimming party planned for his little friends had to be postponed until Sunday because of the heavy moisture which prevailed on Saturday.

Freddie Dyal, 5, of 9-J Research Road gave his parents a scare last Sunday when he had to be taken back to the hospital due to complications from his recent tonsil operation. He remained in the hospital for a couple of days and is now back home in his own bed.

'Bye Till September

To the people of Greenbelt:
Dear friends,

This week our school closes for the 1946-47 year. We believe it has been a successful, interesting and happy one for all of us. We've enjoyed watching your children grow physically, mentally and socially and we feel that working with them has stimulated our growth in many ways. We realize that without your splendid cooperation we could not have accomplished many of the things we've done and we are most grateful. We all join in hoping that you have a pleasant summer and that we may have the opportunity of working with you next September.

Sincerely yours,

The Staff of Center School.

Color Complex

To the Editor:

Is there anyone in town who likes the new coats of paint which the houses on Plateau Place are enjoying? Are we wrong in assuming that public opinion was supposed to be the deciding factor in the final selection of color combinations? If so, we'd like to state that public opinion seems to be in favor of just plain white buildings, like always, except that they do need a fresh coat. Anyone else feel the same way????
Perplexed.

Comprehensive Personal Liability

The average person does not realize the grave legal liabilities to which they are daily exposed—nor the very low cost of insurance protection against such hazards. A person can be sued if their occasional maid or sitter is injured while doing their housework, if their child knocks a neighbor's eye out, if their golf ball injures a caddy, if their dog bites a neighbor, if their newsboy or postman trips over a wire or toy in the yard and is injured, if their child dives into the swimming pool and injures a bather, if their boy riding a bicycle runs into someone, if a visitor trips over a rug or falls down the steps, and for countless other reasons. Damage suits of these types have ruined the lifetime savings of many people.

Complete protection against such hazards is obtainable on a family-wide basis, under the form of insurance known as "Comprehensive Personal Liability" at the yearly rate of \$10.00 for \$10,000.00 protection or \$13.50 for \$50,000.00 protection, in addition to free immediate medical expenses at time of accident, free lawyer's services, payment of bonds, court costs and fees and all other legal expenses.

Greenbelt Reps Trim J & D 11-1

The Greenbelt Reps defeated Judd & Detweiler in a county softball game on Tuesday by the score of 11 to 1. The Reps waited until the fifth inning when they pushed over 9 big runs, helped no little by George Bauer who garnered a double and a triple in this same inning, and Ben Goldfaden who followed with a mighty homer over the centerfielder's head. The pitching honors went to Wood, who turned in a neat 5 hitter.

Extra Inning Tilt Won By Greenbelt

Coming through with 4 hits and two runs in the 8th, the Reps nipped the Berwyn Vets 10 to 8 in a Thursday night softball game.

In a hectic tilt in which Greenbelt lost a 6-run lead when Berwyn goth 7 runs in the 5th, an excited crowd saw the home town team tie it back up in the 6th and then cinch it in the extra inning. Roger Eddy led the Reps attack with 4 hits, including a home run with the bases loaded in the 2nd inning. Six errors by Berwyn and 7 errors by Greenbelt contributed to the worst fielding game of the season.

GREENBELT COOPERATOR

Three

Sports Stuff

By JOHN COSTA

Just a little article on a little guy. A lot of you people have heard of Tony Baker and yet a lot of you haven't, so to make a short argument long, here's the drift. Tony Baker is 8 year old and a resident of Greenbelt. So what? so he has a neat little package called a pitching arm, and with this pitching arm he has astounded thousands of baseball fans and players.

At the tender age of 8 he has already pitched from the mound of three Major league parks and scores of minor league ones. He is a whiz, all right, and he owes a mighty lot of it to his dad, who is Tony's coach, manager, critic and trainer. After school closes this month, Tony is scheduled to unwrap that old southpaw of his in an exhibition at Griffith Stadium in Washington, also a trip

to Philadelphia and other points. Don't be surprised to hear of the many genuine offers made by club owners for this latest "Lefty Grove." His dad, realizing what a young fellow he has on his hands, is bringing him along just right. Tony Baker is no temperamental genius but a fresh, clean-cut, likable lad with a natural ability to throw that old apple. He has a long road ahead of him, but he has the stuff. Let's all hope he keeps it.

P. S. Tony Baker's Dad is forming a team composed of youngsters to participate in the forthcoming "Walter Johnson Tournament," of which Tony is scheduled to be the pitching mainstay. The team will be known as the "Greenbelt Midgets" and will represent our town.

Walton League Camps Out

Sixty-five Greenbelters attended the May 24-25 camping and fishing trip to Chopawamsic Park, Virginia, which was sponsored by the local Izaak Walton League.

Besides fishing the activities included baseball, horseshoe pitching,

Hey! You Forgot Your Beer Cans

Town Manager James Gobbel this week called upon picnickers to do a better clean-up job after using the campfire sites at the Lake and Indian Springs.

"Beer cans present a special problem," said Mr. Gobbel, "because they are not readily disposable. Picnickers should take them away rather than leaving them behind to litter up the place."

When asked about the possibility of the town putting refuse containers at picnic areas, Mr. Gobbel said their experience had been that these disappeared or were destroyed in a week's time.

"We have to depend largely upon people doing their own clean-up," declared Gobbel, pointing out that the town has only three trucks and five men for the complete job of town maintenance, exclusive of trash collection.

Just before Memorial Day weekend a town crew rebuilt the bridge at Indian Springs and hauled benches and beer cans out of the creek. "The place could use a crew of 12 working all summer," Mr. Gobbel added.

Parties desiring definite sites should register their intentions with the town office, so that other groups wanting the same space on the same night can be advised to change their plans, Gobbel stated.

cards and dancing. The outstanding event, participants agreed, was a mud fight in the lake by several of the members.

Father Dowgiallo Arrives June 27

Rev. Leo J. Fealy, pastor of Holy Redeemer Parish, which formerly comprised both Berwyn and Greenbelt, announced last week that Reverend Victor J. Dowgiallo, formerly of St. Ambrose Parish in Baltimore, has been appointed by Bishop McNamara to take charge of the new Greenbelt parish. Father Dowgiallo will reside in the parish house at 58-A Crescent Road, and will take up his official duties on June 27.

Father Fealy and Father Dowgiallo were out in Greenbelt last week before parishioners generally became aware of his appointment, making a get-acquainted tour of the town and surrounding areas, and seeing the new priest's home. Father Dowgiallo is an old acquaintance of Father Fealy from Baltimore. He is of Polish extraction, and was born in Baltimore. He has been a priest for 17 years, speaks 5 languages and was ordained in the North American College at Rome. Father Fealy states that the proper pronunciation of the new priest's name is as—Dove-gal-o."

Several Greenbelt families, formerly from St. Ambrose's parish in Baltimore, already know the new priest. A new parish and new priest have been planned and promised for the past two years, but due to the heavy drain of chaplains for service during the war and subsequent readjustments, the Bishop was unable to spare a full-time priest until the recent June ordinations made new priests available.

Mrs. Joseph Seward of 35-A Ridge Road, a former parishioner of Father Dowgiallo in Baltimore, displayed an old picture of him at Confession services last Saturday night and described the new priest as a tall, heavy set man of middle age. Father Fealy stated that the new priest plans to offer his first Mass in Greenbelt at the parish house on Saturday, June 28, and plans to offer daily Mass thereafter.

"Yes, sir, things are really moving now!"

During the first part of 1947, we made a fine start on our record-breaking construction program—but things are really moving in high gear now.

As a result, by the end of this year we expect to have in service more miles of telephone

wire and cable... more central office equipment... more telephones than ever before.

We are planning and building as fast as we can to provide the most telephone service and the best telephone service our customers have ever had.
