GMHOC Estimates GCS To Launch Cost Of 31/2 Room House About \$5000

Costs for a three-and-a-half room Greenbelt house under the mutual home ownership plan were estimated by GMHOC this week at \$60.60 per month. Given in a questionnaire to its members, the figure includes a breakdown of \$35.60 for fixed monthly costs (principal, interest, FHA premium, taxes and insurance) and \$25 for operating costs (management, util-Ities, maintenance and repair, and miscellaneous expenses).

Under this hypothetical case, said GMHOC, selling price would be \$5000, down payment \$500.

Also included in the questionnaire were questions about family

size, type of house now occupied, sales price which would be considered reasonable by the member, and size of house needed if present housing is inadequate.

Officials of Greenbelt Mutual

Home Ownership Corporation said that provision for congressional authorization for FHA mortgage insurance of original Greenbelt property is contained in the Taft-Ellender-Wagner bill, now before the Senate, and that such authorization had already passed the

U.S. Skyway No. 1 To Be Dedicated

U. S. Skyway One-The Wright Way-will be dedicated tomorrow by planes flying from Washington to Los Angeles and from Los Angeles to Washington. Cere-monies will be held at Washington National Airport with Arthur Godas Master of Ceremonies. Certificates will be awarded to the local airport operators whose airports qualify as U. S. Skyway airports. Schrom's airport, located in Greenbelt, is on the route.

Airports qualifying as U. S. Sky-way airports must be properly marked, for the convenience and safety of pilots flying over the airports, and must pass a regular in-spection. No physical change will be made in the airports, according to Bob Sanders, Erco Airfield, Riverdale.

Skyway certificates will be mailed to each personal flyer who registers at one of the local airports on Dedication Day. Current models of personal aircraft will be displayed at the National Airport.

The dedication ceremonies of Skyway One will take place at a luncheon at Washington National Airport at 1 p. m., April 24, Price the luncheon is two dollars. Free transportation to and from the luncheon will be provided by the local airports.

All Greenbelters are invited to attend the dedication of U.S. Skyway One, the first skyway in the history of our country.

Father Dowgiallo **Receives Pastorate**

Archbishop Patrick O'Boyle offi-cially appointed Rev. Victor J. Dowgiallo as pastor of St. Hugh's Catholic Church in Greenbelt on

Thursday, April 15.
Up to the present time, Father Dowgiallo has been serving under the title of Administrator. Due to the death of the late Archbishop Michael Curley, Fr. Dowgiallo's appointment as pastor was de-ferred until the newly appointed Archbishop was consecrated and installed.

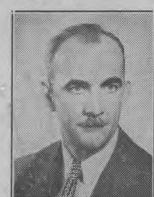

Before receiving a pastorate, Father Dowgiallo studied at the American College in Rome. He was ordained in the Church of St. John Lateran in Rome, Italy, in December, 1928. Before coming to Greenbelt he served as assistant pastor at St. Ambrose Church in Baltimore. He was

there five years.

According to Father, his appointment as pastor will permit him to take full charge of the parish and plan the Church building program.

Drive Tuesday

Drive workers, steering commit-tee members and board members, under the chairmanship of Tony Madden, will meet next night to launch the 1948 capital stock drive for funds for the new building. Workers will receive in-structions and materials necessary in going out to visit their neighbors, and will be prepared to fully explain the construction program and to answer questions. Blue-prints of the new center store building have been conveniently for Greenbelt's sidewalk superintendents.

MR. MADDEN

The stock drive steering commit-tee met Saturday, April 17. Members of the steering committee are: Walter J. Bierwagen, chairman; Allen D. Morrison, Anthony Mad-den, Dan Livingston, Dr. J. Mc-Carl, William Nicholas, Phillip Mc-Gonagle, Spencer Gartz, Benjamin Rosenzweig, and Frank Lastner,

The first special lunch was held the day the pupils were dismissed for the Easter holidays. Approximately 236 children were served. Each child received a party hat and decorated Easter egg. The menu included baked potatoes, string beans, French bread, milk and ice cream.

On April 15, the cafeteria presented an Animal Circus party.

Before being served lunch, the children observed the Animal Circus in the music room. On display in animal cages were an assortment of animals-real and imagi-Another special lunch will nary. Another be held in May.

Local Chorus Elects Officers

The Greenbelt Community Chorus held an election of officers at their annual business meeting Monday night following the regular weekly rehearsal. Mr. Fred Pfeiffer was elected president; Mrs. Charles Cormack, vice-president; Mrs. Elsie Morin, secretary; Mr. Ray Hennessey, treasurer and Mrs. Alice Smith, librarian.

The Chorus has been invited to sing at a meeting of the Wilder-croft Elementary School PTA and will present a short program there on Monday night, April 26. The group is rehearsing the numbers to be presented at their spring concert on May 17 in the Center School auditorium. It is planned to have soloists and a quartet at this concert in addition to the choral numbers being pre-

"Shoe Shine" Will Be Shown Here

The Italian movie, "Shoe Shine," will be shown here next month, in response to the consistent requests of Greenbelt movie-goers, according to Paul Linson, Greenbelt theater manager.

Beginning the first week in May, all organizational news, church notices, and ad-vertising matter MUST be submitted to the Cooperator by 8:30 p. m. on MONDAY night, to be included in that week's edition of the paper.

Registration Day Is Next Tuesday

More than half of Greenbelt's 1,000 voters will have to register for the coming state and national elections, according to a statement issued this week by the local chap-ter of the League of Women Vot-ers through Mrs. Ben Posner, pres-

Registration will be conducted next Tuesday, April 27, in the Greenbelt Fire Station. The registration office will be open from 9 a. m. to 9 p. m. Transportation to the Fire Station will be provided by the League for any voters who request it on both registration day and on primary day, May 3, as part of the League's campaign to get out the vote. Requests for transportation should be directed to Mrs. Waldo Mott, Greenbelt

Potential voters must register if they have not already registered in the Greenbelt precinct, or if they have registered here but have not voted in any state or national election in the last five years. To be eligible to register a resident must have declared his intention of voting prior to Nov. 1, 1947, if he is not a native of Maryland. He also must take his certificate of declaration with him on registration Native born citizens of Maryland who have not registered before should register now, and are not required to have filed declarations of intent, provided they have not lived outside the state as a civilian. Persons who will be 21 years old this year and prior to Nov. 1, 1948, and who have lived here a year also may register. Voters who have moved here from another Maryland precinct must furnish a certificate from their former precinct when they regis-

ter.
The local Democratic party registration officer is Mrs. Oscar Zoellner, and registration officer for the Republican party is Mrs. Nettie

Symphony Group To Make Debut

David Burchuk will conduct the Prince Georges County Symphony Orchestra Sunday, April 25, in its first public appearance. The concert will be held at the Center School at 8:15 p. m. Included in the program, ac-cording to Mrs. Helen Oring, pres-

ident, will be an outstanding violinist from Washington and a tenor soloist from Greenbelt.

Also announced this week was the orchestra's plans for a children's concert May 9.

Fires Arouse Ire Of Police Dept.

The past weekend produced two more brush fires, both covering large areas on the Glendale Road, two miles from Greenbelt. first alarm was answered by the Department Saturday morning. It was necessary to return the same afternoon, when the fire resumed in dense masses of dried leaves and grass.

On Sunday, 10 acres of wooded area across the road from Saturday's fire caught fire. Equipment from Glendale, West Lanham Hills, the State Forest and Park Service and Greenbelt was dispatched to put out the fire.

Weekend fires prompted the Police Department to issue a word of caution to motorists on disposing cigarettes while driving through wooded areas. As Sunday's fire was deep in the forest, it was regarded necessary by the State Forester to investigate the possibilities of cigarettes being dropped from planes. A visit to Schrom Airport was made to caution flyers.

Greenbelt Has New Canteen Advisors; No Ticket Fixing; A Leave Question

Clean-Up Week Starts Tomorrow

An urgent appeal to clean-up residential areas and especially wooded sections surrounding them was made to all Greenbelt residents this week by PHA manager Charles M. Cormack. Starting tomorrow and continu-

ing through Sunday, May 2, all townspeople are urged to rid these areas of the accumulation of trash which has made much of the town most unsightly.

Watch Collections

All trash collected should be put into cartons or otherwise as-sembled so that it will not blow away before collection. Mr. Cormack particularly emphasized that paper, excelsior and other inflammable material must go into the trash collections, while branches, lawn rakings, leaves and bulky articles such as discarded furniture are to be left in the designated place for the federal weekly pick-up. It is important that residents cooperate in trash disposals, since the sending of inflammable material by trucks to the dump could create a fire haz-

Violates Law

Chief emphasis in Mr. Cormack's statement is placed on the necessity of informing residents that the wooded areas are not to be used as a dumping ground. The community manager stated that this is in violation of state law and that a person found doing this is liable to arrest. The condition of the wooded sections, particularly in the defense areas, is "terrible," Mr. Cormack stated flatly, adding that not only is it a question of appearance but that the littered woods create a fire hazard and a sanitary problem.

Prompt Pick-up

Trash collected from the woods and put into containers will be picked up promptly by the federal trucks, and if there should be any delay in the pick-up, residents should call the maintenance office and report that a collection is Mr. Cormack said that only through cooperation of the residents can the clean-up be done,

Tick Fever Hits

A five year old boy who lives on Edmonston Road, just outside of Greenbelt, is reported to be in Prince Georges County Hospital with spotted fever.

Shamrocks Head For Silver Spring

The Greenbelt Shamrocks will journey to Silver Spring to open their 1948 season in a practice game with the Elks Club. The Shamrocks are becoming stronger each week-end, but they still need some practice to round into winning form. The league schedule opens May 2 against Snug Harbor at Snug Harbor. However, the Shamrocks are trying to schedule a home game for May 1.

Players are asksed to report in front of the swimming pool Sunday at 1:30 p. m. for the Silver Spring game.

60 Attend Holy Name Breakfast

The Annual Holy Name breakfast held in the Varsity Grill, College Park, was attended by 60 men of St. Hugh's. Rev. Gilbert Hartke, O. P., spoke on Commu-nism and the Church. Father Hartke stressed the great need for prayer and the family Rosary. John Curtin, Treasurer of the Union of Holy Name Societies for the Archdiocese of Washington, was also a guest at the breakfast.

Members appointed to the Youth Center Advisory Board by the town council at its meeting Monday night are Ervin C. Dietzel, Mrs. Wallace Nelson, Mrs. Orville Slye, John Teel, and James Wolfe. Councilman Francis Lastner, who

at the April 5 meeting said he would offer an amendment to the Youth Center ordinance putting under advisory board jurisdiction the management of funds raised by the board, said he would present such an amendment at the next meeting.
Endorse Campaign

Endorsement was given the Branchville Rescue Squad to hold a fund-raising campaign in Green-belt. A representative of the Squad told the council that 201 Greenbelt calls were made for which no charge had been made. He was requested to confer with the local rescue squad before initiating the fund-raising, so that duplicate campaigns would not be held by the two squads.

"No Ticket Fixing"

Councilman David Granahan asked, with reference to the monthly police report, on what basis warnings or tickets were given for traffic violations. Town Manager James T. Gobbel replied that decisions were made on the basis of extent of violation, in the judg-ment of the officer issuing the ticket or warning. Isadore Parker was told by the town manager in response to his inquiry that "ticket fixing" is not practiced by the Greenbelt police.

Question was raised by Will am Donahue as to whether or not Greenbelt had 24 hour police covered.

Greenbelt had 24-hour police coverage. Regular schedules call for 24-hour coverage, replied the town manager, although at times coverage consists of an officer being on call but not on duty. Council-woman Betty Harrington urged that police personnel be brought up to budget limits as soon as possible, pointing out that local police salaries are higher than in adjacent communities.

Leave Questioned

Discussing the town manager's accrued annual leave, Mrs. Harrington objected to the inclusion of 24 days per year for the three years during which Mr. Gobbel was employed in the dual capacity of community manager (by the fed-eral government) and town manager (by Greenbelt). She pointed out that at the time he became full-time town manager, he was paid by the federal government for accrued annual leave on the basis of 26 days per year, the regular federal leave provision. She called "most unreasonable" Mr. Gobbel's claim for 50 days per year of annual leave while in the combined federal-town position.

Legal Opinion Wanted

In June of 1946, immediately prior to full-time service to the town, a resolution was passed by the town council then in office, providing that "the Town Mana-ger shall be entitled to all privileges and rights heretofore or hereafter granted to other regular employees of the Town including salary bonuses and the accumula-tion of annual and sick leave retroactive to the date of his original appointment as Town Manager." According to Mrs. Harrington, payment of only one-seventh of his salary at that time by the town indicated that he was a part-time town employee. She pointed out further that part-time employees of the town, according to town ordinances, are not entitled to an-nual leave. On a motion of Councilman Lastner, it was agreed to get a legal opinion before a decision was made.

The Washington Post of April 21st reports 1947 sales of Safeway Stores, Inc. totalled \$1,037,796,655 (average \$460,000 per store) while net income dropped to \$8,102,463 (average \$3,570 per store). a net of 0.8% compared to the G.C.S. net of 1.4% for the same period (.9% for the Food Store

Safeway dispersed to common stockholders 36% of their earnings equivalent to 0.3% of sales compared to about 0.5% of sales paid to our shareholders as dividends or interest (5% of the value of the stock) plus an additional 0.6% as patronage refunds (1% of total slips turned in). Thus G.C.S. returned to the patron-owner three times the percentage of sales received by Safeway common stockholders.

During 1947, GCS maintained competitive prices with Safeway. Chain store competition forced many independent stores out of business during this period. In the light of these factors, I believe the comparison of earnings given above is of vital interest to everyone in Greenbelt.

The Softball league for elementary school classes between the two schools opened this past Monday afternoon. Games will be played at 3:30 p. m. on Monday, Wednesdays and Fridays. A schedule has been drawn up and passed out to the teachers for the teams.

In the first game the sixth grade team from Mrs. Grimm's room showed little mercy as they troun-ced the fourth and fifth grade of Miss Dickie's room 35-1.

Sasscer To Talk

GREENBELT COOPERATOR

Representative Lansdale G. Sasscer will be principal speaker at a Democratic Rally to be held on the grounds of the American Legion Home, Saturday, April 24 at 2 p. m. The Legion Home has been rented by the Greenbelt Demo-cratic Club for the occasion.

Food and refreshments will be served without cost, according to Irvin B. Reamy, Chairman of the Rally Committee.

It Still Goes On

Incidents involving tampering with cars belonging to Greenbelt residents continued the past week. Complaints were received by the Police Department from Nelson Guidry, 2-J Research, who dis-covered and chased a man trying to steal accessories from his car late at night, and Raymond Salmon, of 6-E Crescent Road, who said windows on his car were damaged by an air rifle.

National Pharmacy Week April 18 thru 25th

Again this year National Pharmacy Week is united with the American Cancer Society in the drive against this dreaded menace to the public health—Cancer.

Collection boxes are located in the Drug Store so that everyone can contribute to the fight to PREVENT cancer through research, to CURE cancer by early treatment and public education, and to ELIMINATE cancer by providing information concerning the facilities available in your community for the prevention, diagnosis and treatment of cancer.

BENDIX PRICES REDUCED \$50! versing the upward price spiral, the Variety Store announces new prices on Bendix Automatic Washers. You can now get a Bendix for less than \$200 complete. A low down payment delivers it to your home. COMPARE QUALITY in meats as well as prices. Prime, choice and good U. S. graded meats are normally carried in our Food Stores. Competitive specials advertised elsewhere are often commercial or utility grade, still perfectly fit for human consumption but not having the quality, tenderness and flavor of the better grades.

The terms "Grade A," "AA," etc, sometimes used are not official and are applied by the packer.

CO-OP BREAD! TOPS IN QUALITY, TASTE, TEXTURE! Close-knit texture is TASTE, TEXTURE! Close-knit texture is one of the first features that captures the fancy of users of Co-op Bread. A slice of Co-op Entire Wheat Bread weighs twice as much as a slice of regular bread of equal size. At the Consumers Cooperative Services bakery in New York where Co-op Bread is made they use no machinery to "blow it up." Each loaf weighs one pound, eight ounces. eight ounces.

Co-op Bread is hand made and contains two whole wheat flours, one coarse, the other fine. Milk, honey, unsulfured mol-asses, yeast, salt, shortening and water make up the other ingredients.

Taste tests prove the superiority of Co-op Bread. Its wonderful homemade flavor and aroma have made it a favorite with consumers. Co-op Entire Wheat Bread is now available at the Bakery Counter in the Center Food Store. We strongly recommend that you try it.

Greenbelt Consumers Services is a nearly two-million-dollar-a-year enterprise supplying a Community Service for Greenbelt.

Last week we pointed out that our new building would give us

- 1. A new Food Store having twice the area of the present one.
- 2. A Junior Department Store having more than twice the area of the present Variety Store.

The service station remodelling has doubled our car lubrication and servicing capacity.

Community Service is Good Business for G.C.S. Our timely and conservatively planned expansion

- 1. Provide needed extension of services to the community.
- 2. Make possible additional economies of operation and greater savings to members.
- 3. Keep all "profits" in the community for return to the mem-
