

T. Wood Returns Rent-Rise Request For More Evidence

Lack of sufficient detail in the comparable rent study which accompanied PHA's application for a rent increase at Greenbelt has caused delay in the decision on the application it was disclosed last Friday by Federal Housing Expediter Tighe Wood.

In the second half of a double-header conference initiated by Greenbelt Mutual Home Ownership Corporation and held in the Expediter's office, Wood added that he had returned the study to Baltimore with instructions to "enlarge the geographical scope."

Until After Election

Two weeks or more, he said, will be required to complete the study. If a increase then seems justified, he said, he will direct that a hearing be held for the presentation of Greenbelt residents' point of view.

Wood added that comparability, to the exclusion of all other factors, as stipulated in the Rent Control Act of 1948, will determine the decision.

Col. Lawrence Westbrook, president of the Trans-American Development Corporation, who represented GMHOC at the conference, expressed the belief that the revised study will be "thorough and factual."

Also representing GMHOC at the conference were Thurston Hill and Arthur Swanick, members of Bower and Hill law firm retained by Trans-American.

Will Be Sold Next Year

Greenbelt will be sold "some time before the end of the next calendar year," according to Public Housing Administration officials present at the morning conference, devoted primarily to disposal plans for Greenbelt.

According to B. T. Fitzpatrick, Assistant Administrator and General Counsel of Housing and Home Finance Agency, and J. H. Orendorff, acting Assistant Administrator in charge of Lanham Act Housing, present plans call for the sale of the other two "Green" towns (Greendale, Wisconsin and Greenhill, Ohio) before Greenbelt is sold.

Could Be Changed

It was argued, however, that plans might be changed by a new national administration.

Denied was the accusation that PHA was attempting to attract speculative buyers. No answer was given, however, to questions concerning PHA's refusal to extend information and assistance to Greenbelt citizens, beyond the statement that "old" Greenbelt was not included in the Public Order No. 1, which made such assistance mandatory.

It was argued by the PHA representative that Greenbelt residents should at least be informed of the present status of disposal plans, and an "official statement" would be issued on Monday, October 24.

Symphony Orchestra Starts Rehearsals

The Prince Georges Symphony Orchestra started its rehearsals last Sunday afternoon with sight reading of a number of overtures, including Rossini's "Barber of Seville" and "Italians in Algiers," Bellini's "Norma," and Isenman's "Sounds from the Sunny South." New members are still needed to fill out the instrumentation. Rehearsals are held every Sunday from 4 to 6 p.m. at the Center school auditorium. For further information call Greenbelt 4826.

Bloodmobile Will Be In Hyattsville Nov. 4

The next scheduled visit of the Red Cross bloodmobile will be on Thursday, November 4. This visit will be sponsored by the Ruth Chapter No. 7, Order of Eastern Star and Mt. Herman Lodge No. 179, Masonic Order of Hyattsville. The bloodmobile will be set up at the Masonic Temple, 4227 Gallatin Street, Hyattsville. Members of these two orders will recruit donors and they are endeavoring to get a total of 100 or more.

Anyone in good health, between the ages of 21 and 60 is a potential donor and persons 18 to 21 may donate with written permission of a parent or guardian.

Appointments may be made by calling the Red Cross office, WARfield 8720, or Mrs. Ralph Neumann, Greenbelt 6416. Transportation will be provided, if needed.

Sewing Class Changes Schedule; Ceramics Full

The beginners' class in sewing, which has been held on Tuesday night, has been changed to Thursday night at 7:30 p.m. in the High School, according to Mrs. Doris Kolb, teacher of the class. The change was requested because of conflicts with PTA meeting for a majority of the class.

The class in ceramics, conducted by Mr. Gordon C. Lawson at the University of Maryland, is now full but anyone interested in the class may call either Mrs. Kinzer at Greenbelt 2031, or Mr. Lawson at the University. Name, address and phone number will be kept on a list and the person interested will be notified if a vacancy occurs.

Dance, Card Classes Planned By Drop-Inn

A dance class and card class are being organized for teen-agers by the Drop-Inn. Registration can be made at the Drop-Inn or at the Recreation Department. Professional instructions will be offered at the lowest possible fee and the class will be open to Jr. and Senior high school members.

The card class which will also be open to the above age group will give instructions in such recreational games as pinochle and bridge. A member of the community is being sought to take over this project. Interested persons should contact the Recreation Department as soon as possible.

Table tennis, chess, and checker tournaments will also begin at the youth center in about a week.

Woman's Society To Hold Bazaar, November 5

The Womans Society for Christian Service will hold a bazaar in the theater lobby on Friday, November 5, starting at 10 a.m. The sale, for the benefit of the building fund, will feature many kinds of hand-made items, suitable for Christmas gifts, at reasonable prices.

GCS Membership Meeting Is Next Wednesday

The quarterly membership meeting of GCS will be held next Wednesday, November 3, at 8 p.m. in the Center auditorium. Agenda include election of two board members and the auditing committee, and plans for the new store opening on November 9.

Adult education classes, usually held at the high school on Tuesday nights will not be held next Tuesday night, November 2, because of the election.

Voting On Tuesday From 7 a.m. To 7 p.m.

Voting hours next Tuesday, November 2, will run from 7 a.m. to 7 p.m. Greenbelt's polling place is the firehouse where, for the first time, there will be two separate sets of voting books and voting officials to speed things up. Only those voters already registered will be permitted to cast a ballot, and no further registrations will be taken.

Voters are reminded to mark an X on their ballots to indicate their choice, using only the indelible pencil provided for that purpose. A ballot that has been erased will be rejected. A voter may request a new ballot if he makes a mistake, but is entitled to no more than three.

The ballot presented to Greenbelt voters will contain names of the presidential and vice-presidential candidates of the Democratic, Republican, Socialist, and Progressive parties, the candidates of the Democratic and Republican parties for the Congressional seat of the Fifth Maryland district; seven amendments to the Maryland constitution, and one referendum.

Recreation Department Plans Beggar's Night Dances For Kids

To highlight Beggars Night the Recreation Department is planning a Hallowe'en Party at the Drop-Inn for elementary school boys and girls, nine through twelve years of age. The program for the evening will consist of Hallowe'en games and contests, and also costumes will be judged in the following categories: prettiest, funniest, weirdest, most unique and also a costume for the most uniquely dressed couple. There will be no admission charge and refreshments will be sold.

For the Junior and High School groups the Recreation Department has planned a costume dance to be held at the Center school auditorium. Costumes will be judged on the above basis. Admission to the dance will be 25 cents. The door prize will be two tickets to the Red-skin game and will be awarded to the holder of the winning ticket. Refreshments will be sold in the cafeteria and there will be games in the social room for those who do not care to dance.

UPWA To Hold Masked Party

The United Public Workers Auxiliary will hold a masked party at 45-J Ridge Road on Friday evening, November 5. A prize will be awarded for the most original mask worn. Refreshments and games are planned and the public is invited. For further information call Esther Tillem, Greenbelt 2851.

GIRL SCOUT TRAILER TO SHOW CAMP WORK

The Girl Scout Exhibit Trailer, containing samples of work done by the Scouts at summer camps and in their troops, will be parked in the center on Monday, November 1 at 4:15 p.m. The trailer is sponsored by the Prince Georges County Girl Scouts.

The Greenbelt scouts will hold an exhibit and a play called "Girl Scout Week" in the Center School auditorium on Sunday, November 7.

Land To Be Available By January PHA Tells Interfaith Committee

The Public Housing Administration will advertise for sale to the highest bidder, for semi-public use, the area which the Greenbelt Town Council has designated for church sites. They will proceed at once to have the land surveyed and appraised, and expect to be able to offer the land for sale on a competitive bid before January 1, 1949.

Center School PTA Hears About Problems Of School Authorities

County School Superintendent G. Gardner Shugart was the principal speaker at the Center School PTA meeting held at the auditorium last Tuesday.

Mr. Shugart stated that the most important problem existing today in our educational system is the shortage of schools. Over a thousand children are attending in part-time sessions, even up to the fourth grade, although \$5,500,000 has already been spent in building and \$10,000,000 more is expected to be spent. What Maryland has to deal with, he emphasized, is a phenomenal growth of school population, a condition which does not seem to promise relief in the near future, and which requires the cooperation of all state citizens in the mammoth building program which must be executed.

Maintains High Standards

Despite the long time scarcity of teachers and the consequent emergency situation which compelled the hiring of teachers who are not acquainted with modern educational standards, the State of Maryland maintains high teacher-training standards, including thorough insurance-type medical examinations. Each grade and position requires a specific certificate from the State.

Maryland teachers are among the best paid in the country, according to Mr. Shugart, and Prince Georges County pays even higher than elsewhere in the State. Teachers are paid according to their qualifications, based on education and experience, beginning with a minimum of \$2400 for a teacher with a B. A. degree and a certain amount of experience, and increasing through yearly increments of \$100, up to \$4,000. Comparable State salaries are lower by \$200. Principals receive, in addition to the regular teacher's salary, according to experience and education, specific increments based on the number of assistants, with an all over maximum of \$6,000.

At the meeting which followed a brief question period, Mrs. Frank Lastner was appointed delegate without instruction to the Greenbelt Rent Protest Committee.

The PTA budget, prepared under the supervision of Ben Posner, was discussed and a motion considered that the PTA undertake to contribute its proposed surplus of \$340 plus to school telephone bill to underwrite the expected school deficit of \$651.

GAC and Waltonians To Roast Pig Saturday

All Greenbelt residents and their friends were invited by E. Don Bullion to the Greenbelt Athletic Club next Saturday, October 30, to "a good old-fashioned barbecue." The GAC and the Izaak Walton League have bought a pig "large enough to make anyone's mouth water," Don Bullion claimed.

Hours of the barbecue have been chanced to 3:30 to 8 p.m., to allow for more cooking time, he said. Tickets, he added, are moderately priced.

Decision Reached Yesterday

This decision was reached at a meeting which was called for yesterday morning by John Taylor Egan, Commissioner, and Raymond M. Foley, Administrator of the Housing and Home Finance Agency of the Public Housing Administration, to discuss with Greenbelt church leaders the possible courses of action to enable the churches to obtain building sites.

At the close of the meeting, Commissioner Egan stated, "I am deeply gratified to have this understanding with the Greenbelt church groups, and to have had this opportunity to explain to them that the obstacles which had prevented action on the sites had been imposed on PHA by law." Both he and Administrator Foley were pleased that the plan of action arrived at is satisfactory to all concerned.

Started Last January

Yesterday's meeting was the result of efforts made by the Rev. Eric T. Braund, pastor of the Community Church, to purchase land on which to build a church. Last January representatives of the Community Church building committee and Board of Trustees were told by PHA officials they would be given a price on a proposed building site some time in February. In response to the Rev. Braund's letter early in March, asking that the transaction be completed "with all possible speed," he received a letter from Joseph C. Gray, PHA area director, which stated: "Appraisals have been secured for the various church sites. Arrangements are now being made for a meeting to establish sales prices for church purposes. We shall communicate with you just as soon as we are able to negotiate further with you in this matter."

Based on those assurances, plans for the Community Church building were completed and a fund-raising campaign started.

Law Forbids Sale

Early this month PHA notified Mr. Braund, who is chairman of an Interfaith Committee working to get land for permanent church sites in Greenbelt, that outright sale is not permitted under the 1946 law. They stated that the only way the land could be purchased is by auction.

Mr. Braund announced he would resign as pastor of his church on May 1, unless the Government made it possible for the sites to be acquired.

The Greenbelt Town Council last week rezoned for church purposes the land which the religious groups hope to acquire.

Points Agreed Upon

When asked to make a comment on yesterday's meeting, Rev. Braund stated that the Interfaith Committee had been concerned with the following two points: 1. To have the land offered for sale on a restricted basis—for semi-public use only; and 2. a definite commitment as to the actual date when the competitive bids would be made. These two points were agreed upon at the meeting. He said, "We now feel we have a definite timetable and that PHA is acting in good faith."

He further stated, "I am glad that Mr. Cormack called the religious groups together in June of 1947 and urged them to make written requests for the church site of their choice. This enabled the Interfaith See LAND, Page 3

To The Editor: NEEDS SHEETS

Last week we discovered that only five good sheets and two rather worn sheets were left at the Rescue Squad quarters. They had 14 when they started their work in Greenbelt.

The Squad operates only on money received from trips and money the boys raise themselves.

Please help us with small donations or sheets. Leave at 56-H Crescent or next door if no one is home, or at the police station, or call 4387 after 5 p.m.

MRS. DAVID STEINLE

Idea Given For Stopping Beggars Nite 'Hang-over

For Beggars' Night the suggestion has been made that townspeople lay in a supply of pennies, instead of cookies, candy, pop-corn, raisins, or whatever, and that one penny be given to each "beggar" to be used for Children's Hospital. Boxes could be prepared with a slit in the top, securely taped so as not to come apart and the pennies collected may be taken by the younger children to the party to be held in the Drop-Inn (from 7 to 9) and by the teen-agers to the dance to be held in the Center school auditorium (from 9 to 12). The very young children could take their pennies home, here an older person could take charge of them, or they can be taken to school on Monday. In any event, it could be that the children of Greenbelt might like helping out this Halloween season instead of

JCC Plans Reception

The Jewish Community Center and the PTA of the Hebrew Sunday School will have a reception to introduce new teachers to the parents on Monday, November 1 at 8 p.m. in the Social Room of the Center School. All parents who have children of Sunday School age are cordially invited.

Our Neighbors

By DOROTHY MCGEE PHONE 5677

Mrs. Ina Stewart of Berlin, New Hampshire is visiting her daughter, Mrs. Edgar M. Weber, 10-L Southway.

Mrs. Matthew Fontaine, 37-C Ridge, entered Providence Hospital today for a minor operation.

Mr. and Mrs. Daniel Pleitner and their two daughters, Helen and Donna expect to move this weekend from 25-B Ridge to their own home in nearby Belle Mead, Md. The best of luck in your new home!

Mrs. Lester Roach of 13-U Hillside is happily making preparations to move into the five-bedroom house her husband has found for his family in Topeka, Kansas. Mr. Roach left for Kansas about three weeks ago to become assistant to Dr. Will Menniger, the general manager of the Menniger Foundation in Topeka. He is returning early in November for Mrs. Roach and their four children and they will drive to Kansas, expecting to arrive in their new home by the 15th. Another goodbye and good luck!

Mr. and Mrs. Donald Farley of 7-B Southway announce the birth of their second child, Eileen Susan on October 20 at Leland Memorial Hospital. They have another daughter, Donna Jean.

Yesterday, in observance of Navy Day, the members of officers of the Truman Riddle Navy Wives Club were present at a brief ceremony, during which Mrs. James K. O'Neill placed a spray of flowers on the Greenbelt War Memorial.

Mrs. James Stewartson of Annapolis is spending a few days with her son and daughter-in-law, Mr. and Mrs. Arthur Stewartson, 2-R Gardenway.

Mr. and Mrs. Lewis Magruder of 18-S Southway hope to move, in about a week, into the new home they are building in Gaithersburg, Md.

Mr. and Mrs. Bill Avagliano, 25-B Ridge have visiting them, Mrs. Avagliano's father, James Coufield of West New York, New Jersey.

Betty Comings of 2-D Gardenway was in the semi-finals of the contest for the title of Queen of the Home Show Exposition, that closed Sunday after a week at the Armory.

The Truman Riddle Navy Wives Club is giving a Halloween party tonight at the Athletic Club to welcome its new members, Mrs. Margaret Mullady, 24-N Ridge, Mrs. Betty Boyd, 52-F Crescent, Mrs. Ann Groff, 51-C Ridge, Mrs. Perus Scoggins and Mrs. Margaret Wiram. Mrs. Nancy Brunjes was the chairman in charge of the party.

The following recently underwent operations at Leland Memorial Hospital: William N. Brooks of 73-A Ridge, Mrs. Margaret Hines, 69-M Ridge, and Mrs. Nettie Gramims, 2-F Plateau. Ellyn Cottington, 47-B Ridge and Michael William, 4-N Laurel Hill Road underwent tonsillectomies. Mrs. Adeline Van Camp of 3-E Crescent, returned from the hospital Sunday and is recovering from an illness.

Mrs. James O'Neill of 24-C Ridge was guest of honor on October 12 at a birthday luncheon given by Mrs. E. S. Turner of 2-H Southway. The other guests were Mrs. Charles Orleans and Mrs. Phillips Taylor.

Greenbelt Whips Berwyn 7-0

By Don McCollum

The Greenbelt Senior Football team beat a powerful Berwyn eleven 7-0 last Sunday. Berwyn showed a remarkable comeback after their scrimmage game with Greenbelt before the season opened. It was a scoreless game until the last quarter, when Greenbelt scored on a touchdown by fullback Jack Hocstetter. The conversion was made by tackle John Martone. Greenbelt compiled 145 yards in the fourth quarter, by superior line play. The captain for this game was guard Clyde Eanes.

The team is going to hold a raffle in the near future so they can have football jackets as awards at the end of the season. The team hopes that the people of Greenbelt will do all they can to help.

Council Must Give Permit For Sighting-in Firing

According to Lyman Woodman, president, Town Manager McDonald has advised the Gun Club informally that he is unable to grant the club's request for "sighting-in" rifle firing for hunters on the Greenbelt range. Mr. McDonald says that this matter can not be acted upon by him; that it takes Council action to change the ordinance on the subject.

The Gun Club asked last week for a special dispensation of the local heavy-calibre-rifle-firing restrictions in an effort to reduce the hazards involved in hunters going out into the neighboring woods to check their sights and operation of their weapons before going on hunting trips.

Now that supervised practice will not be possible, parents should be especially careful in the coming weeks, the Club warns, about letting their youngsters go into areas where firing may take place.

Those persons who would try such firing should also keep in mind that they risk a stiff penalty for violations.

BROWNIES TO PICNIC AT CAMP CONESTOGA

The Brownies of Troop No. 35, under the leadership of Mrs. Seymour Levine and Mrs. John Maffay, plan to visit Camp Conestoga, on Good Luck Road, Sunday, October 31. The program will include fire-building, marshmallow roast, nature hike, songs and games.

Committee members, Mrs. Francis Zell and Mrs. Lloyd Moore, will assist with the Brownies.

On Thursday, October 28, the girls will have a costume-Halloween party, at which boxes of 'goodies' will be auctioned off among themselves, for the benefit of the World Friendship Fund.

Sixty Halloween tray favors, made by the members of the troop, were sent to Children's Hospital.

LAND—from page 3

Committee to work in harmony, with no disagreement over the choice of sites."

The Rev. Mr. Braund also commented that "mention was made at the conference of the important spade work which was done in behalf of the Greenbelt churches last winter and spring by Congressman Sasser."

All Churches Represented

Present at yesterday's meeting were Administrator Foley, who acted as chairman; Commissioner Egan, and B. T. Fitzpatrick, assistant administrator and general counsel of PHA. Representing the Community Church were Rev. Braund and Phillips M. Taylor, treasurer and one of the trustees; Pastor Edwin E. Pieplow, E. F. Trumble and Miss Olinda Roetger, for the Lutheran Church; Ben Herman, president of the Jewish Community Center, and Nathan Shinderman, chairman of the board, for the Hebrew Congregation; Rev. Victor J. Dowgiallo, pastor, and Charles T. McDonald for St. Hugh's Catholic Church; the Rev. Raymond Cooke for the Mowatt Memorial Methodist Church; and Richard F. Stuart, Branch president of the Latter Day Saints.

Speicher Supervises Senior High Schools In Prince Georges

John P. Speicher, present principal of Greenbelt High School, has been appointed supervisor of all senior high schools in Prince Georges County effective Monday, November 1, according to an announcement by County School Supt. G. Gardner Schugart. M. E. Hernick, principal of the Gwynn Park High School will succeed Mr. Speicher at Greenbelt High.

The post of supervisor of all senior high schools is one of two newly created positions which were necessitated by the unprecedented high enrollments in the county

schools. Miss Emma Bowman, principal of the Beltsville Elementary School will take over the other newly created post when she becomes the county's fourth elementary school supervisor on Monday.

Mrs. Mary Elizabeth Long, a teacher at the Greenbelt Junior High School will take over the position of principal at the Beltsville Elementary School.

Miss Mary A. Thompson, head of the department of physical education for women at Kalamazoo (Mich.) College will become supervisor of health education about February 1. Mr. Schugart stated that the salary of this position is contributed to the school system by the Prince Georges County Tuberculosis Association.

NCJW HEARS REPORTS ON COUNCIL ACTIVITIES

Speakers at the membership tea held by the Greenbelt section of National Council of Jewish Women on October 20 were Mrs. Louis Ottenberg and Mrs. Margolin of the Washington, D. C. section, who are

officers in the National Council. The tea was planned by Mrs. Ethel Fisher, membership chairman, and Mrs. Ethel Gerring, hospitality chairman.

Mrs. Ottenberg and Mrs. Margolin spoke on various phases of Council work on the National level. Mrs. Ottenberg gave a brief resume of some of the divisions of Council

activities: services to the foreign-born, social legislation, community service, the overseas homes and the newly-instituted scholarships for European women in the United States. Mrs. Margolin, active in legislation, spoke briefly about the displaced persons bill passed by the 80th Congress, the Taft-Ellender-Wagner bill, and others.
