

Inter High Football League Starts In County Friday

Greenbelt High School, a member of the newly-formed Prince Georges County football association, will help inaugurate inter-high school football in the county when it meets Bladensburg Saturday night, September 24, at the Maryland University stadium. Maryland Park and Mt. Rainier will open the first inter-high football season in the history of the county at the same field on Friday night.

Vincent Holochwost, former Greenbelt recreation director and at present supervisor of physical education for the county, emphasized that the continuation of the sport in the local schools depends upon the support of the communities. He asked that all sports-minded people of the county make every effort to attend as many games as possible and thereby assure the permanence of football in the schools.

Jack Zeldin, coach of the local high school, has had his team out since September 1. When asked for a starting lineup, Coach Zeldin said that he couldn't be sure at this stage of the game. However, he did give the following tentative roster: **center**—Ray Krug and Duane Leifur; **guards**—Jack Baxter and Clyde Eanes; **tackles**—John O'Mahoney, George Brezina, Jack Cooke and Rusty Brown; **ends**—Horace Randolph and Ronnie Craig; **backfield**—Joe Brosmer, Harry Snead, John Teel, Charles Kans, Pete Mowitt, Norman Briggs, Tom Ropko, Tom Quigley, Tom Simmons, and Frank Kratavil. Others on the squad include Ray Sowell, Jim Rowland, Jack Maffay, Paul Pelletier, Ed Halley, Bill Dove, Bill Turner, Leonard Kreman, Don Carruth, Leland Sadler, and Sam Beall.

Many members of the squad have had some Boys Club experience while only one, Ronnie Craig, has had any high school football experience. Ronnie played for a high school in Ohio where he starred for two years.

Cough Up Tonight

Members of the football squad will be around tonight to sell tickets.

Below is the schedule of the Prince Georges County inter-high school football games. All games will be played at Maryland University stadium at 8 p.m. Maryland University has donated the use of the stadium for the eighteen high school games of the season.

September 24—Bladensburg.

October 1—Sherwood

October 15—Mt. Rainier

October 21—Laurel

November 12—Maryland Park

December 3—Hyattsville

Zeldin said that all players have been insured, and all have two complete uniforms.

Local Gun Club Wins League Championship

The Greenbelt rifle team won the Maryland Rifle League Outdoor Championship. National Capital came in a close second. Mrs. Ruth Morgan (former Greenbelt still shooting with our team) is high scorer in League standings. A good sport, Mrs. Morgan holds many other records in shooting and is a great asset to the club.

On October 9 Greenbelt shoots with the champions from Western Maryland, both teams aiming for the N.R.A. State Championship Trophy. That day the Gun Club will picnic and enjoy other entertainment, including the Club Championship match and a very small caliber match.

The indoor season opens October 18 at Maryland University range. Nine clubs have entered 14 teams in this competition. Greenbelt has entered two teams with high hopes of bagging M.U.'s varsity team on their own range.

First Polio Case

Eight-year-old Carriemae Nelligar, 73-F Ridge Road, was stricken with polio on Monday, September 12, and is now in Children's Hospital. Carriemae is the daughter of Mr. and Mrs. Selden F. Nelligar. She was taken to the hospital by the Greenbelt Rescue Squad.

Small Audience Hears Candidate Statement

With only 125 Greenbelters in the audience, the eleven candidates in the 1949 city council election stated their platforms and qualifications for office at the Center auditorium Monday night.

Sponsored by the Greenbelt unit of the county League of Women Voters at the request of the Greenbelt Citizens Association, the meeting was conducted by Mrs. Wretha Petersen, chairman of the local unit. She was introduced by Mrs. Mary O'Dwyer, voters service chairman of the County League, and in turn introduced the candidates in alphabetical order. Each candidate was allotted five minutes for his presentation, and several found the time too short to include everything they wanted to say.

Teamwork Stressed

Walter Bierwagen stressed the importance of teamwork on the council and the numerous problems to be faced. Bruce Bowman, whose campaign was tied in with Bierwagen's, read their platform as presented in *The Cooperator* of September 8 and 15.

Mayor Thomas Canning explained the importance of the city acquiring the local utilities in order to keep the tax rate low.

Mrs. Margaret Carmody said the rents were high in Greenbelt because the city budget was high. (Mrs. Betty Harrington said later that at no time had PHA pointed to the city budget as a reason for raising rents.)

Stating that all the candidates had about the same platform, Steve Comings said it was personal qualifications that counted and proceeded to outline his.

T. George Davidsen spoke briefly, answering the questions presented to all candidates by the League.

Councilwoman Betty Harrington reviewed her record during the past two years and asked for support at the polls on that basis.

"I have always worked for the people of Greenbelt as a whole," Councilman Frank Lastner said. He listed service to the community in different capacities over a period of eleven years.

Laughs

A. C. Long injected humor into his address, and attacked the Greenbelt Voters Association in its backing of Bierwagen and Bowman and incumbents Canning, Harrington and Lastner.

Mike Salzman cited among his qualifications for the council, graduate study in subjects such as municipal finance. He reviewed his activities in mutual housing for Greenbelt.

James Wolfe waived his speaking privilege.

A short question and answer period followed.

GCS Weekly Sales Again Top Record

Greenbelt Consumer Services sales for the week ending September 17 were the highest for the year so far. Total sales were \$45,300, compared to \$35,800 same week last year, or 26.5% increase. Center food store sales were \$28,404.31, compared to \$17,500 last year, or an increase of 62.3%.

Betty Leads Re-Elected Incumbents; 4 Runners - Up In Runoff Tuesday

Close Race Expected Voters Return Three In Tuesday's Runoff In Light Balloting

A close battle has been forecast for next Tuesday when Greenbelt decides who will fill the two remaining vacancies on the city council: Mike Salzman, James Wolfe, Walter Bierwagen, or Steve Comings. Salzman, leading those candidates who did not gain the necessary majority (489) to put them in office in last Tuesday's election, received 449 votes, or 46 per cent of a possible 976. The gap between that total and Steve Comings' 372 (or 38%) is only 77 votes. Between the two are James Wolfe (404 votes) and Walter Bierwagen (394 votes).

As provided in Greenbelt's city charter, the run-off will be held in the same manner as the election, from 7 a.m. to 7 p.m. Tuesday in the firehouse. Any registered voter may vote in the run-off, whether or not he voted in the election. Of the 1592 who are registered and eligible to vote, only 977 participated in last Tuesday's election. One ballot was disqualified.

There has been no indication that A. C. Long would demand a recount of the votes, although his 371 votes lacked only one of tying with Comings.

Center School Has Enrollment of 558

Enrollment for the Center elementary school, as of Monday, is 422 children in the first through sixth grade, with 136 children in the kindergarten. Mrs. Elizabeth Fugitt, principal, announced that four more children are expected to enroll within the next week, increasing the total to 426.

The number of children in each grade is as follows: 94 in the first, 91 in the second, 73 in the third, 45 in the fourth, 66 in the fifth and 53 in the sixth grade.

Last September the figures were: 106 in the first, 79 in the second, 52 in the third, 66 in the fourth, 59 in the fifth and 68 in the sixth.

Center PTA Bake Sale

The Center school PTA will hold a bake sale in front of the theater on Friday, September 23, from 10 a.m. to 2 p.m. Parents have been asked to contribute cakes, cookies, pies, and other baked goods for the sale. For further information call Mrs. Betty Lyons at 4031.

437 Enrolled At North End

The North End school enrollment for the first six grades was 344 at the end of the first week. The number in each grade was as follows: Grade I, 73; Grade II, 82; Grade III, 59; Grade IV, 53; Grade V, 42; Grade VI, 35.

After the first three days there were 93 youngsters enrolled in the kindergarten.

Operation of the North End school lunchroom has been delayed pending further discussion between the parents and the school administration. Miss Thelma Smith, the principal, will be glad to have comments from interested parents.

Greenbelt voters gave a strong vote of confidence to Elizabeth S. Harrington, Thomas J. Canning, and Frank J. Lastner on Tuesday, returning them with a substantial majority to the city council for another two-year term. The three successful incumbent candidates, who used their records as their platforms, ran up a collective vote of 1954, or two-thirds of a possible 2931.

Overshadowing even the speculation over next week's necessary run-off to fill the two remaining council seats is the prospect of Greenbelt having its first woman mayor. While her selection will not be an accomplished fact until the new council holds its first meeting and chooses the mayor, traditionally the office is given to the council member who polls the highest number of votes. Of the three, Mrs. Harrington had a substantial margin with 790, or 80 per cent of a possible 976; Canning was next with 620, or 64 per cent; and Lastner received 544, or 56 per cent.

Other candidates ran in the following order: Mike Salzman, 449; James Wolfe, 404; Walter Bierwagen, 394; Steve Comings, 372; A. C. Long, 371; Bruce Bowman, 335; George Davidsen, 188; and Mrs. Margaret Carmody, 97.

Woman's Club Plans Teacher Reception

The Woman's Club of Greenbelt will hold its annual reception for teachers on Thursday, September 29, at 8:15 p.m. in the high school auditorium. Guests will be the teachers of the schools of Greenbelt, their husbands, wives or escorts, as well as officials of the city and husbands of members. Speaker will be Dr. Paul C. Glick, chief of population statistics section, Bureau of the Census, who will talk on the coming 1950 census.

The program will be in charge of Mrs. Alice Smith, education and youth cooperation chairman, assisted by Mrs. D. J. Neff, general arrangements, and Mrs. Arthur N. Gawthrop and Mrs. Mathew Fontaine, refreshments.

High School Has 900 To Crowd Facilities

Over 900 pupils are attending the Greenbelt high school this year, according to M. E. Hernick, principal. To supplement the facilities of the original building, planned for 250 students, three quonset huts were combined to afford ten additional classrooms and two storage closets.

When the quonset huts were decided upon as the answer to the huge enrollment expected, plans included two bathrooms in the hut building. However, when construction was started it was learned that the building would be below the sewer level, so that drainage was impossible. Bathrooms in the original building were enlarged.

No new "special facilities" such as art, music, wood shop, and other non-fundamental subjects have been increased, although there are seats for all pupils. Lacking a cafeteria, the students carry their lunch trays to their rooms.

Three Down, Two To Go

Betty Harrington, slated to be Greenbelt's new mayor, has an impressive record of service to the community before and during her two years on the city council. She has disagreed at one time or another with each of the other members of the council, but was an able and cooperative team member where unity was desirable. Among the voters last Tuesday, her name was mentioned constantly, coupled with such adjectives as *honesty*, *integrity*, and *independence*.

While Mrs. Harrington's majority of 80 percent of the total ballots cast is overwhelming, Thomas Canning and Frank Lastner were also given substantial votes of confidence, a decisive indication that Greenbelt looked at the record rather than at promises. Votes were cast for the consistent concern which these three had shown for the welfare of Greenbelt.

The Cooperator is happy to congratulate the three new members of the council, and the voters who elected them.

NCJW Delegates To the Editor Go to Baltimore

At the general meeting of the National Council of Jewish Women held last week, the members elected two delegates, Mrs. Adelaide Weidberg and Mrs. Edith Nicholas, to represent the local chapter at the triennial convention to be held in Baltimore on October 23-28. Appointed as alternates were Mrs. Estelle Dolgoff and Mrs. Beulah Bukzin.

Mrs. Dolgoff led a discussion of the bylaws and resolutions of the Greenbelt chapter to be presented at the convention. Mrs. Nora Levsky, chairman of the ways and means committee, announced that a bake sale will be held September 30 at 10 a.m. in front of the lobby of the theater. A bingo game, to which the public is invited, will be held on November 5 at the Center school.

As Others See Us

Washington, D. C.—(CNS)—Apparently foreign visitors here think America is a pretty good place. After two months of trying, WCFM, the co-op radio station here, has given up its program "As Others See Us" in which it invited Embassy folks, foreign writers, conference delegates, etc., to tell over the air what they didn't like about the U. S. Seems lack of criticism made the program sort of flat. "About the only thing the visitors didn't like were juke boxes and tangled traffic," said a representative of the station, of which Wallace J. Campbell, co-director of the Washington office of the Cooperative League, is president.

WGAY Features Community Forum

Mrs. Elizabeth B. Steely, president of the Prince Georges Soroptimist Club will be the chief speaker in a special Community Forum program broadcast Sunday afternoon at 1:15 on WGAY, Silver Spring. Mrs. Steely's interview will open Founders Week of the American Federation of Soroptimist Clubs in Prince Georges County.

THANKS AND COME AGAIN

May I take this opportunity to express my appreciation to all my friends and neighbors who supported my candidacy for city councilman in Tuesday's election.

I will be doubly appreciative if they, and all others who wish to join them, will continue their support and enthusiasm by voting for me again, in the run-off election of Tuesday, September 27.

To the three successful candidates, I offer my congratulations for their deserved and anticipated victory.

Walter J. Bierwagen.

The Police Blotter

Several complaints were received last week of damage being done to windshields, and windows being broken by a BB gun. Lt. Buddy Attick found the gun hidden in the basement of an apartment house and apprehended the boy who had been shooting the gun.

Chief of Police George Panagoulis reminds parents that it is unlawful for children to use BB guns in Greenbelt. In addition to property damage, critical injury can be inflicted on other children with these guns, he stated. He also urges motorists to heed the school signs.

Ten-year-old Carl Schrom of 2-G Laurel Hill Road was hurt by a baseball bat last Thursday and suffered a broken nose, facial cuts and bruises. He was treated by a local physician and taken to the hospital.

Carl stated that he had been playing baseball and had run up to catch a ball just as the batter swung at it again.

A boy who cut his arm on a nail was given first aid treatment by the police.

Other complaints received were about misbehaving children and stray animals.

Orchestra Chosen For Youth Dance

The Ritzmore orchestra of Arlington, Virginia will furnish the music for the "Salute to Youth" dance which will be held in the Center school auditorium, Saturday, October 11, from 9 to 12 p.m. The dance is sponsored by the Youth Center advisory board and the Recreation Department. Since civic organizations of the city are supplying the funds, it will be free to the young people of the community.

Special guests at the dance will be representatives of civic organizations, former members of the advisory board, the city council, the city manager, the federal manager and representatives of church groups.

The door prize to be awarded to the lucky teen-ager whose name is drawn will be a portable radio similar to the one given at last year's "Salute to Youth" dance. The radio which went to a young lady last year was such a popular prize it was decided to run a repeat.

Wodak Is Acting Public Health Dr.

Dr. Hans Wodak is temporarily serving in place of Dr. William Eisner as public health officer at the Public Health Center, City Manager Charles T. McDonald announced on Tuesday. Dr. Eisner is on vacation and will be back in several weeks.
