

Ballet Classes Start Tuesday

Registration for the ballet classes sponsored by the Center school PTA assures a good program for the group which gets under way next Tuesday in the auditorium at 3:45 p.m., according to the chairman, Mrs. Martin Bickford. Originally announced ages for the group were five through twelve. The representative of the Fokine-Venable School, which is sending a teacher for the class, told interested parents last Tuesday that a group for teen-agers could also be formed and that boys from age five may also enroll. Several boys have already signed up, Mrs. Bickford said. She may be reached for further information at GR. 3-5221.

Lions Induct Six New Members

Six new members were inducted into the Greenbelt Lions Club Monday evening in a ceremony led by Deputy District Governor Lion Herbert W. Reichelt, who is mayor of Mount Rainier.

The new members are Robert Hurst, Sidney Rubin, Nathan Shinderman, Paul Strickler, George Panagoulis, and John P. Murray. Members of the Mount Rainier-Brentwood and Rock Creek Lions Clubs were guests of the Greenbelt Lions at the ceremony.

Lion President Lloyd Clay presented the past president and secretary, Stan Provost and Don Romer, with their outgoing officers' pins. Reichelt and Louis Hoffenmaier, governor-at-large, addressed the meeting on Lionism and its rapid growth.

First PTA Meeting Attracts Big Crowd

Cooperation between parents and teachers for a successful school was the theme of the well-attended first Center school PTA meeting held Tuesday night.

Miss Hannah E. Long, principal, spoke of the importance of the PTA group as a means for working together for the children, and Bruce Bowman, membership chairman of the County Council of PTA's described the effectiveness of the Association toward improving the community and strengthening the school system.

Parents asked for a PTA program of information concerning the school's curriculum and methods, and a clear explanation of "progressive education." Program Chairman Eva Daly promised the group that future programs would cover such subjects.

Mrs. Margaret Mullady, PTA president, introduced officers and committee chairmen, and Miss Long introduced the faculty who remained after the meeting to talk with the parents. Mrs. Sara Thompson's room was the best represented.

An appreciative audience enjoyed several solos by Mrs. Ethel Gerring during the program, and at the conclusion of the evening, refreshments were served.

Committee chairmen for the school year as announced by Mrs. Mullady are Mrs. Lucille Lushine, Hospitality; Mrs. Rae Algaze, News Letter; Mrs. Matie Siegel, Ways and Means; Mrs. Eva Daly, Program; Mrs. Dorothy Galvin, Health; Mrs. Betty Reznikoff, Legislation; Mrs. Lee Fink, PTA Magazine; Mrs. Ida Ryss, Membership; Mrs. Rosemary Bridge, Home Room Mothers; Mrs. Carolyn Miller, Publicity.

HOW WELL DO YOU KNOW GREENBELT?

(Answers on page 4)

1. If you live in a frame house and want to fence in your yard, what should you do?
2. What steps does Greenbelt Veteran Housing Corporation take if ownership of a dog by a member or tenant is reported to the office?
3. Under what circumstances will GVHC rent units in Greenbelt?
4. May GVHC members sub-let their houses?
5. How many houses are as yet unsold?

NURSERY TO HOLD MOVIE BENEFIT

The Greenbelt Nursery school will sponsor a movie, "Watch the Birdie" at the Greenbelt theater on Thursday, October 15 in the afternoon. The movie features Red Skelton and Arlene Dahl. In addition, two cartoon comedies will be shown. Proceeds will go to the Nursery school fund. Tickets will cost 25 cents.

Public school sessions will be suspended that afternoon because of a teacher's convention.

Chest Drive Opens Here October 12

The annual Community Chest drive for Greenbelt will begin on October 12. Mrs. James Flynn is Chairman of the Greenbelt drive and Mayor Frank Lastner is the Honorary Chairman.

Block captains will be announced within the next week. Anyone interested in soliciting please contact Mrs. Flynn at GR. 3291. Volunteers are urgently needed.

COUNTY UNIT OPENS CRAFTS WORKSHOP

The Prince Georges Recreation Department will conduct a seven weeks Crafts Workshop for volunteer leaders of youth serving agencies at the Suitland High School on Thursday evenings, 8 to 10 p.m., starting October 15 and continuing through December 3.

Instruction will be given in such crafts as basketry, raffia, clay modeling, shell and plastic jewelry, gimp, plaster of paris, paper work and aluminum modeling and etching. Leaders may attend single or all seven sessions.

The course is designed for those working with young people such as Girl Scouts, Brownies, Camp Fire Girls, Bluebirds, Cub Scouts, 4-H, church groups, school teachers, etc. Mrs. Mildred Reed, Craft Specialist for the Recreation Department, is in charge of the Workshop.

Greenbelt Boy Leaves U. S. Navy

Photographer 3/C Raymond Welsh, son of Mrs. Mary Welsh, 13-K Ridge, has been honorably discharged from the U. S. Navy at the U. S. Naval Receiving Station, Norfolk, Virginia.

The U. S. Naval Receiving Station, under the command of Capt. John Harlee, USN, processes approximately 8,000 men a month on their way to and from Naval activities all over the world.

Greenbelt Girl Scouts Face Two Week Suspension Crises

Lack of sufficient volunteer leaders and assistants has forced the Greenbelt Girl Scouts to suspend their activities for at least two weeks. This decision was made at a meeting of girl scout leaders Monday, September 28, at the Center School.

Only ten women have volunteered so far to serve as leaders for more than 200 girls between the ages of seven and 16 who have registered for scouting. Both Brownie and Intermediate troops need leaders. All those interested in volunteering their services should contact the district chairman, Mrs. Harry S. Weidberg, 2802.

If the number of volunteer leaders is not sufficiently increased, the suspension of troop meetings will continue or many registered scouts will have to be dropped from the active groups, according to Mrs. Weidberg.

Library Acquires DAV Study Unit

The Greenbelt Public Library has added to its permanent files a study unit prepared by the Disabled American Veterans to provide a reference material on the disabled veteran and his problems.

Prepared by the DAV to develop in all Americans an understanding of the continuing obligation of our democracy to the handicapped veteran, the study unit gives for reference purposes: types of war disabled veterans; history of disabled veterans; the disabled veteran in a democratic society; rehabilitation of the disabled veteran; and disabled veteran legislation.

Public libraries throughout the nation are now making the unit a part of their reference collections.

A recent survey shows that one out of every 10 living Americans who fought in this nation's wars, including Korea, has been wounded, injured or disabled as a result of military service. There are approximately 20 million living ex-servicemen in the United States today and more than 10 per cent of this number — 2,357,689 as of a recent date — are recognized as disabled by the Veterans Administration.

The DAV reports that 29 million Americans have served in the armed forces of this nation since the Revolution and including Korea. More than 965,000 have lost their lives. In addition to the number of disabled veterans, there are 440,647 widows of veterans and 305,982 dependent children.

Garden Clinic Features Dutch Bulb Info

Daffodils, tulips and hyacinths can do much to add color to local homes as well as provide the answer to those bare spots in the lawn. "How to Plant Dutch Bulbs," a color film, will be featured at the GCS Garden Clinic Tuesday evening, October 6 at 8 p.m. in the Greenbelt Theatre.

This film explains where to plant bulbs for the best effect and by animation shows what happens inside a bulb from the time it is planted until leaves fade after bloom.

The program will also include another color film, "Springtime in Holland." Fields, in a bird's eye view, are shown of Holland's magic carpet of tulips, hyacinths and daffodils. The film in addition displays the colorful floats and parades when the flowers are at their best.

A garden specialist will be present at the meeting to answer questions on bulb planting and the fall care of lawns. Light refreshments will be served and admission is free.

Local Boy Enters Johns Hopkins U.

Martin S. Rosenzweig, son of Mr. and Mrs. Benjamin Rosenzweig, 4-C Crescent, was among the 310 freshmen who enrolled this week at Johns Hopkins University for the 1953-54 academic year. Rosenzweig plans to study engineering at the 77-year-old university.

He is a graduate of Northwestern Senior High School, class of 1953. While in high school, he was parliamentarian for the student council, a feature writer for the student newspaper and a staff member of the yearbook.

Johns Hopkins is known as the first true university in America, dedicated since its founding to the encouragement of research and the training of scholars. Although most generally famed for its hospital and school of medicine, the university's other divisions also are recognized for their many contributions to the sciences and the humanities.

The Class of '57 has become acquainted with the Hopkins through an orientation program which included guided tours of the campus by undergraduate leaders, out-door lunches with members of the faculty, meetings with faculty advisors, and informative general sessions.

Publishing Board Names Iz Parker

The annual election of the board of directors of the Greenbelt Cooperative Publishing Association was held Monday, September 28, at The Cooperator office.

Parker

The new board members elected by the membership are Isadore J. Parker, Bernard Krug, Harry Zubkoff, George Bloom, and Miriam Solomon.

They entered office as of October 1.

Members of the board elected the following officers: Parker, president; Krug, vice-president; Mrs. Solomon, secretary; and Bloom, treasurer. Zubkoff will continue in charge of The Cooperator's subscription drive. The board has scheduled its first meeting for Tuesday, October 6, at 7:30 p.m. in The Cooperator office.

The retiring board members are George Reeves, president, Keith Gamble, Dave Reznikoff, and Eleanor Ritchie. Mrs. Solomon, member of the former board, was re-elected to the new board.

GCS Membership Talks Expansion

Possibilities for expansion of Greenbelt Consumer Services were discussed last week at a quarterly membership meeting of the cooperative. Principal speaker of the evening was Percy S. Brown, director of Consumer Distribution Corporation, who urged that GCS "go it alone" in area expansion and keep control in the Greenbelt corporation.

Although no specific program for expansion was outlined by the group, there was agreement that there is no longer any question of "shall the co-op expand?" but rather "how?"

General Manager Sam Ashelman reported net savings of \$36,012 for the year to August 1 compared to \$27,927 for a similar period in 1952.

A panel discussed the theme "Growth of the Greenbelt Co-op" with Bob Volckhausen and Ben Rosenzweig giving the early history. Frank Lewis discussing structure for expansion, with particular reference to urban cooperatives in Europe, and Brown outlining ideas for the future, urging "business" methods similar to successful food chains.

Another panel reported on the Co-op Institute held at Bard College, New York, last summer to which GCS sent ten delegates.

Sodality Opens New Season Wednesday

The first regular meeting of St. Hugh's Sodality will be held in the church hall on Wednesday evening, October 7, at 8:30 p.m.

Guest speaker at this meeting will be Rev. Edgar Schmiedler, OSB, who is head of the Family Life Bureau of the National Catholic Welfare Conference.

The following officers will serve for the coming year: Prefect, Mrs. James Flynn; vice-prefect, Mrs. John Ford; Recording secretary, Mrs. James Ourand; Corresponding secretary, Mrs. Anne Santora, and Treasurer, Mrs. Margaret Baldwin. Mrs. Ford is also Membership chairman and interested newcomers are urged to contact her.

No. 8

By Dorothy McGee, phone 8083

A 9 lb. son was born to Mr. and Mrs. John Anderson of Laurel, Md. on September 27 at Prince Georges Hospital in Cheverly. Mr. Anderson is our town's landscape gardener employed by GVHC. The Andersons have two other sons and a daughter.

Richard and Shirley Orton, 16-Z-1 Ridge, are being congratulated on the birth of their first child, 6½ lb. Ellen Jean on September 20 at Prince Georges Hospital.

Seymour and Shirley Levine, 37-G Ridge happily announce the birth of a 6 lb. daughter, Ellyn Roberta on September 20 at Prince Georges Hospital. The Levines have an 8 year old son, Alan.

Ellie and Tom Ritchie have moved from 37-J Ridge to 4-C Ridge. Their new phone number is 5316.

Bea and Lars Bronsstein expect to move this weekend from 11-K Ridge to 9-M Southway.

The pastor of the Methodist church, Rev. Charles R. Strausburg has taken up residence at 42-L Ridge Road.

Pastor Edwin H. Birner of the Lutheran church, who has been living at 8-G Parkway since June expects within a week, to be in his new home at 18-L Ridge Road.

Beulah and Elliot Bukzin of 6-N Ridge gave a surprise party last Saturday evening for their good friend, Florence Shinderman. About twenty-two guests were present to wish Florence "Happy Birthday."

The many friends of Jake Hoffman, who was seriously injured in Washington last week when his motorcycle collided with an illegally parked truck, may see him or write him at Room 404, Emergency Hospital. We all send him our very best wishes and hope that his progress will be rapid and that he will be home much sooner than the March 1 date now estimated by the doctors.

This summer two members of the senior class at Northwestern High School, Jimmy Henson and Jim Stripling, spent a week at the school painting a wildcat head in the center circle of the basketball court, on the gymnasium floor. The basic colors of the head are blue and white, the school colors, with dashes of black and red. After the painting was completed several coats of varnish to protect it were applied. Both the artists are from Mr. David Young's art classes. They were selected for the special task by Mr. John P. Speicher, principal and the Student Council last year.

DON'T BE AFRAID OF TB VICTIMS

"It isn't safe to associate with someone who has had TB." When you hear anyone make that statement, speak right up and say, "It isn't true."

Of course, it's true that tuberculosis is an infectious disease. But the person who has had TB, who has been released from the hospital with his disease arrested, is probably one of the safest people to have around.

With medical treatment his disease has become inactive. Only an active case of tuberculosis is infectious. He has learned to take care of himself so that he won't break down again. He goes to the doctor regularly for a checkup and X-rays to make sure that he is keeping well.

The greatest danger is not in the known case of tuberculosis and certainly not in the person whose TB has been cured. It's the unknown case that may menace your health. Of the estimated 400,000 cases of TB in the United States, more than half are unknown to health authorities. Many of these people may not even know that they have the disease and are spreading germs to those close to them. You could be one of them, unless you have had a chest X-ray and other diagnostic tests recently and know for sure that you don't have TB.

The person who has had TB and been cured merits confidence, not suspicion. He has had a hard time getting over a serious disease. He isn't asking for favors, just an even break and understanding.

More Lakeside Lots Available

The Lakeside Homeowners, Inc., at a membership meeting Tuesday night authorized its executive committee to advertise for the sale of the 23 lots which yet remain unsold.

Approximately 42 lots have been purchased by members of the group, which was organized this year for the development and sale of 25 acres of land on the far side of Greenbelt Lake opposite the picnic area. At Tuesday's meeting individual contracts for these lots were signed by the members. It was also reported that a preliminary survey of water and sewer lines has shown that the cost will be within the original estimate.

The prices of the lots range from \$1200 to \$2200, and the sizes of the lots vary from 7,000 square feet to 20,000 square feet. Installation of curbing, streets, water and sewage facilities are included in the price. Payments may be made in installments.

All those who wish further details may contact either Ben Goldfaden, president of the association, at 2381 or Lewis Root, secretary, at 3171.

The order and the money must be received by the deadline. Fisher resides at 5-D Eastway and his phone number is 5158.

115 VOLTS CAN BE DANGEROUS AS 6900

A 115 volt lighting circuit can be just as fatal as a 6900 volt high voltage line. It is the amperage rather than the voltage that makes the difference.

"It doesn't take much amperage to do the trick," says A. V. Krewatch, extension agricultural engineer, University of Maryland.

"Treat electricity with respect if you want to live long and enjoy good health. Avoid electrical appliances and old fashioned snap switches if you are standing or touching wet soil, water or pipes.

"For the same reason it is good practice to ground your washing machine. When replacing fuses or working with wiring or outlets, pull the master switch.

"It takes longer to be cautious but it is more healthy."

TO START THE DAY RIGHT, treat yourself to a generous helping of cheerful thoughts and a liberal breakfast. As the poem says:

*Eat a fine breakfast
To start the day right.
It helps make you happy
And healthy and bright.*

As you know, the food experts say it's important to have 3 square meals a day. Breakfast is especially important. Because your system goes without food for a long period—from dinner to breakfast. Follow this kind of meal pattern for good daily fare:

BREAKFAST: Tomato juice or citrus fruit; cereal with milk and sugar; hot toast; bacon or sausage.

LUNCH: Vegetable soup; tuna salad; fruit cup; cookies; milk.

DINNER: Ham a la king on biscuits; buttered asparagus; green salad; bread and butter; cherry pie; milk or coffee.

AS SPRING-LIKE AS DAISIES is a dinner that features "Ham a la King on Biscuits."

Ham a la King on Biscuits

1 small onion, chopped (about 1/4 cup)	1 cup cooked peas, drained
1 tablespoon butter or margarine	1/2 cup milk
1 can (1 1/2 cups) condensed cream of celery soup	1 teaspoon Worcestershire sauce
1 cup diced, cooked ham, pork or veal	6 hot biscuits, or corn meal muffins, split and buttered

Brown onion lightly in butter in skillet. Add soup, meat, peas, milk and Worcestershire sauce; simmer over low heat about 10 minutes. Pour mixture over biscuits in short-cake fashion. 6 servings.

My Daze

IT'LL TAKE MORE THAN THE EXTRA HOUR STANDARD TIME gave us to improve my schedule very much. I never adjusted to that hour's loss I suffered when Daylight Saving went into effect. The switchback to Standard Time didn't prove to be the impetus needed to get things running in the calm, smooth, orderly manner every housewife, rather homemaker, dreams of, and believes is the way every other home but her own is run.

THE CHILDREN ESPECIALLY HAD A GLORIOUS TIME at the Second Annual Co-op Barbecue here in Greenbelt last Sunday afternoon. Warm weather, sunshine, and blue skies made it idyllic. As a friend of mine remarked afterwards, it was all done in veery good taste. Many cooperators did monumental work preparing and operating this affair. They ought to feel very gratified with the results of their efforts.

AT THE BARBECUE, MY YOUNGSTERS BEGGED ME to join the square dancing with them. Despite an initial shyness, I acquiesced, finally. It seems that in square dancing it doesn't in the least matter whether one is young or old, man or woman, or what size or shape, or even how graceful. We enjoyed watching, but discovered how much more fun it was to dance ourselves. Lucky children have square dancing along with their lessons in school these days. From what I hear, they love it. My kids will probably have it in the higher grades, and that makes me very happy. I'd like to figure some way they and I could go square dancing regularly, together. It's great stuff, I think.

"I'M NOT GOING TO SCHOOL TODAY," she told me flatly awaiting my reaction. Hiding misgivings, I answered, "OK" casually. The next thing I knew, she was hurrying down the path after the others, to return home two and a half hours later, full of gab about what had transpired in kindergarten.

QUIZ ANSWERS

1. Call GVHC maintenance (6011) to have your yard staked out by the grounds crew. You will then know exactly how far your property extends.
2. A letter is sent to the person complained about requesting in reply a statement that he does not have a dog or else that the dog will be removed by a certain date. The letter is followed up, and if a satisfactory reply is not received, the person is informed that the matter will be referred to legal counsel to take steps leading to termination of the rental or purchase contract with GVHC.
3. In addition to the apartments owned by GVHC on Parkway, GVHC rents about 66 apartments in frame buildings, and certain brick houses which have not sold after a reasonable time on the market. Residents who did not buy homes here may continue renting on a 60-day basis. Also, GVHC rents to two members of the maintenance staff who came to GVHC from Public Housing Administration and whose terms of employment did not require them to buy.
4. Yes, subject to approval of the tenants by the GVHC board, provided the owner is leaving the Washington area or taking a job requiring residence on the job and expects to return to Greenbelt at a later date.
5. As of Monday of this week, 66 brick homes.

MERCHANT MARINE NAMES NEW CADET

Gerald Wright Brittingham, son of Mr. and Mrs. Roland L. Brittingham, 9-G Research, has been appointed a Cadet-Midshipman at the United States Merchant Marine Academy, Kings Point, N.Y. Kings Point is to the Merchant Marine what Annapolis is to the Navy.

Cadet-Midshipman Brittingham will receive four years of intensive training preparing him for his duties as a ship's officer. The first year is spent at the Academy, where he will receive his basic instruction. His second year is spent aboard ships of the American Merchant Marine. At this time he will learn the practical aspects of his future profession.

The last two years will be spent at the Academy. During this time, he will experience a rigorous academic schedule and will receive such military training necessary for a successful career at sea.

Upon graduation in 1957, Brittingham will receive a Bachelor of Science Degree, a license as Third Engineer, and concurrent commissions as Ensign, United States Naval Reserve, and Ensign, United States Maritime Commission.

It's yours to give him . . .
if you start planning today!

Of course you want your child to have a good education. But can you be sure that, when the time comes, you'll be financially able to give it to him? You can, if you start saving for it now—through the Payroll Savings Plan.

It's simple! Tell your company's pay office how much you want to save—from a couple of dollars to \$375 a month. Every payday this sum is invested in U. S. Series E Savings Bonds which are turned over to you, and earn good interest for you.

It's systematic! Just think—if you sign up to save \$3.75 a week, in 5 years you'll have \$1,025.95—in 9 years 8 months, \$2,137.30—and in 19 years 8 months you'll have \$5,153.72.

It's sure! Once you join, your saving is automatically done for you before you draw your pay. And your child's education will be provided for by money you don't even miss now.

Eight million working people are now on the Plan—saving for those things made possible only through systematic saving. So join the Payroll Savings Plan right now. Do it today!

How you can reach your savings goal on the systematic Payroll Savings Plan

	If you want approximately			
	\$1,000	\$5,000	\$10,000	\$25,000
Each week for 5 years, save	\$3.75	\$18.75	\$37.50	\$93.75
Each week for 9 years and 8 months, save	\$1.85	\$8.80	\$18.75	\$45.00
Each week for 19 years and 8 months, save	\$0.75	\$3.75	\$7.50	\$18.75

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. Remember, you can save any sum you wish, from a couple of dollars a payday to \$375 a month. The important thing is, start your Plan today!
