Police News Review

An auto accident involving a 1960 Triumph and a 1956 Ford occurred at the intersection of Glenn-dale Road and the entrance to the Expressway on Friday evening. Both drivers, not residents of Greenbelt, have been charged with reckless driving due to colliding. Both drivers were carried to Prince Georges Hospital by the Greenbelt Rescue Squad.

Two Laurel youths, en route to visit a young lady on Plateau, stopped the car when they heard some boys call out their names. They reported to police that they were attacked, apparently without cause, by four boys, one of them brandishing a knife. The Laurel boys sought protection in a home on Plateau and summoned police, who arrived too late to apprehend the alleged attackers.

Police were called on a complaint of a noisy party on Southway on Friday night. Police found a group of teenagers without adult supervision, and it was apparent that some of the youths had been drinking.

Three automobile owners, who had parked their cars and gone to Braden field to attend a softball game on Thursday night, reported finding the radio aerials on their cars had been bent way down.

The vice-principal of Greenbelt Junior High School called police to complain of some boys who were disrupting classes on Thursday afternoon. These boys were not students at the school.

A few better items, including some men's suits, will also be sold.

Architect Smolen Hired to Design Retirement Housing on GHI Site

by Al Skolnik

The first step in initiating a program of housing for the elderly was taken last Thursday, September 22, when Greenbelt Homes, Inc. board of directors hired architect Victor Smolen to prepare preliminary sketches and work plans. The contract, which is subject to approval by GHI general counsel, commits GHI to an expenditure of \$500. Further payments to the architect will be dependent on whether the project is approved by GHI members at a special membership meeting and by the Federal Housing Administration.

TWO PTA'S WILL MEET

The first PTA meetings of the year will be held on Tuesday, October 4, at 8 p.m. at the Center and North End Schools. Both Center and North End parents may join or renew their membership at this time. The fee is \$1.00 for single membership or \$1.50 for both parents. Kindergarten parents are eligible for PTA membership, and are cordially invited to join and participate in all activities. This is your opportunity to become acquainted with the school your child attends, the faculty, and other parents.

Center School President Robert Smith will call the meeting to order promptly at 8 p.m. on Tuesday, October 4, in the auditorium. The business portion will be concluded by 8:30 p.m. Classroom visitation is scheduled from 8:30 to 9 p.m. followed by an informal coffee and social hour.

North End School President Mrs. Sherman Durbin will call the meeting to order at 8 p.m. on Tuesday, October 4, in the auditorium. After a business meeting, classroom visitation is scheduled, followed by a social hour.

WOMEN'S CLUB TO MEET

The board members of the Women's Club of Greenbelt will meet at the home of Mrs. John F. Townes, 6-M Ridge, at 8 p.m. on Oct. 6. The first regular meeting of the club will be held Oct. 13 at 8 p.m. in the Community Church.

Baptist Leadership

Sunday, Oct. 2, begins the new church year at the Greenbelt Baptist Church. Waldo E. King and C. T. David were reelected to serve again as Sunday School superintendent and Training Union respectively. Dr. James T. McCarl was elected as the chairman of the Stewardship Committee and David Morgan was chosen chairman of the deacons.

SODALITY TO SHOW FILM

St. Hugh's Senior Sodality will hold its meeting, Wednesday, October 5, at 8:30 p.m., in the Social Room. The film, "Triumph of Fatime" will be shown.

Community Church News

This Sunday, World Wide Communion Sunday will be celebrated in Greenbelt Community Church, with Holy Communion at both the 9 and 11 a.m. Services. The Treble Choir will sing at 9, and the Chancel Choir will sing the Communion Anthem by Healey Willan. "Very Bread, Good Shepherd Tend Us" at 11. Mr. Wyatt will have the Communion Meditation at both Services. Cards will be signed by all those attending these Services.

YOM KIPPUR SERVICES

Yom Kippur will be held in the Jewish Community Center of Prince Georges County tomorrow morning, Saturday, October 1, at 8:30 a.m. The sounding of the Shofar ending the holiday will be at 7:21 p.m.

The proposed site of the 56-unit project is the area behind 30-34 Ridge and 4-5 Gardenway. Objection to this site was voiced by director Allan Morrison who stated that it was not conveniently located to stores, post office, recreation facilities, churches, and transportation. He favored the site along Crescent between Parkway and the new fire house.

Morrison also objected to the proposed one-story type buildings with individual housekeeping apartments. He argued that 65 percent of aged are single persons who are more in need of housing which combines rooms with lodging. He visualized a multiple-story building with self-operating elevators, glassed-in porches, dining room and cafeteria services, and recreation and health facilities.

Bruce Bowman, acting president, stated that adoption of the one-story type construction in the Ridge Gardenway area will not preclude development of multiple-story construction in another area if needed. As it stands, he said, the Ridge Gardenway area does not lend itself to high-level construction. As for nearness to community facilities, GHI manager Paul Campbell stated that FHA will inspect the site to determine this.

The contract with Smolen calls for an architect's fee of 2 1/2% of costs of development and construction plus builder's fee. Payments will be made in 4 stages: (1) \$500 when preliminary sketches, workplans, and cost estimates are submitted to FHA and to the GHI membership; (2) \$3,500 or 50% of total fee, whichever is higher, when precommitment submittals are made; (3) 75% when FHA initial closing takes place; and (4) 15% during construction, with 10% held back until job is finished.

GHI will be reimbursed for the architect's fee if FHA approval is forthcoming and if the project is completed. If the project is terminated at the end of any stage, GHI will be obligated to pay the architect's fee only through the stage completed.

2 ATTEND CONVENTIONS

Two city employees are convention bound. Warren Leddick, city recreation director, is attending a National Recreation Association meeting, being held in Washington, D. C., this week.
