Police News Review

Two runaway teenage girls, one a resident of Greenbelt, one a resident of Langley Park, were found in N.W. Washington on Sunday night by Officer Joseph O'Loughlin and a father of one of the girls. A tip from a former neighbor led the searchers to the northwest area and the girls were spotted in a pawn shop as the men drove by. It was disclosed that the girls had planned to leave for N. Y. the following morning.

Pre-Halloween pranksters have already caused complaints to the police department when a car on Plateau was soaped up. Two B-B guns were confiscated from children on Laurel Hill. They were caught shooting in the woods from the playground at the end of Laurel Hill.

Last week, a complainant called police stating that his car had been forced off the road. Police investigated and found a drunken man in a car. He was not seen driving but was taken to Hyattsville and charged with being drunk. The following night, another man was picked up sitting in his car, also drunk. He too, was charged.

A woman pedestrian, walking to get her ride to work on Tuesday morning, was struck by a car heading east on Ridge Rd. The pedestrian was walking with traffic and was apparently a few feet out on the road. The motorist claimed to be riding into the sun and could not see the woman. The pedestrian was taken to the hospital where no major injuries were diagnosed.

Chief Jim Williams wishes a request be made to the people of Greenbelt in reference to telephone communications when reporting prowlers or suspicious persons near their homes. Callers are requested to ask whether or not to keep their telephone lines open in order to supplement their initial information to help the investigating officers in locating the suspects.

Pigskin Parade

by Bud Dean

Last Saturday the 100-pounders had a forfeited game because Lanham withdrew from the 100-pound league. The 85-pounders, looking for their second win, met up with a strong Landover team at Braden field.

Landover controlled the ball in the first half and with their backs churning huge holes in the center of the Greenbelt line, scored two touchdowns and one point after, leaving the score at the half — Landover 13 - Greenbelt 0. In the second half Greenbelt came alive and with the line and backs working as a unit took the kickoff and marched 50 yards in a series of reverses and handoffs with Jay Coleman going over from 6 yards out. The attempted point after failed. Palmer made an offside kick which Hudson recovered for Greenbelt. Taking the ball from midfield in another drive, Greenbelt carried to the 15 yard line - where Greenbelt fumbled and the ball was recovered by Landover and with time running out they held the ball the rest of the way. Landover 13 - Greenbelt 6.

There will be no game on Saturday as the 85-pounders have a postponement. On Sunday at 2 p.m. - Braden field - the 100-pounders take on a strong Cheverly eleven. The Greenbelt boys are coming along fine but are lacking in game experience. With a few games behind them they will be a team to reckon with. They have a strong line and a fast heavy hitting backfield with Vaught, Shegogue, Nickleson, Dorsey and Mickey Johnson. So how about coming down and showing these boys you are behind them?

Recreation Review

by Warren Leddick

Arts & Crafts. The arts and crafts classes are now underway. It is not too late to register. Classes are being held at the North End School on Tuesdays, 3:30 p.m. to 5 p.m., and at Center School on Thursdays, 3:30 p.m. to 5 p.m. Registration fee is \$1.50 to cover the cost of material and supplies.

Bantam Bowling League. Last Saturday registration was held for the Bantam League with 50 boys and girls signing up. The group will bowl for averages for the next two weeks, so anyone wishing to join may do so until Saturday, October 29. The group meets on Saturdays at 10 a.m. at the bowling alley.

Adult dance class registration. An adult ballroom dance class will begin on Wednesday, November 2, at the North End School from 8:30 p.m. to 9:30 p.m. Ten classes will be offered in advanced ballroom steps, such as cha-cha, mambo, and fox trot. Registration will be held at the Recreation Office on Wednesday, November 26, between 7:30 and 8:30 p.m. The registration fee will be \$15.00 for ten sessions.

Babe Ruth League Banquet. On Saturday, October 22, at the Community Church, the Babe Ruth League will hold their Annual Awards Dinner. Guest speaker will be Elton Jackson, baseball coach at the University of Maryland and former professional baseball player. Players may purchase tickets from their team captain for \$1.00. All other tickets are \$1.75.

TWIN PINES OPEN HOUSE

Co-op Insurance and the Kennedy-Nixon TV Debate will be featured at this Friday's Twin Pines Open House. Co-op Coffee will be served throughout the evening, beginning at 7 o'clock.

At 8 p.m. the color movie "Nationwide-1959" will be shown. This film reports on an impressive number of Nationwide Insurance Company achievements, both of the parent insurance companies and of the various affiliated companies. Local Nationwide agent Anthony Madden will be present to answer questions and join in the discussion.

Then at 10 p.m. the group will watch the presidential candidates debate foreign policy issues. The group's own little debate will follow.

Twin Pines cordially invites Greenbelters to drop in for all, or any part of, the evening.

TEEN CLUB NEWS

The regular record hop at the North End School will be held Saturday night. The usual wearing apparel is in order.

A terrific bus trip and hike are lined up for Sunday. The destination is the Skyline Drive. Further information can be obtained from Mrs. Leddick in the Recreation Office. The cost is \$1.50.

A gala costume ball will be held on Saturday, Oct. 29 at the North End School. All teenagers must be in costume. There will be prizes for funniest boy and girl and most original boy and girl. Apple dunking and other original games will be the order of the evening. Cider and donuts are on the house. Only those with costumes will be admitted.

Lanham Area Ads

We are pleased to welcome advertisers from the Lanham, Md. area to the News Review. This area, only 3 miles from Greenbelt, can be reached by driving down Glenn Dale rd. to Telegraph rd. Turn right on Telegraph rd. and proceed to Lanham-Severn rd. where you will find our new advertisers.

Lakewood Organizes Citizens Association

The Lakewood homeowners have formed themselves into the Lakewood Citizens Association following a drive in which 75 percent of the property owners joined the organization. The purpose of the group, according to a letter issued by Richard Pilsky, acting president, is to "provide Lakewood citizens with a means to participate collectively in community affairs, thus enabling Lakewood to make a greater contribution to the social and civic activities of our community."

The temporary executive committee of the Association will meet tonight (Thursday). The meeting will determine the final results of the membership drive and to decide the date and agenda for the first general membership meeting to be held within the next few weeks.

City, County UGF Drive Behind Quota

Both the city and the county campaign for the United Givers Fund are well behind quotas, the latest UGF report indicates. The total amount collected locally to date is \$195, with a goal of \$684 to be achieved. The county total so far is \$4,164 or 133.4 percent of the \$31,000 goal. The drive ends Oct. 24.

The city drive is sponsored by the Greenbelt Woman's Club on a "pay where you work" basis. Last year Greenbelt overpledged its goal and received an award. The goal this year is to make at least 100 percent. Those who have not yet been contacted by UGF workers are asked to call GR. 4-4482.

Jaycees to Sponsor Free Food Bonanza

The Greenbelt Junior Chamber of Commerce is going to sponsor a one night food bonanza in the Co-op Store. The winning ticket for this affair will be drawn on Tuesday, Nov. 15 at 8 p.m. at the Co-op store.

The winner will have 10 minutes in the Co-op store on Friday, Nov. 18 at 8 p.m. to put as much food as he can into a shopping cart and carry in his arms. The rules will be as follows: 3 minutes at the meat counter, 3 minutes at the produce department and 3 minutes at groceries. Cigarettes are excluded. Members of the Local Jaycees will be distributing tickets in the Center and door to door for your convenience.

Lions Visit New School

The Lions Club will visit the new Duval High School on Glenn Dale Road for their next regularly scheduled meeting on Monday, Oct. 24. Dinner will be served in the school cafeteria.

Carmen Fognana, the principal, will describe the school program and conduct a tour through the building.

All Lion members will meet at the Community church at 6:30 p.m. for a motorcade to the school.

New Library Building

The city will examine probable sites for a new library building. When chosen, the site will be offered to the county for such a building, if the county decides to build one in Greenbelt. The city council, disturbed by the inadequate size of present library facilities in the Center School, is hopeful that its offer of land to the county will encourage the county commissioners to appropriate funds for a new building. A report by the Maryland-National Capital Park and Planning Commission recommends a new library building to be built in Greenbelt.

City to Borrow \$200,000 from Bank To Complete Municipal Buildings

By Isadore Parker

The city will borrow \$200,000 from the Suburban Trust Company for a period of 15 years at three and one-quarter percent interest payable semi-annually, it was indicated by the city council when it approved an ordinance for first reading last Monday night. The purpose of the loan is to complete the building program embarked on last year and nearly two-thirds complete with the imminent dedication of the new fire department building and the youth center. A third building, the city administration offices is still in the planning stage. The major portion of funds for the first two buildings came from the sale of the Center elementary school to the county.

City Planning Board Appointed by Council

Appointments to the seven-man city planning commission were completed by the city council at a special meeting that lasted until 1:30, Wednesday morning. The new commission will make the first organized attempt to plan and guide the future growth and development of the Greenbelt community.

In order to stagger the terms of office, three men were appointed for three year terms, two for two-year terms, and two for one-year terms. Serving for three years on the commission are John F. Downs of 3-H Crescent, Harvey Geller of 117 Northway, and Clayton Werner of 4-Y Laurel Hill. Two-year terms went to Elliott Bukzin of 6-N Ridge and Eli Crupain of 6-K Ridge. Appointed for one year terms were Clifford Simonson of 8-C Ridge and Lewis Bernstein of 123 Northway. The planning commission will meet in the near future to elect its chairman.

Anti-Loitering Law Dissatisfies Council

The city council voted unanimously against an anti-loitering ordinance last Monday night. Dissatisfaction with the working of the ordinance and its failure to carry out the intent of the council was indicated as the reason for its failure to pass.

One councilman stated: "We are trying to pass a curfew law without calling it a curfew law." The ordinance called for a warning first, and then arrest, of anyone loitering in the Center area after 10 p.m. It was felt loitering was ill-defined, and mannerly citizens resting in the evening would be imposed upon by the ordinance.

The new city solicitor, Jerrold Powers, will assist in drafting a new ordinance using as a guide the anti-loitering ordinance of the District of Columbia and Fairfax county.

Parade and Painting Contest on Halloween

All city-sponsored Hallowe'en activity will be held on Hallowe'en day, Monday, October 31, in the Center. A window painting contest will begin at 4 p.m. in the afternoon, with the judging to take place at 5 p.m. This contest is open to all elementary school students. Rules are listed:

1. Register at the Recreation Office on Saturday, October 29, between 9 and 12 a.m.
2. Only water colors may be used and must be pastel colors.
3. Pictures must have a Hallowe'en theme.
4. No black paint can be used.
5. Prizes will be awarded to the first five places.
6. Judging will be based on artistic ability, originality, and colors.

A Gala Costume Parade will be held at 6 p.m. The parade will start at the statue and proceed in and around the Center. Prizes will be awarded for the prettiest, funniest, and most original costume in the following age groups: 0-4, 5-7, 8-12.

TRICK OR TREAT NIGHT WILL BE SATURDAY, OCTOBER 29, 6:30 to 8 p.m.

RUMMAGE SALE

The Women's Group of the Jewish Community Center of Prince Georges County will be holding a Rummage Sale on Friday, Oct. 28 in front of the Greenbelt Theatre between the hours of 10 a.m. and 5 p.m. Clothes for all seasons will be on sale.

Citizen approval of the long-term loan was indicated through a referendum last September, which permitted either a municipal bond issue or long term bank loans. The latter method was chosen by the council as the most economical after an investigation of the bond market. The loan will be repaid in yearly instalments of \$13,333.

To qualify for the loan the city manager, Charles McDonald, was authorized to prepare a certified statement showing the assessed value of real property owned by the city, the city charter reference to Statutory Debt limits, a legal opinion from the city solicitor as to the issuance of certificates of indebtedness, and a certificate of "no-litigation" at present in which the city is involved. The ordinance also forbids the use of the money for other than expenditures in connection with the construction service equipment and site improvements of the new municipal building, fire department and youth center building.

Final passage and discussion of the ordinance will take place at the next regular meeting of the city council, November 7.

Danny Kaye Film Here United Nations Week

Thursday and Friday, October 27 and 28, the very popular Danny Kaye film, "Assignment Children," with color and sound, will be shown in Greenbelt. The film shows the reaction of children the world over to the remarkable Danny Kaye, who travelled 25,000 miles in behalf of UNICEF. It is scheduled for showings at North End School on Thursday and Center School on Friday. The public is invited to see it at Twin Pines Friday evening.

October 24, 1960 has been proclaimed as United Nations Day by Mayor Alan Kistler. Councilman Bowman, appointed chairman by the mayor, has announced widespread activities throughout United Nations Week, October 23-29.

Greenbelt citizens are invited to view the window display at Twin Pines Savings and Loan Association. Inside will be additional materials on the United Nations organization and its accomplishments available for inspection and distribution. A lapel pin will be given to each person, young or old, who signs a pledge sheet which proclaims "We Believe in the UN."

A teacher's kit, including plays for school age children, will be made available to any teacher who indicates an interest after inspecting its contents. Twin Pines will also provide free to each Greenbelt elementary school teacher who will use and display it a set of two posters showing the colorful flags of the UN and the organizational structure. The posters may be seen and ordered at the office.

The Maryland Congress of Parents and Teachers, through the International Relations Committee, is providing display materials.

Lakewood Back Taxes

Residents of the Lakewood development were notified this week by the Interstate Building association that they may place the money owed for back taxes on their mortgage, to be paid off on a long term basis, it was disclosed this week. The option was granted following disclosure last month that many Lakewood home owners were surprised by a sudden boost in their monthly payments due to the failure to include back taxes and present taxes in their monthly charges.

Candidates Agree

In the heat of the political campaign it is gratifying to see that both candidates have, in observance of International Credit Union Day, given recognition to the work that Credit Unions are doing. We quote from letters to credit unions by the candidates: Vice President Nixon - "By promoting thrift, offering low-cost lending services and increasing financial responsibility, credit unions have played an important role in helping millions of American families to realize a better standard of living;" Senator Kennedy - "Credit Unions are organizations through which the people apply the best principles of democracy to their own need... mutual self-help groups, where the members solve their needs for credit by working together for the common good of the group as a whole."

We also take this opportunity to congratulate our own credit union here in Greenbelt for the outstanding service it has performed over the years, and offer our best wishes for its continued success.

RESOLUTION

Proclaiming International Credit Union Day
In Greenbelt, Maryland
October 20, 1960

WHEREAS, Mr. Benjamin Rosenzweig, President of the Greenbelt Federal Credit Union, and Mr. Joseph D. Comproni, Treasurer, have called to the attention of the City Council that the day of October 20, 1960, is generally being celebrated throughout the United States, Canada, and the remainder of the free world, as International Credit Union Day, during which members of the Credit Unions are honored, and

WHEREAS, The Council believes that our Greenbelt Community has just reason to be proud of our splendid local Credit Union which has worked so efficiently in and for the benefit of our Community for the past 23 years and which is unquestionably a factor in the City's financial standing and progress, and

WHEREAS, The Council considers it fitting and proper that public cognizance be taken of this fine group, during the 26th Anniversary year of the Federal Credit Unions, now therefore,

BE IT RESOLVED, By the Council of the City of Greenbelt, Maryland, that the Council go on record as endorsing the International Credit Union program wholeheartedly, and that it proclaim the Day of October 20, 1960 as International Credit Union Day in Greenbelt, and

BE IT FURTHER RESOLVED, That the Council express its appreciation to the men and women who have worked so diligently in the interest of the Credit Union and the development of our City, and wish them continued success in the future.

PASSED by the Council of the City of Greenbelt, Maryland at regular meeting,

Alan Kistler
Mayor

African Missionary To Speak Here Sunday

Miss Florence C. Malcolm, a Congregational Christian educational missionary for more than 30 years among the Ovimbundu of Angola, Portuguese West Africa, will speak in Greenbelt Community Church this Sunday, Oct. 23 at both the 9 and 11 a.m. Services.

Since there is no public school system in that part of Africa, the only schools available to the Africans are those organized and directed by the Christian mission stations. As the director for many years of the Ida E. Swanson Memorial School in Chilesso, Miss Malcolm has assisted the 150,000 people of the Chilesso district in establishing and developing their own self-supporting Christian schools.

Youth Group Invites Foreign Students

The high school Pilgrim Fellowship of the Greenbelt Community Church demonstrated a practical method for better international understanding on Sunday, October 16. Largely through the efforts of the youth themselves, under the leadership of Barbara Brubaker, Action Commission Chairman (and with some help of adult drivers) thirteen foreign students at the University of Maryland were taken for an afternoon of sightseeing in Washington and Greenbelt, then to the church for a sociable pot-luck supper featuring foreign dishes prepared by the rest of the members.

Introduction of each student guest was followed by lively questions, informative answers and discussion. New interest and understanding was developed among both guests and hosts, who agreed unanimously that more activities of this sort would be welcomed by all.

Individuals or groups may participate in activities of this nature by calling the Foreign Student Service Council of Greater Washington at DI 7-2620 (HO 2-2160 after November 15). Of greater convenience for Greenbelters would be activities involving some of more than 400 foreign students at the University of Maryland. Call Professor Furman Bridgers, foreign student adviser, at WA 7-3800.

Methodist Church News

This Sunday, October 23, the Mowatt Memorial Methodist Church will observe Laymen's Sunday under the leadership of Walter Bullard, Church Lay Leader. The service will be conducted by the laymen to demonstrate importance of laymen in the life of the Church.

This coming Friday evening, the Youth Fellowship will sponsor a Hoe-Down in the Church building for the adults of the Church at 8 p.m. There will be a nominal fee. The Church School hour for the Junior Department has changed the beginning time for Sunday School to 9:15, an advance of fifteen minutes beginning this Sunday.

The Education for Childbirth classes sponsored by the Methodist Church and the International Childbirth Foundation still have vacancies open for the beginning class this fall. Call Mrs. Hillebrand at GR 4-9445 for registration.

BAPTIST CHURCH

The Greenbelt Baptist Church will begin its stewardship emphasis on Sunday, Oct. 23. Dr. James T. McCarl, chairman, has selected various members from the church to serve with him on the Stewardship Committee. Dr. Floyd B. Harrison is chairman of the Budget Planning Committee, Marion T. Alexander serves as chairman of Budget Promotion Committee, and the Budget Pledging Committee has as its chairman David Morgan.

IT'S LITTLE!

IT'S LOVELY!

IT LIGHTS!

new Princess phone!

Thrifty in space but rich in beauty, the new Princess extension phone is styled to grace any room in your home.

On table or shelf, your new Princess phone fits in an area hardly larger than your hand.

And it's as practical as it is pretty. Your Princess phone's receiver is so light it fairly floats as you hold it.

At night, or any time the light is dim, the dial glows softly. Lift the receiver and the dial lights up!

You'll find that the modern, flowing lines of your new Princess phone harmonize with the decor of any room in your home.

And you can choose your Princess in white, beige, pink, blue, or turquoise.

All of this is yours at a surprisingly low cost. After a nominal one-time charge you can have a Princess phone in your home for only a small monthly cost.

Call your C & P Business Office for your new Princess phone today!

The Chesapeake & Potomac Telephone Company

See the back cover of your NEW Telephone Directory for news about the Princess phone!
