CITIZENSHIP DAY — CONSTITUTION DAY CHAIRMAN AMERICANISM COMMITTEE THE AMERICAN LEGION

By Joint Resolution (Public Law 261) of the Eighty-second Congress of the United States of America (Second Session), approved February 29, 1952, September 17 of each year designated as "CITIZENSHIP DAY" in commemoration of the formation and signing on September 17, 1787, of the Constitution of the United States of America and in recognition of all who, by coming of age or by naturalization, have attained the full status of citizenship. By this Resolution, the Joint Resolution creating "I AM AN AMERICAN CITIZEN DAY," approved May 3, 1940, was repealed and joined with "CONSTITUTION DAY" to make for one observance on September 17 of each year.

The major objectives of CITIZENSHIP AND CONSTITUTION DAY are: To prepare young people becoming of age and naturalized citizens to accept the responsibilities of citizenship, and to acquaint them with the rights and privileges, the duties and obligations of citizenship, and to further the observance of the anniversary of the completion of the Constitution and to encourage an adequate appreciation of its importance.

Each year during the week of September 17th, the observance of National Constitution Week plays an important part in the education phase of the National Americanism program of the American Legion. The fundamental precepts on which The American Legion was founded include an individual obligation to uphold and defend the Constitution of the United States and to safeguard and transmit to posterity the principles of justice, freedom and democracy.

The Constitution is a living document, a basic charter protecting every American which has, since its adoption more than 160 years ago, served as the beacon light of free men. We the American citizen should always be constantly on the alert. Foes of our form of government, foes of liberty within and without our country around the world, are continuously making insidious attacks on the fundamental principles embodied in the Constitution.

We, the American citizen, should hold the deepest respect for every fundamental principle expressed in the Constitution, and it is our responsibility to instill these basic American concepts in the minds and hearts of the youth of the nation, and to join in building better citizenship through an increased interest in the Constitution of the United States.

Register Your Bike

In an effort to reduce the number of bicycle thefts, the Police Department will endeavor to have all bicycles registered by October 1, 1958. After that date, any bicycle without a license will be impounded until a license is obtained.

The three grade schools are cooperating in this effort by allowing bikes to be registered on a given day next week. The schedule will be as follows:

Center School - Wed., Sept. 24.
St. Hugh's School-Thurs., Sept. 25
North End School-Fri., Sept. 26.
Students are asked to take their bikes to school, whether they are registered or not. Those that are registered will be inspected and the license securely attached if it is loose. New licenses should be obtained if the old one is illegible. The cost of the license is twenty-five cents (.25c).

Other bicycles may be registered on Saturday mornings from 10 a.m. to 12 noon at the firehouse.

CHEST X-RAY

Chest X-ray Mobile Unit will be stationed in the Greenbelt Center on Sept. 26 from 1 p.m. to 8 p.m., and on Sept. 27 from 10 a.m. to 5 p.m.

Touch Football League Forming:

All men interested in a touch football league to start in October contact the Recreation Department on GR. 3-2011. Leave your name and address. This will be the last notice. One meeting has been held to organize the league. Teams entered to date are St. Hugh's, Lions Club, Met. Police and Youth Center.

RETARDED CHILDREN

The first meeting of the Fall season of the Prince Georges County Association for Retarded Children, Inc., will be held on Wednesday, Sept. 24, at 8 p.m. at Calvert Homes School, Calvert Court.

ADULT EDUCATION

Registration for the adult education program at High Point High School will be held from 7 to 9 p.m., Monday, Sept. 22.

Classes in sewing, woodworking, typing, shorthand, and art will be offered. A \$5 registration will be charged.

Persons unable to register in person may telephone Mr. Zinn at the school during the hours mentioned above.

Greenbelt Homes, Inc.

Model frame homes, 3-E Laurel, 3-F Laurel, 3-G Laurel and 3-H Laurel Hill Road, will be open for inspection by the public Saturday and Sunday, Sept. 20-21, between hours of 12 noon and 6 p.m.

All applications will be accepted at GHI Sales Office, Hamilton pl., Friday, Sept. 19 during regular office hours of 8:30 a.m. to 5 p.m. as well as week of Sept. 22 through Sept. 26. During the weekend of the 20th and 21st, the office hours are 10 a.m. to 6 p.m.

Price of houses—\$7,000.00 for end units; \$6,500.00 for middle units. 13% is minimum required downpayment plus \$30.00 membership fee for non-members. All, or

any additional part of price can be paid with reduction or elimination of monthly charge for interest and amortization. Later payments can be made on first of any month in sums of not less than \$500.00. Reduction will then be effective in the following month's payment.

It is estimated the monthly charges will be \$79.25 on the end units and \$75.25 for the middle ones.

Services furnished by the Corporation will be the same as provided for other houses.

Prior consideration will be given to GHI members who may be interested in purchasing one of these homes.

Remodeled North End Homes on Sale, Buyers -- First Come, First Served

By Al Skolnik

First come will be first served. That is the policy set down by Greenbelt Homes, Inc. with respect to the sale of the 4 renovated 2-bedroom units in the North End property. With the board of directors concurring, GHI manager John O. Walker announced at last Thursday's meeting that registration for the homes will begin Friday, September 19 and continue for a week. There will be no acceptance of telephone registrations. The remodeled homes will be open for inspection the weekend of September 20-21.

First preference will be given to GHI members in order of registration, Walker said. "As with any sale, the corporation will need to get a financial and credit report on prospective buyers so as to make certain they can meet the monthly charges," Walker continued. Monthly charges, it is estimated, will come to \$82 for the \$7,000-priced end units and \$77 for the \$6,500-priced middle units. A 13-percent down payment (including 3 percent for working capital) will be asked, amounting to \$910 and \$845, respectively. However, Walker added, since GHI will carry the mortgage, alternative arrangements can be worked out which may include provisions for a larger down payment or for acceleration of the amortization payments.

A purchaser of one of the units, like any other GHI member, will receive a perpetual lease to the property. He will be entitled to the same services and be subject to the same rules of the corporation as any other member.

Some discussion followed on the procedures to be used in facilitating the exchange of housing for purchasers of the renovated units. Under the rules of the co-op, no member can own two homes. Since the corporation is anxious to get the remodeled units occupied as soon as possible, the question arose as to how much time should be granted purchasers to sell their old units. A 30-day time limit was suggested with the possibility that the co-op might purchase the old home if the price were reasonable. It was decided that this matter could best be handled on an individual basis by management.

Our Neighbors

By Elaine Skolnik, GR. 4-6060

BISHOP SEWING CLASSES

Starting Friday, Oct. 3, the beginners sewing classes in the Bishop method will be held at the Mowatt Memorial Methodist Church, 40 Ridge. There are still a few openings in both the morning and afternoon classes. Those interested will please register as soon as possible with either Mrs. Dorothea Wisman, 112 Northway, GR. 4-6480, or Mrs. Betty Cormack, 35-H Ridge, GR. 3-2883. The fee for the entire course will be \$6 for 14 weeks, under the sponsorship of the Prince Georges County Board of Adult Education.

There are still a few vacancies in the tailoring class to be held on Saturday at the Center School cafeteria.

White House Painter Stumps TV Panelists

By Elaine Skolnik

Joseph Karitas, 2-D Southway, stumped the panel experts—Dorothy Kilgallen, Arlene Francis, John Payne, and Bennett Cerf—on TV's popular "What's My Line?" last Sunday night. Karitas' occupation, Chief Painter for the White House, proved too much for the panel. They managed to identify him as a government worker, but that was as far as they got. When the cards finished flipping, Karitas was \$50 richer.

Mr. and Mrs. Karitas flew by Viscount to New York City on Saturday. They stayed at the Victoria Hotel and were given the red carpet treatment. The hotel caters to theatrical folks.

After the panel gave up, Karitas was asked if he ever encountered Mrs. Eisenhower. "Oh, yes," he replied, "couldn't get along without her. She has such a marvelous color sense." According to Karitas, Mrs. Eisenhower watched the program and sent him a message on his return stating that she was very pleased to see and hear "Joe." Karitas says that our first lady loves people and is warm in her relations with others.

Following the program, Karitas was stopped by people on the street with, "Oh, you're that fellow who appeared on 'What's My Line?'" He has since received telephone calls and letters from people from different parts of the country congratulating and wishing him well.

Of the people he met in N. Y. Karitas says, "They teated us wonderfully." John Daly and the panel members were most cordial. Ed Sullivan congratulated him.

Karitas, a resident of Greenbelt for 16 years, has four children. For fourteen years he has been on the White House job. Many of the White House's invaluable art objects, paintings, and furniture have been carefully worked on by his skilled hands. Karitas is known as "the man who keeps the White House white."

Kasko-Myrick

Mr. and Mrs. Paul R. Kasko announce the marriage of their daughter Judith Mary to Thomas Allen Myrick of Berwyn on Sept. 10.

The bride, a graduate of High Point High School, is now employed at the National Library of Medicine. The groom, a graduate of Northwestern High School, is attending Southern College in Lakeland, Fla.

Temple-Black

Miss Lynne Marie Temple, daughter of Mr. and Mrs. Robert G. Temple, 13-D Ridge, was married on Sept. 6 to William Raymond Black, son of Mr. and Mrs. Franklin L. Black of Mt. Rainier.

The Reverend Victor J. Dowgiallo officiated at the wedding, which was held in St. Hugh's Catholic Church.

The bride was attended by her sister, Mrs. Joan Kosisky, as matron of honor, and Miss Nancy Gaylor as bridesmaid.

The best man was Joseph Murphy. The ushers were Martin Gallagher and Maurice Alsop, Jr.

Following the ceremony a reception was held at the hall of the Knights of Columbus, Prince Georges Council, College Park. After a wedding trip to Lake George, N. Y., the couple will reside in Greenbelt.
