## Garden Tour Planned

The Greenbelt Garden Club is sponsoring an "open house" tour of Greenbelt yards and gardens from 1 to 5 p.m., Sunday, June 21. The public will be invited to visit the gardens of those who volunteer to act as hosts or hostesses on that day.

Gardeners in Greenbelt Homes, Lakeside, Woodland, Parkbelt, and Lakewood are urged to communicate with Bruce Bowman (14-Z-3 Laurel Hill, 6468) by Sunday, June 14, to be included in a published list of yards and gardens to be visited.

This is not to be considered a competition within or between sections or developments, but rather an informal exchange of ideas as to what has been done and what can be done with lawns, yards, foundation plantings, gardens, patios, or other outdoor improvements.

Joint efforts of neighbors or courts would be listed as well as projects as yet incomplete but developed sufficiently to demonstrate an idea.

A large group will not visit each garden en masse on a conducted tour but, rather, individuals, families or small parties will visit the locations they choose to see throughout the afternoon. This is in no way to be confined to Garden Club members—neither the visited nor the visitors. The organization is interested in spreading some of the many ideas they know exist throughout, and for the benefit of, the community.

## Summer Band Program

A meeting of parents and children who have expressed interest in the summer band program will be held on Monday evening, June 15, at 8:15 p.m. at the Center School Auditorium.

So far, 16 young people have indicated interest in learning to play a band instrument. Instructions will be given by the Greenbelt Band Director, Don Smith, one session for each group of instrumentalists per week. The tuition for group instruction will be \$1 weekly. The summer band program will give parent and child an opportunity to decide from experience which instrument and musical education is desirable.

Children now in the fourth, fifth, sixth, and seventh grades are invited to participate in this musical experience. If interested, contact 6135.

## Nicholson and Gaffney Win In Bicycle Rodeo

The Bicycle Rodeo held last Saturday at the Center School was considered a very successful event by those who helped conduct the contest, and especially by Donald Nicholson and Maureen Gaffney who won the boy and girl championships, respectively.

Twenty boys and ten girls between the ages of 5 and 12 years turned out for the rodeo, along with their parents and friends supporting them.

The boys division was an extremely close contest in which three boys tied for first place. After having the three boys repeat the riding tests, the judges announced Donald Nicholson as the champion, Mickey Johnson second place and Martin Haker third place winner.

The girls division was also a good contest, with the championship being won by Maureen Gaffney, second place by Adrienne Cornett, and third place by Ellen Harman. Trophies sponsored by the Greenbelt Methodist Church were awarded to the winners. Safety stickers sponsored by the Greenbelt Lions Club were placed on all bikes entered after they had passed a safety inspection by the judges.

## Children's Day Honored At Community Church

Children's Day will be observed in Community Church this Sunday, June 14, at the 11 a.m. service. There will be no regular sessions of Church School except the Nursery. The purpose of inviting the children to the place of worship to participate in a Service of Worship is to recognize children as growing Christians and as members of the Church's fellowship. It also provides children the opportunity to worship with adults in a meaningful way.

The regular Morning Worship at 9 a.m. will be held, with the Rev. Donald MacKenzie preaching on the topic "Judgment Day."

At seven o'clock in the evening the Chancel Choir will give its Eighth Annual Choir Festival in the form of Choral Evensong. "The Pharisee and the Publican" by Heinrich Schuetz (1585-1672) will be sung as the evening lesson, and Searl Wright's "The Prayer of St. Francis" (1952) will be sung as the evening prayer. The anthem will be David Mck. Williams' "In the year that King Uzziah died." (1939) This Service will be a rather formal type of worship, using the new Pilgrim Hymnal, and worshipping God through music.

Immediately following, ice cream and cake will be available on the lawn, at a small cost, sponsored by the Parish Life Committee of the Board of Deacons. Everyone is most cordially invited.

## Motorists Warned To Re-Register Licenses

Commissioner of Motor Vehicles John R. Jewell is issuing a final reminder to all motorists whose last names begin with H, I, J, or K, and who have not re-registered their driving licenses. They are again reminded that their present licenses expire on June 30, and that applications for re-registration will not be accepted after that date. An examination and the regular fee of \$3.50 will then be required.

If an application has not been received, by anyone in the above group, or the one sent has been lost or destroyed, notify the department in writing at once, giving your full name, correct address and number of your present driving license. Please bear in mind that all applications must be returned to the department before June 30.

## Dog Owners Warned

Police Chief Jim Williams has announced that his force will start cracking down on owners of dogs who let their pets run loose. A city ordinance is already on the books prohibiting this and requiring all dogs to be on leash and under the control of responsible persons.

Chief Williams said that the slow but steady increase in the number of dogs in the community has made it necessary to enforce this regulation strictly. Dog owners who fail to obey the ordinance will be charged by the police.

The police chief also stated that the police will start to pay more attention to residents who leave trash by the side of the road, even if it has been placed there to be picked up by the city pickup trash service. There is a city ordinance against littering the side of the road. Residents are urged to leave their trash in their yards for pickup by the city. Violations may also lead to prosecution by the police.

## Baptist Choirs Sing At Evening Services

The four choirs of the Greenbelt Baptist Church will present a summer musical concert on Sunday, June 14, during the 7 p.m. evening worship service.

The youngest choir, Cherub Choir, for children whose ages range from five through eight will sing, "Can a Little Child Like Me?" The Carol Choir, age nine through twelve, have chosen, "Jesus, Friend of Little Children." The Concord Choir composed of junior high school students, will render, "Sweeter as the Years Go By." "Praise the Lord O Jerusalem" is the title for the adult Church choir selection. The combined choir will sing, "Praise to the Lord, the Almighty." A devotional message, based on Psalm 84, will be given by the pastor, the Rev. Glenn W. Samuelson.

Preparations are being made for the first Vacation Bible School to be held in the new church building. It will last for ten days, June 22 to July 2. There will be opportunities for learning, recreation and refreshments. Children whose ages are three through twelve are invited to attend this school from 9 a.m. to 12 noon. Bus transportation will be provided, and there will be no charge made for registration.

## REGISTER TO VOTE

It isn't too early to register to vote in the City Council election on September 15, if you are not already registered.

You must be 21 years of age and a resident of Greenbelt for 6 months and a resident of Maryland for twelve months preceding the date of election. The last day to register is August 16.

Anyone eligible may register at the City Clerk's office between the hours of 8:30 a.m. and 4 p.m. Monday through Friday.

## Refusal of Center School Site For Festival Raises Fiery Charges

by Isadore Parker

The site of the Labor Day Festival remained in doubt, when the board of education turned down a request to use the Center school grounds for its annual money-raising affair. According to Eli DonBullion, chairman of the Festival, blame for the refusal rest on city manager Charles McDonald, he informed the city council last Monday night. DonBullion's remarks were supported by Beverly Fonla, chairman of the Youth Center Advisory Board.

## 3 Additional Police Officers Recommended

Three more police officers need to be added to the present public safety staff, city manager Charles McDonald and Police Chief Jim Williams recommended in a special report to the city council last Monday night. Also the re-institution of a phone operator during the midnight hours was urged. The report stated that present records do not indicate a need for augmenting the police staff during the midnight shift, but the manager and chief agreed that the additional police officers are required to make police enforcement more efficient during weekends. Past experience has shown that part-time officers are not economical or practical.

Before making a decision, the council decided to meet next Monday night with all the police officers to determine their views on the subject. The meeting will be held in executive session.

## Council Votes \$500 For Fireworks Display

The city council appropriated \$500 towards the purchase of fireworks for the Independence Day celebration to be conducted by the Greenbelt Volunteer Fire Department and Rescue Squad. The council expressed its understanding that the volunteer group will add another \$300, as it has done in the past.

Lone dissenter was councilman Alan Kistler, who asked that his patriotism not be put in doubt by his objection, but he "would rather see the money used for something more tangible." Tom Canning, mayor, said the sum was well spent, since it was an annual event that kept Greenbelt at home and off the roads during the holiday, and its proportionate expense was small considering the number of people involved.

The fireworks will be shot off near Braden Field.

## To Lease Firehouse

The city council went on record last night as favoring a lease arrangement with the Greenbelt Fire Department and Rescue Squad, Inc., after the proposed \$125,000 fire department building is constructed. The decision was made at a special meeting called for the purpose of hearing the views of the volunteer group.

Earl Thomas, member of the board of trustees of the GVFD & RS, beseeched the council for an outright deed to the building, claiming it would assist his group in improving its service with added equipment and building additions, if the new home could be used as security. Mayor Tom Canning agreed, but councilman Ben Goldfaden declared that the citizens should have the final word in a transaction of this proportions. City manager Charles McDonald questioned the authority of a council to deed expensive property belonging to the citizens and disclose that there was no need for excessive restrictions or control in a lease.

With councilmen Stan Edwards and James Smith absent, the remaining council voted to favor a 25 year lease at a nominal sum, with lease provisions to be worked out between the two groups at later time.

The special meeting was called after discussion last Monday night over "lease or deed" reached an impasse. Councilman James Smith strongly favored the lease, with Canning arguing for the outright deed.

A petition for use of the school grounds, signed by Miss Hannah Long, principal of the Center School, was presented to the board of education by the Festival officials. After an informal inquiry, the board was told that a hearing was to be held last week. At the hearing, the school board was informed that games of chance and Bingo would not be conducted if it violated regulations. Later in the week, the Festival chairman received a letter stating that the request was denied because of the "possible use of games of chance on school property."

"It was just a subterfuge!" declared DonBullion. "They refused use of the grounds because they had been told by McDonald that the manager was against it, the council and the citizens were against it."

Fonla stated that he learned from Thomas Gwynne, supervisor of school property, that the board felt the community was not in favor of the carnival-type affair, and that McDonald had stated the affair was "nothing but a headache to all concerned for four years."

Councilman James Smith asked for copies of the minutes of a previous meeting which disclosed that the council had directed the city manager to assist and cooperate with the Festival board. McDonald replied that he had not been in touch with the school officials since that directive and had not learned of the school board's decision until after it had been made.

Mayor Tom Canning called the affair a "misunderstanding." The council directed McDonald to set up a personal meeting with the board and city council members to clear up the dispute. It held in abeyance any alternate choice of a Festival site until after the meeting.

## The Siren Blows

By Rita Fisher

Well, seeing as how my own little siren hasn't seen fit to blow its whistle yet, I find myself available to write another column concerning the activities of our volunteer Fire Department and Rescue Squad. (For the uninformed, I'm "expecting" anytime now.)

Since the first of June, our fire fighting equipment has not been used for emergencies. Considering the hot weather, dryness, and weight of the gear the men have to wear, this is a lot to be thankful for.

On the other hand, our ambulance has been in service a few times. Twice recently our men have taken Greenbelters home from the hospital. Another call for help came for transportation to the hospital. Another call for help attack. One more call was from a woman with a back injury. No names need be mentioned since this is a report on the men, not the persons needing help.

The first call of the season from the pool came on Saturday during a Splash Party. A young girl slipped bruised her shoulder, and lost consciousness for a short time. She was taken to her home by the Rescue Squad. Let's hope this is the last emergency call for the season. Be careful, kids.

On Saturday, the Ladies Auxiliary had a very successful bazaar. The men were on hand all day to assist the women in their chores. The cooperation has always been good between the men and women of the FD & RS. If there is any other organization here in Greenbelt where the men and women cooperate in their endeavors as well, I have yet to learn about it. This is first hand knowledge, since my husband is a volunteer and I am a member of the Auxiliary. I have seen the women working like eager beavers when the situation arises that the men are on an extended fire call and are in need of coffee or food. The women always help at the carnivals. I have seen the men unhesitatingly set up chairs and tables when the women hold a luncheon, bake sale, or what-have-you, to raise money.

The Firemen's Carnival is coming up on July 2-4. This should prove as much fun as all the previous carnivals. All volunteer fire and rescue squadmen are reminded at this time to offer their services in running this affair.

Some of our Greenbelters will be leaving for the Annual Firemen's Convention at Ocean City this Saturday. To those who are going, we wish a safe journey and good weather.

## Greenbelt Gun Club

Last Sunday, June 7, the Greenbelt Gun Club was host to the Maryland Rifle League for the third match in a series of four summer rifle meets. Out of 62 competitors 18 were members of the Greenbelt Gun Club, and two of these accounted for all winning awards. Col. Harold Dilley, AAF, won both telescopic events, one with a perfect score of 400. Robert Morgan, age 18, student at High Point High School, won both iron sight events and was the overall winner with a 1583x1600.

The Greenbelt Gun Club start their annual Basic Rifle Training Course on Saturday, June 13, at 9:30 a.m. For further information call Don Kern, GR. 4-7356.

## Greenbelt Nine Wins First Two, 5-0, 3-0

The Greenbelt Intermediate Baseball team got off to a good start by winning their first two games with shut-out pitching. On June 8, Bill Willis and Ken Powell combined in pitching a three hit shutout over Langley Park. The Greenbelt nine scored all of their runs in the first two innings and were never seriously threatened. The final score was 5-0.

Tuesday, June 9, again showed our team in good form, as they played errorless ball while beating Lewisdale, 3-0. Tom Hall led the hitting for the home team getting two hits in three at bats, driving in one run. Bill Willis, again turning in a fine appearance, went all the way, striking out 14 men and only allowing two hits.

### PATROL AWARDS GIVEN

Officer Austin Green presented certificates of merit to the patrol boys and girls at the "graduation" exercises of the Greenbelt Center Elementary school yesterday. He also presented to the outstanding patrol boy and patrol girl a gold trophy. Green was chosen for the honor by the students, who also elected the patrol boy and girl to be honored.

**LIBRARY NOTES**

Summer is just around the corner. Coming with it is the Prince Georges County Memorial Library's Summer Reading Program for children. Even though it's too hot to move in comfort, you can still go to lots of fascinating places by reading books—books from your County Library. All you have to do to have this kind of fun is to go to your nearest Branch Library or Bookmobile, stop, and pick out your own reading material. If you can't find the books you want when you get to the library or Bookmobile, ask the Librarian to help you. She'll be happy to help you plan a summer of reading and visiting people and places while you're sitting in a cool spot reading!
