Requirements to Vote, Run In City Election Sept. 17

Election day for the Greenbelt City Council is just two months away, on September 17, to be exact. All citizens should be aware of the requirements to make them eligible to vote or run for office. Do you know, for example whether you are qualified to vote, or how to nominate the candidate of your choice, or when and where to register?

Here are the regulations for citizen participation in Greenbelt City elections.

Anyone who is eligible to vote in Greenbelt City elections is eligible to run for one of the five seats on the city Council. ELECTION DAY is September 17, 1963; the term of office is two years.

Registration

REGISTRATION DAY for voters is ANY DAY, from 8:30 a.m. to 4 p.m.—just go to the city offices and sign up with the city clerk. If you work during the day and can't register then, wait until special registration days are announced later in the summer. During special registration days the city clerk will sign you up during the evening.

Once you have registered for Greenbelt elections, you need not register again as long as you live here continuously, provided you have voted in at least one of the two previous city elections. If you've never registered here or if you moved out of town and then moved back or if you missed voting in two elections, it will be necessary to register again under the same provisions for eligibility.

Eligibility

To be eligible to vote in Greenbelt council elections you must be a citizen of the United States, at least 21 years of age, must have lived in Greenbelt at least six months and in the State of Maryland at least one year immediately preceding the election. Employees of the U. S. government, residing in Greenbelt are eligible to vote in the city election and run for city council posts, even though they normally vote in another state for state and national elections.

If you — or your candidate — are eligible to vote, here's what must be done to get a place on the ballot for City Councilman:

1-Get at least 39 and not more than 65 qualified registered voters to sign a nomination petition form, or get some from the city clerk; she also has an information form that will be helpful. You may use one sheet of paper or several.

2-Submit the signed petition to her (together with a \$3 filing fee) not earlier than July 19, and not

Break in Median Strip Near Co-op Gas Station Okayed

The City Council has been reconsidering the question of a break in the median strip in front of the Co-op gas station to permit autos to re-enter Greenbelt without a hazardous U-turn at the intersection of Greenbelt Road and Route 193. A letter from the State Roads Commission to Mayor White stated that they have reviewed the possibility of a break in the median strip.

In view of the undesirable U-turn and since the traffic making use of any median break would be predominantly local, the State Roads Commission stated that it is willing to authorize an opening of the median strip opposite the west entrance to the gasoline station. The opening would allow movements only from the gasoline station easterly back to Greenbelt and would not permit left turns by cars moving east desiring to enter the gasoline station.

The estimated cost will be \$750. With the State Roads Commission approval, Council will turn the matter over to G.C.S. If all parties can come to an agreement, the work will begin this summer.

later than August 19th at 5:00 p.m. Only registered voter's signatures are valid, and a voter may sign only ONE nomination petition even though he may vote for five candidates. Therefore, the city clerk will disqualify a voter's signature on the second and all subsequent petitions she receives on which it appears.

This means a voter should think twice before signing a nomination petition for someone he isn't really eager to back; it would make him unable to nominate someone else. This also means that the candidate (or the backers of a candidate) who file their petitions early in the July 19 - August 19th period will have more time in which to get additional signatures to validate the petition.

Married women signers of petitions should use the form Mary Doe, not Mrs. John Doe. The records show them as Mary Doe and if the city clerk doesn't recognize the name in its married form, she may not be able to check and accept it.

3-Within 7 days of filing of a valid petition, the city clerk notifies the candidate. The latter then has 7 days within which to accept the nomination. (In some cases, petitions are circulated without the candidates say-so.) The ballot carries all persons nominated this way. But you can write them in when you vote.

That's all there is to it. On September 17 there will be an election. If five candidates fail to win a majority of the votes cast, there will be a run-off election 7 days later. In the second election there shall be printed on the ballot twice as many names as there are positions to be filled, from the remaining candidates polling, in order, the largest number of votes in the first election. In this election the remaining positions shall be filled by declaring elected the several candidates polling the largest number of votes.

Free Tennis Instruction

Free tennis instruction for boys and girls nine years to 17 years of age, will be offered by the Prince Georges County Recreation Department for seven weeks this summer at the Greenbelt Tennis courts, July 2 through August 16.

Miss Frances Brannon, University of Maryland graduate assistant, will again be in charge of the tennis program. Children will register for the fourteen hours of class instruction at the first class on July 2. Classes will be held at the following times: Tuesdays - 9, 10 and 11 a.m. Thursdays 9, 10 and 11 a.m.

No classes will be held July 4. Those taking classes must wear tennis shoes and bring their own rackets and tennis balls.

Greenbaum Ends Editorship

With this issue of the News Review, Russ Greenbaum leaves the position of editor after completing a six-month tour of duty in that capacity. However, he will continue to serve on the staff, principally as a reporter, and on the editorial board. Pending the availability of a new editor, the editorial board will jointly assume the responsibility for directing the newspaper. The retirement of the editor is in line with News Review policy of rotating staff members in that position.

Boys Protest Premature Anti-loitering Enforcement

A group of about 30 youths showed up at the city council meeting last Monday night to protest that city police were already carrying out the proposed new anti-loitering ordinance, and they asked whether the new law had been passed.

The boys, who turned up in the middle of the meeting but waited patiently for the discussion on the current agenda item to be concluded, stated that the police had started dispersing groups of youths congregating around the Center in the evening. When questioned by council, the boys stated that this had happened frequently since the News Review published the news of the proposed new law.

The youths were informed that this proposed ordinance had only passed its first reading and that the second reading would be at the next regularly scheduled council meeting on July 8. They were further told that any grievances they had should first be brought to the attention of the head of the department, Chief Robert O'Brien in this case, then to City Manager James Giese. If they were still unsatisfied, they could present themselves at the Council meeting, preferably with their parents.

There were others in the group who wished to voice their opinions, but Mayor White reminded the boys that the matter was not on the agenda schedule for that evening and that he would be forced to limit discussion. After fifteen minutes, Mayor White informed the boys that their time was up and that Council had much more to discuss on scheduled agenda items.

The Police Blotter

North End School principal Mrs. Maxine Grimm reported several windows broken at the school last Tuesday where a see-saw was also broken. Another act of vandalism was reported last Tuesday evening when it was found that a rain-spout had been pried loose from the Youth Center building.

Unknown persons were reported to have thrown many pieces of asphalt into the swimming pool last Friday night.

A breaking and entering report was received from the Co-op Service station last Wednesday night. The incident is still under investigation.

Four juveniles were apprehended by police on charges of disturbing the peace and being involved in disorderly conduct.

Two youths were picked up by Park Police last Wednesday afternoon as they were walking down Edmonston Road carrying .22 unregistered rifles. The guns were confiscated and turned over to Greenbelt police, who turned them over to the boys' parents.

One night last week, at 1:45 a.m., the operator of an out-of-town vehicle was arrested and charged with being under the influence of alcohol.

Police Officer Herb Faulconer and a member of the GHI Maintenance crew went to the rescue of a small child locked in a bathroom on Crescent Road.

There was an accident on Crescent Road near the lake early Thursday morning. The vehicle, going too fast missed a curve and crashed into a tree. Two persons were taken to the hospital for treatment. The operator was charged with reckless driving.

A note on the lighter side from the police blotter last week was the inquiry from an individual who wanted to know if he could hunt bullfrogs at the lake. According to the chief, there's no ordinance against it.

Council Okays WMA Bus Service; Franchise Awaits Public Hearing

by Rita Fisher

With no objections raised by the few spectators present, the city council at its "continuation" meeting last Monday night approved the writing of a letter to WMA Transit and a similar letter to the Washington Maryland Transit Commission stating that the services proposed by the WMA bus line were superior to those provided by the city and would benefit the people of Greenbelt. Council also indicated its formal approval and support of WMA's application for the franchise.

The News Review was later informed by a WMA official that the hearing on the WMA application by the WMTC has been postponed from July 2 to an undetermined date due to a protest from D. C. Transit. A public hearing will have to be scheduled by the Transit Commission before a franchise can be granted to WMA. This means that there is little chance that the new bus service will start on July 8 as planned.

Anti-littering Fines

An item added to the agenda was a discussion of the present fines for violating present city anti-littering ordinances. After reviewing these ordinances which have fines ranging from two to ten dollars, Council felt that they might raise the maximum amount. The problem of littering by construction companies in dropping dirt and debris along Lakeside has brought this matter to Council's attention. The Manager has been instructed to review the past ordinances regarding littering, and to merge them into one direct ordinance on the subject.

The subject of elderly tax refunds was discussed. For those wishing a tax refund, council decided that proof could be shown that a tax

ROLLER SKATE RACE WINNER

Donald Nickolson, 2-H Westway, placed second for States (Southern Division) trophy for roller skate racing. On June 15, at Trenton, N. J., Donald was presented a trophy for second highest points for Southern Division. He was also awarded the Silver trophy for the outstanding skater of 1963. Donald will race the Nationals during the week of July 4.

Lloyd Moore Installed

Lloyd L. Moore, who was recently elected District Governor by the Lions Clubs of D. C. and nearby Maryland, was officially installed into office last week at the Lions International Convention in Miami Beach, Florida. Lloyd and his wife Louise were some of over 30,000 Lions and their wives who gathered from all over the world to this, their 46th annual conclave.

refund was granted by the county, elderly persons could receive the same consideration from the city. The city solicitor had advised council that an ordinance should be drawn up and at last night's meeting, city manager James Giese was instructed to do so.

Free Tennis Lessons

Councilman Dick Pilski brought up a flyer, put out by the county recreation department, which listed Greenbelt as one of the places where free tennis instruction would be available. He brought up the point that much money had been put into the construction and maintenance of the courts. Were they to be used by outsiders?

Manager Giese informed the council that the county was providing a free tennis instructor six hours a week. During those six hours, the courts would be open to anyone in the county wishing instruction. If additional instruction is provided by the City of Greenbelt, that time will be exclusively for Greenbelt residents.

Discussion was held concerning voter registration and the filing of petitions for candidates for seats on Council. On odd numbered years, election of city council takes place on the third Tuesday in September. Closing date for the registration of candidates petitions will be on Monday, August 19 at 5 p.m. Nomination papers must be filed not earlier than 60 days nor later than 30 days before election or from July 19 to August 19.

It was revealed at the meeting that the City of Greenbelt has invited the Goddard Space Flight Center to have its boundaries incorporated in the city of Greenbelt. A letter from Harry J. Goett, Director at Goddard, indicated that, since Goddard had always considered itself part of the Greenbelt community, although it was not actually located on Greenbelt land, it would be pleased to be included within the corporate limits of the city of Greenbelt.

Procedure for this action calls for no more than the few letters that passed between Mayor White and Mr. Goett and no other official procedure is necessary.

Recreation Department Announces

4th of July Schedule of Activities

10 AM Horseshoe Tournament

Boys — Men Doubles Singles

Pits Adjacent to Pool — Prizes to winners

10 AM Novelty Swim Meet

Man With a New Broom

It would be difficult not to notice that our new police chief Robert A. O'Brien has entered office with a new broom and has immediately started sweeping vigorously. Although he has been too tactful and polite to say so, it is apparent he is convinced that there is much room for improvement in law enforcement in Greenbelt, particularly in dealing with the perennial juvenile problem. He has made it quite clear, for example, that he intends to enforce rigidly the ban against fireworks, and he is pressing council to pass an anti-loitering ordinance aimed at teenagers congregating in the Center or in other areas at night.

In regard to the proposed law, we can understand the council's mixed feelings about passing such a law. It could be misused to ring down a virtual curfew on teen-agers at night and unnecessarily hamper their movements. We do not believe that this is what is intended, and we feel that the chief and his men would apply the law with discretion and only when circumstances warrant. Certainly the chief should be given a chance to show how he would use such a law which, if abused, can always be repealed or modified by council.

Chief O'Brien has also demonstrated that he is not merely interested in installing a new "get-tough" policy. The car safety checkup which he set up last Sunday with the cooperation of a local service station was an excellent idea. Not only did it enable local motorists to get their cars checked without worrying about getting hooked with an unnecessary repair bill but it is designed to improve safe driving within the city. The number of cars that failed to pass indicates that the car checkup program is needed.

All in all, we believe that the council can already start congratulating itself on its excellent choice for the position of Greenbelt chief of police.

The Perennial Miracle

News Review Editor Russ Greenbaum retires from his post this week, leaving a vacancy on the newspaper staff. At the same time, the resignation of Harry Zubkoff from his post as Treasurer of the Publishing Association also takes effect this week. Despite such personnel shortages, however, the News Review will continue to serve the community, illustrating once again the perennial miracle which characterizes our local newspaper.

These resignations also point up the constant necessity for recruiting new talent to work on the paper. Professional experience is not required since actual work on the staff will provide ample training for anyone who can read and write. Of course, the most crying need is for reporters, but other jobs must also be done, including copy reading, proof reading, layout work, etc. Anybody desiring to participate in a rewarding and worthwhile civic activity should show up at the News Review office at 8:30 any Tuesday evening.

Meanwhile, we trust our readers will bear with us while the paper edits itself for an interim period and while the rest of us on the staff do our best to help fill the void.

Weisel-Eubanks

Mr. and Mrs. Lawrence A. Weisel of 21-D Ridge announce the marriage of their daughter, Elaine Louise, to Robert S. Eubanks, son of Mrs. F. E. Eubanks of 50-B Crescent and the late Mr. William E. Eubanks, on June 22 in the Mowatt Memorial Methodist Church.

The bride wore an empress style white peau de soie chapel length gown with seed pearls and a matching headpiece with a fingertip veil. The maid of honor was Barbara Weisel, sister of the bride, and the best man was David MacKenzie.

The bride is a graduate of Lucy Webb Hayes School of Nursing in Washington, D. C. The groom attends the Capitol Radio Engineering Institute and is on the staff of Gallaudet College.

The couple will honeymoon in the Poconos and will reside in Silver Spring, Maryland.

PRACTICAL TRAINING

QUITO Ecuador — Rural Ecuadorian schools are virtually bare of furnishings. In three high schools, CARE installed carpentry workshops where students learn a future trade by making desks, tables and chairs.

Nine Brownies "Fly Up" In Colorful Ceremony

On June 11, at the Greenbelt Youth Center, nine members of Brownie Troop #1132 participated in a solemn candle board ceremony as they "flew up" from the classification of Brownie to that of full Junior Scout. Mrs. Irene Gzyms, Brownie Leader, conducted the ceremony and was assisted by her Co-Leader, Mrs. Dede Bachtler. Mrs. Anne Lucas, Girl Scout Leader, presented a Girl Scout pin to each Fly-Up Scout.

The FlyUps who received their wings and Girl Scout pins during the ceremony were: Robin Bachtler, Kim Brezina, Janet Goldberg, Ellyn Levine, Elta Truban, Susan Turner, Helen Warner, and Cathy Webb. Each girl in the Troop, including the Fly-Ups, received a one year gold uniform star.

The Troop spent a busy year with a visit to the University of Maryland Farm, making gifts for various occasions, and a picnic at the Calvert Road Park. A number of the Greenbelt Brownies and FlyUps are now attending the Girl Scout Camp on Good Luck Road, and the entire Troop is planning a watermelon party to be held in August.

Ten of 56 Autos Pass Vehicle Safety Check

A total of 56 autos showed up at the American Legion parking lot for Greenbelt's first vehicle safety check last Sunday. Only 10 cars passed inspection.

In the breakdown of figures, there were 37 deficiencies noted and 43 unsafe conditions listed. Of the 56 cars, only 13 were equipped with seat belts.

One of the commonest reasons for vehicles' failing to pass the safety check was faulty or non-functioning turn signals both front and rear. Faulty windshield wipers were also found on the non-approved cars. Many other autos could not pass the test due to faulty brakes, exhaust pipes, and rear lights.

Another vehicle safety check is tentatively scheduled for September.

Summer French Program

The highly successful summer French program is again being offered at the Youth Center by the Foreign Language Association of Greenbelt. The three week course - which is considered to be the equivalent of a full semester of after-school French will run from July 8 to 26, with a second session planned for August 5 to 23. There will be an hour of instruction every day with beginners scheduled at 9 a.m. and advanced at 10 a.m. Children will be permitted to attend in bathing suits on the way to or from swimming lessons. The fee for the 15 hours of instruction is \$15. To register for either session or for information, call Mrs. Harvey Geller, 474-6323.

THANKS

To the Editor: The bereaved Cormack family gratefully acknowledges the prompt and kind service of the Greenbelt Volunteer Rescue Squad during the final illness of our loved one. Appreciation is also rendered to the many kind friends in Greenbelt for their most generous and thoughtful contributions in cards, floral arrangements, and donations to the Prince Georges Eye Bank and the Prevention of Cancer funds, all in loving memory of our beloved husband, Charles.

Mrs. Vilma Cormack

PRAYER ON THE FOURTH

To the Editor:

Greenbelt is known for the unusual and for firsts in many fields. Having a church open for prayer and meditation on the Fourth of July seems to me to be another first for Greenbelt. Mowatt Memorial Methodist Church will be open from 8 a.m. to 12 noon. Prayers may be said by members and all others who desire to do so. Thanksgiving for our freedom and the independence we celebrate on July 4 will be in order. In making the announcement the Rev. Lyle Harper, pastor, stated that we lose sight of the real meaning of July 4 in the wild, reckless and even unlawful so-called celebrating. The cost of our freedom and its value to all people is a proper subject about which God fearing people might well meditate and pray, especially for a lawful, safe, and sane observance.

Through the News Review the Methodist Church invites all other churches and synagogues to try this experiment in prayers and contemplation looking toward fewer highway deaths, no outlawed fireworks, and greater spiritual enrichment.

And so, Mr. Editor, while the bells ring, and the flags wave, let a prayer be said. **Ralph E. Noble**

Visit From Former Resident

Mrs. Marcelyn Meyers, daughter of Mr. and Mrs. James W. Burke, former Greenbelters, is presently in Washington with her two daughters, Janelle and Dawn, who are in the cast of "Sound of Music," now playing at the National Theatre.

The James Burkes lived at 35-D Ridge until 1942. Mrs. Meyers spent last Sunday showing Greenbelt and her former home to her husband and daughters.

Friends of Mrs. Meyers may reach her at the Gramercy Inn Hotel, 1616 Rhode Island Ave., for the duration of the play.

THE GREENBELT COMMUNITY CHURCH

Rev. Kenneth Wyatt, Minister

Young Repubs Back Charter

The Prince Georges Young Republican Club has unanimously gone on record in support of the movement to establish a charter form of Home Rule government in the county.

Action was taken at a club meeting last Thursday at the Lane Manor Community Center in Hyattsville to reaffirm the stand first voted by the club in August, 1961, to "assist and support the establishment of Constitutional Home Rule for Prince Georges County."

The Maryland State Federation of Young Republicans had adopted a similar resolution, recommending charter for all counties, at their annual convention held in Frederick, last month. At that time, the Prince Georges President,

Crafts Guild Planning to Hold "Black and White"

The Arts and Crafts Guild is planning a "black and white" show for the middle of next month, stressing media other than those featured in their recent exhibits. Photography and prints, such as lithographs, woodcuts, lino impressions and the like, will be featured.

In order to plan a well-balanced show, the Guild would like to hear from prospective exhibitors. Contributors are asked to call 474-2948, the chairman of the showing, Bill Collings, after 5 p.m.

The first informal "workshop" of the Guild, an outdoor session at Greenbelt Lake, will take place on Saturday, June 29. Members and prospective members will meet at the lake at 3 p.m. with sketch pads, oils and easels, or whatever material artistic interests dictate. The workshop period will be followed by a picnic supper. Arrangements are highly informal, and since the picnic part of the day is an individual responsibility, it is hoped that members will make the afternoon a family outing.

Norman A. Taylor of Greenbelt, was also elected to the State presidency.

Taylor, along with four other officers of the Prince Georges Young Republican Club have since been elected to the Board of Directors of the Home Rule Charter Committee, the group which will spearhead the local Charter drive in 1964, and all signs point to close cooperation between the two organizations.

Charter was defeated at the polls last November by a margin of slightly more than 300 votes out of more than 40,000 cast. Charterites predict an overwhelming victory in 1964.

IT'S THE LAW

All bicycles owned by residents of the city of Greenbelt and operated within the corporate limits of the city shall be registered and licensed. Applications for such licenses shall be made with the Director of Public Safety.

Ord. 77 Sec. 8.62

No person shall operate a bicycle within the corporate limits of the city of Greenbelt between one half hour after sunset and one half hour before sunrise unless such bicycles shall have a headlamp or light firmly attached to the front of the bicycle giving a clear white light visible not less than 300 feet and a tail-light or suitable reflector on the rear of the bicycle visible at a distance of not less than 200 feet.

Ord. 77 Sec. 8.63

It shall be unlawful to: take or use any bicycle without the permission of the owner, take or operate any bicycle not in good mechanical condition, have more than one person riding on a bicycle at the same time except for a tandem bicycle, remove both hands from handle bars or perform trick riding, fail to keep to right hand side of road and give way to motor vehicles at all times, ride upon any public walk except between 3 a.m. and 7 a.m., operate any bicycle without due regard for the safety of the operator or any other person or vehicle.

Ord. 77 Sec. 8.64

The Director of Public Safety shall have authority to suspend or remove the license tag from any bicycle operated contrary to any provisions of this ordinance for a period of ten days in addition to any other penalties hereafter provided.

Active Season Starts For Lassie League

by Ray Hudson

The first game of the Greenbelt Lassie League season opened up Monday, June 17, matching last year's Champs the Giants and Athletics. The Athletics took the lead right off in the beginning and stayed there: Athletics 9, Giants 6. Home runs - M. Ditman.

The second game pitted the Lions against the Indians, with the Lions winning this one. Lions 15, Indians 4. Home runs K. Fowler and J. Noll.

On Friday in one of the closest games the Lassie League has ever played, the Indians beat the Giants by the score of 4 to 3. M. Moore of the Indians allowed only 5 hits and M. E. Shotigan of the Giants allowed only 7 hits. The second game Friday matched the Lions and Athletics. Although Laura Grego tried to spark the Athletics to a win by starting a 4 run rally, the Athletics fell short by one run. Lions 8, Athletics 7. Homeruns: Peach

Results after one week of play:

	Won	Lost
Lions	2	0
Indians	1	1
Athletics	1	1
Giants	0	2

This year's Lassie League coaches are:

Giants: Effie Chicchetto - J. Boone
Athletics: Nita Hudson - Ruth Miller

Indians: Gayle Kelly
Lions: Marie Stephenson - Clarice Rowe

MUSICAL "CARNIVAL" AT SHADY GROVE

Seek Girl Who Found Watch

Employees Sam Jacobs and Bill Shields of the Greenbelt Post Office are now looking for a little blonde girl who found a wrist watch in the Post Office about two months ago and handed it to them. The watch has not been claimed and the little girl may now claim it for herself. They do not know the child's name.

Greenbelt GCS Group Review Store Problems

Current problems of the local Co-op store were discussed at a meeting of the Greenbelt group of Greenbelt Consumer Services on June 17.

One member noted that comparative shoppers of a homemakers group had found during the past several months that Co-op prices were more than in most competitive stores. Local manager Don Frenor reported that this has now been substantially corrected.

The problem of running out of stock of popular items was raised, and it was revealed that this was primarily due to the failure of the wholesale warehouse to fill as much as 8 percent of the local manager's orders, whereas a 2 percent deficit is considered normal.

The long-standing unsatisfactory record of the variety or non-food department was discussed. It was believed that the use of the Butler Corporation may correct this. GCS President Ben Rosenzweig denied a report that there are plans to give less emphasis to goods tested by Co-op and carrying the Co-op label.

Use of Firearms Restricted By New County Ordinance

An ordinance prohibiting the use of firearms within 1,000 feet of private homes has been adopted by the Prince George's County Commissioners.

At the same time, the ordinance is specifically not applicable in instances where a land owner or tenant is protecting himself or family or protecting his property, livestock or crops from predatory animals.

Commissioner M. Bayne Brooke, who initiated the new law, pointed out that the proposal had been approved by the National Rifle Association.

"We certainly do not intend to limit hunting or recreational shooting of guns in the County," he declared, "but we must have legal authority to prevent hunters, particularly inexperienced youngsters, from firing guns in the vicinity of subdivisions or any private homes in this County."

The ordinance also makes it unlawful to give, sell, rent or loan any firearms to minors under the age of 17, except by parent or guardian of the minor.

Property owners may, of course, fire weapons within 1,000 feet of their own homes, but not within 1,000 feet of a neighbor's home, except in the instances noted above.

The ordinance applies to any firearm, rifle, shotgun, revolver, pistol or air rifle and gas gun or "mechanism designed to expel a projectile through a gun barrel by the action of any explosive, gas compressed air, spring or elastic."

Recreation News

by Richard Stevenson

Calling all women and girls over 16, softball leagues are now forming. Please leave your name, address, and phone number at the swimming pool.

Teenage boys interested in playing softball will meet on Braden Field Sunday, June 30 at 5 p.m.

Beginning Monday, July 1, tennis and archery lessons will be offered free of charge. Children's tennis lessons (8 years and up) will be given at 9 a.m., and adult lessons will begin at 6:30 p.m. on the tennis courts. Archery lessons (8 years and up) will be given at 1 p.m. on McDonald Field.

Dramatics is being offered to teenagers every Monday, Thursday, and Friday from 10 a.m. to 12 noon. Registration will be Monday, July 1, at the Youth Center. Mrs. Walker is the instructor.

If you have a child between the ages of 7 and 12, enroll him in Day Camp now. The camp will endeavor to give the children experience in outdoor living, develop understanding between groups and individuals of varied backgrounds, plus offering fun and adventure. Emphasis will be on Indian folklore, nature, sports, culture and hobbies. Adventure trips and fun trips will be made. Camp will begin Monday, July 8. If you are interested, please leave your name, address and phone number at the Swimming Pool.

Arts and Crafts will begin Monday, July 1, 9 a.m. to 12 noon and 1 p.m. to 4:30 p.m. Cost will be for materials used only.

The Recreation Department is sending out an S. O. S. for some of your own space-taker-upers. These items will be used for Day Camp. If you have any of the following, please send them to the Youth Center. Old tennis rackets, old golf putters, golf balls, cigar boxes, plastic tomato containers, used aluminum pie plates (all sizes), any size bricks, empty salt and oatmeal boxes, plastic soap bottles, and old inner tubes.

IN THIS WORLD ...
