Champion Chairs Long Council Meeting on Variety of Topics

by Rita Fisher

Developer Charles Bresler's properties in Greenbelt were the main topic of discussion at Monday night's meeting of City Council which was chaired by Mayor pro-tem Dave Champion in the absence of Mayor Edgar Smith.

Lot owners from Pinecrest Court, at the end of Lakeside extended inquired as to what would be done in the space remaining between their property and Charlestowne Village.

City manager James Giese explained that the stretch of land was owned partly by Greenbelt, dedicated as parkland by the Federal government. The rest of the property was owned by the developer, Bresler, and it had been promised usage as parkland through a covenant with the city.

Worried because of previous reports of broken covenants by Bresler, the property owners attended the meeting seeking answers. Manager Giese stated that it was his understanding that Bresler plans to continue Lakeside Drive through to Lakecrest. The only plans proposed on any of the land were for a pool to be built for the use of the residents of Charlestowne Village. The citizens of Pinecrest Court appeared upset because the indications were that their homes would face the proposed pool.

Council recommended that the city solicitor be consulted in an effort to have Bresler formally deed the land to the city as parkland

Advisory Planning Board

Harvey Geller reported that the Advisory Planning Board felt that the establishment of a site for housing for the elderly would be an asset for Greenbelt. The site being considered lies on Crescent Road between St. Hugh's Catholic church and the PEPCO station and is owned by Bresler. The present proposal calls for a four-story building with 75 units. After much discussion the matter was tabled. A special meeting with the housing group was set up for Monday, May 10 at 8 p.m.

Bresler has asked for zoning changes to R-30 (garden-type apartments for parcels 1 and 2, the land between Ridge Road and the Balt.-Wash. Parkway. The APB recommended that council notify the MNCPPC that the proposed changes not be approved until the developer clarifies his plans. Council will consider the recommendation at its next meeting and will notify Bresler.

Court Order

At a hearing held two weeks ago, a court order was issued to the Builders of Boxwood, another Bresler development, to finish the grading work and seeding behind Empire Place, the work to be completed within 30 days. The builders were also advised to attempt to get permission from WSSC to construct a sewer.

The chairman of the Recreation Advisory Board has expressed a wish to discuss with Council the Board's role in making recommendations to council. The RAB is interested in finding out how much standing it has in the recommended usage of parkland. It was felt that matters dealing with vandalism, smoking, etc., at the Youth Center not be the concern of that Board. Council set a meeting for Monday May 10 at 9 p.m. to discuss matters with the RAB.

Mayor pro-tem Champion reported that he attended a County Commissioner's meeting to consider rezoning of the property known as the Golden Triangle, for a regional shopping center, land which is currently being cleared of trees

along Greenbelt Road between the Beltway and Kenilworth Avenue. Champion stated that all petitions for rezoning of land on MNCPPC's Plan 13 have been taken under advisement.

Saturday Is Deadline For GHI Candidates

Saturday, May 8, is the last day for filing nominations with the GHI nominations and elections committee for the Greenbelt Homes, Inc. elections. Thereafter, any GHI member wishing to get his name on the ballot must submit a petition signed by at least 10 GHI members. These nominating petitions must be in the hands of GHI temporary secretary Steve Polaschik, 12-D Ridge, or the GHI office, no later than 5 p.m. Wednesday, May 12.

At stake in the elections, which will be held in conjunction with the annual membership meeting on Wednesday and Thursday, May 19 and 20, are five openings on the 9-man board of directors and all seats on the 3-man audit committee. The terms of directors are two-years and of audit committee members one-year.

Eleven members have so far announced their candidacy for the board of directors. The latest are Stephen J. Paddock, 5-B Crescent; Thomas Mitten, 19-K Ridge; Albert Bistany, 23-K Ridge; Jeremy Anderson, 45-J Ridge, and Victor Fisher, 2-H Gardenway. They join the previously announced candidates Charles Schwan, John O'Reilly, Gerald Gough, Norman Weyel, Norman B. Charles, and Donald M. Olverson.

All nominees (including incumbents) are required to signify in writing their willingness to serve. Forms printed in this week's newspaper can be used for that purpose. Biographies must be submitted by Tuesday, if they are to be printed in next week's issue of the News Review.

Proxy forms are available from the GHI office for any member who wishes to vote but will be unable to get to the ballot box. No member may vote more than one proxy. These proxy forms must be turned in to the GHI secretary by midnight, Thursday, May 13.

Members of the nominations committee are chairman George Adams, Andrew Feeney, J. Walsh Barcus, Thomas White, and Richard Gramm.

RETREAT HELD FOR WOMEN

A retreat is scheduled May 7-9 for women of all faiths at the Washington Retreat House, 4000 Harewood Road, N.E. Rev. Raymond Hunt, O.M.L., will conduct the spiritual exercises.

A general retreat for women will also be conducted May 21-23. Rev. James A. Martin, S.J., will be the retreat master.

For reservations or further information call 529-1111.

CFPG and County Officials To Meet

After three weeks of negotiation, a meeting between the Steering Committee of Citizens for a Planned Greenbelt (CFPG) and the County Commissioners has been arranged.

Lloyd Moore, chairman of CFPG, announced that the meeting will take place tomorrow, Friday, May 7, at 10:30 p.m. in the County Service Building at Hyattsville. The meeting will be open to the public and interested citizens are invited to attend.

The purpose of the meeting is to discuss and exchange views with the commissioners on the future development of the Greenbelt area. Specific zoning cases will not be discussed, but items touched upon will include the reasonable rate of growth of Greenbelt, effects on traffic problems, proper balance of home ownership and apartments, allowance for park lands, proper land-use density, etc.

The Steering Committee also discussed its membership drive plans. Although the drive is going forward, volunteers are still needed. Those who may be interested are asked to call 474-6060 or 474-6888.

County Tax Rate Up 11% for '65-66

A budget totaling \$95.4 million for fiscal year 1965-66 was approved last week by the Prince Georges County Commissioners, who also voted an 11 cent real estate tax increase to finance it.

The new real estate tax rate, effective July 1, will be \$2.79 per \$100 assessed valuation. It will cost the average family, in a \$20,000 home, about \$12 more per year.

Although the commissioners cut only \$1.9 million from departmental requests, they avoided a possible 40-cent tax increase chiefly through unexpected increases in State and Federal aid, an increase in the transfer tax, and a rise in the county's assessable tax base, now calculated at \$1,550,000,000.

The new budget reflects an increase of \$14.3 million over last year, with about 70 cents of the tax dollar going into operating costs and debt service for the county school system.

The school operating budget was set at \$53.3 million with another \$8.7 million going for debt reduction on school construction bonds. About \$1.2 million was cut from the original school budget, reflected mainly in elimination of remodeling and landscaping projects. Teachers' salaries and school construction were left intact, according to the commissioners.

break between the recently completed 10-week course under the guidance of Jack Dillinger, and a follow-up series. If enough members are interested, a second class may be formed as well, and prospective students should come and express their desires.

City Budget Proposal for Next Year Calls for Expenditure of \$536,700

by Al Skolnik

A 1965-66 budget calling for expenditures of \$536,700 and a tax rate of \$1.10 per \$100 assessed valuation was submitted to city council on May 3 by city manager James Giese. The current tax rate for calendar year 1964 is \$1.07. The proposed expenditures represent a 10 percent increase over the 1964-65 fiscal year appropriation of \$487,650. The budget must be adopted by June 10.

Since taxes are levied on a calendar-year basis and expenditures estimated on a fiscal-year basis, the tax rate lags behind expenditures by six months. Thus, the 1964 tax rate (\$1.07) applies to the first half of the 1964-65 expenditure budget and the 1965 rate applies half to the 1964-65 fiscal year and half to the 1965-66 fiscal year.

According to Giese, the \$1.07 tax rate must be increased by 3 cents for 1965 in order to avoid ending the current fiscal year (1964-65) with a deficit and in order to meet expenses for the next fiscal year.

This deficit was caused mainly by the fact that actual assessed valuations fell short of estimated valuations by about \$3,000,000 as of January 1, 1964. At the \$1.07 rate established last year, revenue from property taxes will be about \$11,000 less than expected. Expenses for 1964-65 will therefore exceed revenues by about \$9,000 unless the tax rate for the 1965 calendar year is increased slightly.

This method of accounting will soon be changed as State law now requires that all municipalities levy taxes on a fiscal-year basis, effective July 1, 1966. In order for the city to convert its tax levy from a calendar-year to a fiscal-year basis, a special levy for a six-months period must be made.

The budget calls for this six-month levy to be made for the period January 1, 1966 to July 1, 1966 - the last half of 1965-66 fiscal year. Preliminary estimates for this six-month tax rate are \$0.52 per \$100 valuation, but final determination of this half-year rate will not be made until next year, when more accurate information concerning the assessed valuation and other revenues will be available. The city estimates that the assessed valuation will be \$25,200,000 as of January 1, 1965 and \$30,200,000 as of January 1, 1966.

Revenue from sources other than real estate taxes is expected to total \$235,800, leaving \$300,900 to be raised through real estate taxes. The estimated revenue from real estate taxes in 1964-65 was \$247,300.

Increased Expenditures

Among the major increased expenditures being proposed for 1965-66 are \$14,200 for an expanded police department; \$8,500 for the Hillside - Greenhill Rd. connection; \$6,000 for other expanded street maintenance programs; \$5,500 for a traffic light at Edmonston and Greenbelt Rds., \$13,335 for principal payments on public building bonds; \$5,000 for softball field lights; \$3,500 for new lights on Centerway Rd.; and \$6,300 for the codification, printing and binding of all city ordinances.

Offsetting these increase to some extent are anticipated reductions of \$9,400 for planning and zoning consultants, of \$7,200 in waste collection cost, (due to discontinuance of service to Springhill Lake) and of \$3,500 in swimming pool costs.

Police

The budget proposes one additional uniformed police officer,

Spring Clean-up Campaign

Mayor Edgar L. Smith has proclaimed May 3-17 to be "Clean-up, Paint-up, Fix-up" weeks in Greenbelt. All residents are asked to join with the city forces in improving the appearance of Greenbelt. The city's Public Works Department will be active during the campaign cleaning and fixing up the city's public areas. Superintendent Albert S. Attick reports that his crews will have the Department's clean-up equipment in operation during the campaign, including the litter vacuum and street flusher. Your City Council and staff urges all residents, merchants, and organizations to participate in the campaign to beautify Greenbelt.

bringing the total, including the chief, to 12. Giese stated that because of vacations, sick leave and days off, the present complement of men are insufficient to provide full coverage on each shift. Because of financial considerations, suggestions by the police chief for a specialized investigative or detective unit in the department were not incorporated in the budget. Part of the increased police department budget represents shifting of half of the salary cost of a clerk-receptionist which was previously charged to the executive department.

Road Maintenance

The Hillside-Greenhill Rds. cut-through will include curbs and gutters and sidewalks constructed on both sides of the street. The budget also calls for the construction of paved parking shoulders in selected places where parking is critical, expansion of curb replacement and sidewalk replacement programs, the sandblasting of three underpasses, and the purchase of a second sand and salt spreader for faster snow and ice control. The smooth seal program, now in its fifth year, will be continued. Upon completion of the 1965 program, all of the original city streets will have been smooth sealed with

Budget Meeting

The first meeting to discuss the proposed 1965-66 budget for the city of Greenbelt will be held on Wednesday, May 12 at 8 p.m. A series of meetings with city department heads will be planned in order to discuss the departmental budgetary needs. A public hearing date will be announced sometime in the future. The public is invited to all Council meetings.

the exception of Parkway and portions of Crescent, primarily west of Greenhill.

Finally, eighteen service courts will be surface treated, the north center parking lot will be completed, and repair work will be done to the east and west center parking lots.

Recreation

The recreation budget shows some increase from the previous year. Among new items are \$1,100 for July 4th fireworks, \$1,025 for water service at Greenbelt Lake, \$5,000 for new lights on existing poles for softball field, and funds for one additional laborer in the Public Works crew, to work primarily in parks.

Bond Issues

One certificate of indebtedness for \$13,333 falls due in October on the special public building bond issue, leaving an outstanding balance of \$146,667. Due to refinancing, no payment of principal was required during the 1964-65 fiscal year.

The Capital Budget proposes another bond issue of \$150,000 for the purchase of park land, making improvements to parkland, and purchase of a municipal service building site. This action would be dependent on the voters approving the bond issue at a referendum. Only interest payments on this issue would be reflected in the 1965-66 budget.

The budget allows \$900 for costs in connection with the September city council election.

A reserve for contingencies of \$10,000 is proposed, also a reserve of \$2,500 for salary adjustments. No across-the-board pay increase is contemplated.

GHI Budget Follows Plan To the Editor:

I have encountered a rumor that G.H.I. "had a deficit of \$40,000 last year, so some of the staff should be fired, and a professional management firm brought in."

Actually, monthly charges to member-owners continued unchanged in 1961, '62, '63, and '64. Last year, budgeting to avoid increasing these charges by about 3%, the Board made advance provision to take about the same amount from specific restricted reserves, mostly for stepped-up longer term maintenance.

That represented about one-tenth of total reserves, set aside mostly for such particular restricted purposes; so that the conservative position of the treasury is scarcely affected. (The value of the re-roofing and of other accelerated maintenance is about the same as the cash spent which had been put aside for this purpose.) These carefully planned and specific reserves are to iron out year-to-year irregularities, and thus to keep monthly charges from bouncing up and down.

As a former member of the G.H.I. auditing committee I continue a sharp eye as to how we are served, in a business way. It is almost better than we deserve, but it may not continue so to be unless more of us oftener stick our noses in, skeptically but with intelligence. Questions always are in order.

Youth Corps In Greenbelt

City Manager James Giese reported to City Council this week that the city's application for participation in the Neighborhood Youth Corps program has been approved. This is a program primarily aimed at youths who are school drop-outs with no work experience. Seven youths would be provided to work on building and ground maintenance and they will be paid by the Federal government through the United Planning Organization. Supervision and small tools are to be provided by the city but a certain percentage of the reimbursement may be borne by the Federal government. The work contract, calling for a 32 hour work week, will run to September 30.

Council authorized Giese to go ahead and execute the agreement between the city and the United Planning Organization for the program. It is understood that the youths provided will be from Prince Georges County.

Greenbelt Republicans Elect New Officers

Glayde H. Goodenough, 35-K Ridge, was unanimously elected president of the Greenbelt Republican Club at a meeting on Thursday, April 29, at the Municipal Building committee rooms. He succeeds Edward Wuermsler, 16 Greenway.

Other officers elected are: vice president, Harold A. Siegel, 16 Maplewood Ct. (Lakeside); secretary, Mrs. Paul Deutsch, 438 Ridge Road; and treasurer, Mrs. John W. Maffay, 123 Northway.

A membership drive has commenced and additional information may be obtained by contacting the above-named officers.

DEMOCRATIC CLUB NEWS

A dance sponsored by the Maryland Democratic State Central Committee will be held on Saturday, May 8, at Maryland University.

The Sasser Memorial dinner, originally planned for May 9, has been postponed until September.

County Commissioner Frank Lastner, a former president of the local Greenbelt Democratic Club, introduced Maryland State Senator Fred L. Wineland as guest speaker at the Club's April meeting.

Wineland, who served on the Prince Georges Democratic Campaign Committee as vice-chairman in 1954 and 1958 and was chairman in 1962, never ran for office.

When a vacancy appeared in the Maryland House of Delegates in 1963, Wineland was selected to fill the post. When State Senator Winship Wheatley died in January of 1965, Wineland was again selected to fill the post.

In explaining his participation in Senatorial matters, Wineland stated that he introduced a bill to change Primary Day from May to September with the general election in November. This bill has been passed by the Senate and a comparable bill has been passed by the House. It now awaits the Governor's signature to become official.

Wineland stated that the Maryland re-apportionment bill would be placed before the Senate in May.

Square Dance

The United Synagogue Youth will hold a Country Square Dance with Bev Zirkle calling on Saturday, May 8 at 8:30 p.m. at the Jewish Community Center, Ridge and Westway. For information call 474-8302.

4-H CLUB NEWS

by Laura Simonson

Four members of Greenbelt's Senior 4-H Club entered in the Senior Demonstration day in Forestville, Maryland Saturday, May 1.

Both Elise and Barbara Geller won purple or grand champion ribbons. Elise in the "Home Furnishing" category with a demonstration entitled "Color—the 5th Dimension" and Barbara in "Family Life" with "Art for Children."

Linda and Laura Simonson won blue ribbons — Linda for "The Sound of Music" and Laura for "Rust or Bust." Linda was runner-up for the purple in the General Classification.

Jenny Simonson, although not a senior, entered and won a red ribbon for her "Yeast Rolls."

Among last week's Junior contestants, Ellen Hanyok was notified that she has won the purple ribbon in Poultry Foods for "Oven Fried Chicken" and Holly Geller will compete with other winners from the General Food division for the purple ribbon.

Prince Georges County champions will compete in July at District Demonstration Day against champions from St. Mary's, Charles, Anne Arundel, and Calvert Counties.

NATIONAL DRIVERS' TEST

On May 24, CBS, in cooperation with the National Safety Council, will televise an hour-long "Special . . . The National Drivers' Test."

The Greenbelt Vol. Fire Dept. & Rescue Squad, as part of their Public Safety and Accident Prevention Program, urges all those of driving age, or near driving age, to watch this program, participate and test their driving "Know-how."

Further details of this test will follow in future issues of the NEWS-REVIEW.

Democratic Forum

A new political group within the Democratic party, titled "Prince Georges Democratic Forum" was founded Wednesday, April 28, by members of the committee which last year secured the nomination of Joseph D. Tydings for the senatorial election. In its meeting that evening the group elected Paul Garbelman of Oxon Hill as chairman, Richard Malzone of Bowie as co-chairman and, among others, Simon Pristoop of Greenbelt as one of two executive directors. The newly elected officers were installed by state delegate Meyer Emmanuel, a guest at the meeting.

The new organization lists among its aims "To bring into association citizens of independent mind to work for improvement of our government and the Democratic party" and "To bring the issues of government and party to the public through forums, in which citizens can participate." Membership is open to all interested citizens.

McConnell - Lushine

Mr. and Mrs. Sam Cress, formerly of Greenbelt, announce the engagement of their niece, Susan McConnell of Hartford, Ohio, to James B. Lushine, son of Mr. and Mrs. Louis Lushine of 3-C Gardenway. Miss McConnell is a student at Kent State University where she is majoring in mathematics. James is a student at Penn State University where he is a meteorology major.

Takoma Park Art Fair

The Takoma Park Art Association will hold its annual Spring Art Fair on Sunday, May 23, at the Takoma Park Library, 101 Philadelphia Avenue, Takoma Park.

Cash prizes will be awarded for oils, and other media, in four categories: children, teens, amateur and professional. There is a small entry fee depending on the category.

Paintings will be judged by James McLaughlin, Curator of the Phillips Collection. Washington Area professional and amateur artists are invited to enter. Delivery of pictures will be at the Takoma Park Library, Saturday, May 22, from 5 to 8 p.m. Entries must be framed or suitably matted.

Woman's Club News

The Annual House and Garden Tour of the Woman's Club will be held Sunday, May 16, from 2-6 p.m. There will be a charge for admission and the proceeds are to be used for a Scholarship Fund.

The Tour will begin at the home of Mrs. Don Bullian, 7-D Ridge, where a list of the homes to be visited will be furnished and will terminate at the home of Mrs. Vilma Cormack, 6-B Ridge. Refreshments will be served and a drawing will be held for a door prize.

Tickets will be available at the starting point, and also will be sold in advance by Mrs. William Hand, 474-4663 and Mrs. Arthur O'Leary, 474-5182.

Feed Your Trees Now

Early spring, when trees are just beginning to show their foliage, is also the best time for feeding them. Feeding trees now will encourage new growth; it is not recommended at other seasons of the year. This is especially important to trees surrounded by lawns, for then the amount of food reaching their roots is greatly reduced, resulting in thin foliage and spindly appearance.

How to fertilize? Get a wooden stake or a length of pipe and a sledge hammer—the butt of a heavy ax will do nicely. Special boring tools, which can lighten the chore considerably, are also available at garden stores. Use them to pound or bore holes about one foot deep and 3 feet from each other, on circles centered at the trunk and extending as far as the outermost branches. About one cupful of fertilizer should be poured down each hole; it takes quite a lot of the stuff, but the results are worth it.

Free Rabies Vaccination

May 10 through May 24, the Prince Georges County Health Department is offering free Rabies vaccinations for County dogs.

Dr. Daniel L. Finucane, County Health Officer, said, "This year we are doubling our efforts to vaccinate as many dogs as possible. We think it is of particular importance since rabies has recently been found in the wild animal population of surrounding counties. Vaccination of our dogs will provide the best possible barrier to the transmission of rabies to man."

Dr. Finucane urges everyone to take his dog either to his own veterinarian or to one of the following clinics between the hours of 6 p.m. and 8 p.m.:

May 11 — Berwyn Elementary School, 49th Ave. and Greenbelt Rd.; May 12—Berwyn Heights Fire Dept., 8605 Quebec St.; May 19—Greenbelt Fire House, 124 Crescent Way.

Junior High PTA

The Music Department of the Greenbelt Junior High School will present a spring concert for the May 11 PTA meeting to be held in the school gymnasium at 8 p.m. The concert will consist of music by the band and three vocal groups.

At the business meeting the newly elected officers for the coming school year will be installed. They are: Dr. Clifford Simonson, president; Howard Cable, vice-president; Terry Hull, 2nd vice-president; Mrs. Clayton Plummer, secretary; Carl Gregersen, treasurer; Mrs. Paul Lentz, historian; and Benjamin Petkof, county council representative.

Book Fair at Center School

The Greenbelt Center School is having a Book Fair on Thurs., Fri., and Sat., May 6, 7, and 8, in the Auditorium from 10 a.m. to 3:30 p.m. Books of all types at the elementary reading level will be displayed, as well as some pre-school material. Prices are reasonable, quality fine. Get your children some reading material for the summer!

Books can be purchased on the spot and orders will be taken for books \$1.00 and over.

Everyone is welcome to come in and browse.

Golden Agers News

In the 68-member attendance at the Golden Age club meeting last Wednesday were three new members — Mrs. Eunice C. Smallman, Warren McCarthy, and Mrs. Floyise Benner. There are approximately 200 Greenbelters eligible to join the club in addition to the present 200. All those interested are cordially invited to join.

A luncheon will be given by the club at the Log Cabin on June 3 beginning at 1:15 p.m. Citizens have offered transportation for those attending.

The response for assistance in selling tickets at the carnival has been overwhelming.

Recreation Review

by Richard Stevenson
Director of Recreation
Babe Ruth League

Now is the time for boys aged 13-15 to sign up for the Babe Ruth League. League games will begin at the close of school and will be played in the mornings on Braden Field. Contracts may be picked up at the Youth Center.
