Charles Cormack Assumes New Post

By CAROLYN MILLER

Charles M. Cormack, the Government's new community manager for Greenbelt, says Greenbelt needs a good paint job, and that he needs a large house where he can sort out his belongings.

Mr. Cormack does not promise immediate wholesale painting of home interiors but is working on a schedule which will permit regular painting. He does not feel that a house or apartment should be painted each time it changes hands.

He told the Cooperator he hopes to get work started very soon on exterior painting.

REAL ESTATE BACKGROUND

A graduate in civil engineering from Cornell University, Mr. Cormack engaged in private real estate management for thirteen years. From 1933 to 1938 he served as first lieutenant and captain in connection with CCC activities in New York, New Jersey and Utah.

GOVERNMENT SERVICE

In 1938 he joined the United States Housing Authority and participated in the development of management programs in New York State. In 1940 he was appointed supervisor for all low-rent housing projects of the Federal Public Housing Authority in Pennsylvania.

Mr. Cormack's acquaintance with Greenbelt began at the time he joined the Housing Authority, although until the present he has had no assignments connected with the town.

He classifies Greenbelt as "low-rent housing" although he admitted that the Government subsidy here is not so great as in other projects.

ARMY ASSIGNMENTS

Called to active duty as a Captain in the Corps of Engineers in 1942, Mr. Cormack was assigned to duty at Fort Belvoir, Virginia. His responsibility at that station was to organize and command the combined maintenance shops. Promotion to the grade of Major followed in 1943, and two years later he was transferred to the post of executive officer of the Albany Engineer Depot, Albany, New York. He was promoted to the grade of Lieutenant Colonel.

Upon Mr. Cormack's discharge in January 1946 he returned to FPMA and until his appointment to Greenbelt, engaged in studies of management organization and cost analysis of several local housing authorities.

HEADS WAITING LIST

He is anxious to get settled in Greenbelt with his family—mother, wife and son, and like many others is waiting for a house. 58-M Crescent, mentioned in the Cooperator last week as his new residence, was not large enough he decided, as he is anxious to have a place where he can collect all the family furniture and belongings, now in storage.

Housing Expert To Speak July 15

Colonel Lawrence Westbrook, nationally known housing authority, will speak at the opening meeting of the Greenbelt Mutual Housing Association, in the center school auditorium, Monday, July 15, at 8:30 p. m.

Colonel Westbrook, author of "No Down Payment", an article on mutual housing in a recent issue of Colliers, has been instrumental in the formation of a number of mutual home ownership corporations. His opinion of mutual housing, as stated in his article, is "It has all of the advantages of individual home ownership, with none of the disadvantages."

The Greenbelt Mutual Housing Association which will be formally organized by the Greenbelt residents attending the July 15 public meeting, is being sponsored by the Greenbelt Chapter of the AVC with the full cooperation of the housing committee of the Greenbelt Citizens' Association. At a meeting last week attended by members of the housing committee of the two organizations, Abe Chasanow, Don Cooper, Sherrod East, Bill Nicholas, Tom Ritchie, Mike Salzman, Robert Thomason, Bob Volckhausen, and Jim Walsh, preliminary plans were prepared for the public meeting.

Invitations to attend the July 15 meeting are being sent to the Mayor, Town Councilmen, members of the GCS Board, Town and FPMA officials, and chairmen of local organizations.

Do's And Don'ts For Summer Health

Mrs. Frances Stouffer, the Public Health Nurse suggests that by following the standard rules of good health, parents can expect their children to enjoy a healthful summer. She adds the following precautions: keep them from running under hose showers when they are hot and perspiring; examine them carefully for ticks when they have been in the woods; and if they have been exposed to poison ivy, scrub them with laundry soap and then wash that off with regular bath soap. The supervised play in the playgrounds is good for the younger children for among other things it keeps them from getting overtired.

The pool is another safe source of relaxation. Mrs. Stouffer stated, but it is well to remind adults as well as children to use the chlorinated foot baths before entering and after leaving the pool, as a precaution against athlete's foot.

New Scout Troop Plans Campfire

Greenbelt's new Boy Scout troop will hold its first outdoor meeting Thursday evening, July 11 at the south end of the dam at Greenbelt Lake. Leaders of the troop have arranged for games to start at 7:30, followed by a campfire with songs and a story. Boys 12 years of age or over who would like to be Scouts are invited to this campfire meeting.

Next Band Concert Set For July 14th

The Community Band, in preparation for its Anniversary Concert on Sunday, July 14, on the lawn of the elementary school, will not have a regular Wednesday evening concert this week. The regular concert will be resumed on July 17.

Inflation Is Here!

The boys and girls who filled quart bottles with Japanese beetles and brought them to Mr. MacGregor in the Administration office last week, were surprised to receive 50 cents for each quart instead of the 25 cents they had expected. Those with pint bottles receive 25 cents.

Super Market Site Is Definitely Set

An agreement with FPMA on the location of the new GCS super market has been reached, it was announced at the GCS directors' meeting last Friday. William Nicholas was unanimously elected to the board of directors replacing Education Chairman Bertha Maryn who resigned at the previous meeting.

The proposed building site, decided upon after prolonged negotiations with FPMA, is based on the recommendations of a group of FPMA architects who visited Greenbelt last week. Their solution is a compromise between the rectangular building at the back of the center proposed by GCS and FPMA's desire to preserve the vista. GCS board of directors still feels that theirs is the more practical plan, but accepted the compromise in order to proceed with the expansion program as quickly as possible. However, the lease has not yet been signed, as negotiations over the amount of ground rent to be paid are still pending.

The new building will extend from the statue and stairway approximately 150 feet to the northeast and into the parking lot behind the valet shop. It will cover 20,000 square feet, with a large super market in the side near the parking lot, and a soda fountain and a restaurant in the other end. As the building will be constructed on the slope, it will be actually two stories high when viewed from the rear. A bowling alley is planned for the lower floor.

Herman Ramras, Management Committee chairman, proposed that GCS, along with the Health Association, conduct a questionnaire survey of Greenbelt. The board decided that Mr. Ramras, Sam Ashelman and Merton Trast should study the proposal and if they agreed unanimously, proceed with the survey.

William Nicholas, the newly elected director and Education chairman was previously a member of the board of directors. He is also chairman of the local chapter of AVC, vice-president of the Citizens association, and a member of the town fair board.

Garden Ordinance

The following town ordinance is quoted upon request of the Town Council and the Police Department:

Section 5.18. It shall be unlawful for any person or group of persons to enter upon, remove, destroy, or damage any growing crops on any land within the corporate limits of the Town of Greenbelt, which has not been assigned to him by the owner, for the purpose of cultivating a victory garden. It shall further be unlawful for any children or adults to play upon or around, to cross, or to throw any foreign objects upon any areas cultivated for the purpose of growing food products which has not been assigned to him as his own victory garden plot. Any person convicted of violating this section of the Municipal Code shall be fined not less than \$5.00 nor more than \$50.00 for each separate offense.

New Auxiliary Heads

The American Legion Post No. 136 Auxiliary held elections for officers this Tuesday July 2 at the Legion Home. President-elect is Sue Hazell, 1st vice-president Mildred Compoier, 2nd vice-president Ethel Hardy and treasurer Delphia McCarl. Four delegates for the convention to be held in August at Cumberland, Md. were also chosen: Ada Riley, Sue Hazell, Mildred Compoier, Virgie Drass, and alternates Virginia Hazell, Marita Provost, Elizabeth Day, Rowena Booher.

The installation of the new officers will take place in September.

Legion Home Banned As Voting Place; Highway Site Approved By FPMA, PRA

In the future, Greenbelters will vote at the center for all elections, experience the hazards of a super-highway at their front door, and enjoy automatic oil heat in defense homes, it was learned at Monday's Town Council meeting.

In addition, town employees' salaries were raised 14% and the cooperative's bus franchise renewed.

Town Fair Dates Set For Aug. 15-17

The town fair will be held on August 15, 16 and 17 this year according to an announcement by the Town Fair Planning Committee.

Two weeks earlier than in previous years, this particular Thursday, Friday and Saturday selection was made by the Planning Committee to allow better displays of vegetables and flowers, and to avoid using the auditorium of the Center Elementary School immediately prior to the opening of school.

Request forms for exhibit space were mailed out early this week by Lyle Curtis to practically all organizations in town. Because a complete list of town organizations was unavailable, Mr. Curtis has suggested that any organization or individual wishing to enter an exhibit see him for an application blank.

Booths will be constructed by volunteers working under direction of the Planning Committee, and will be available free of charge to exhibitors. Exhibitors will do their own decorating, provide their own exhibiting material, and keep someone on duty at the booths throughout the period during which the Fair is open to the public.

Decorations this year will be in the same colors as last year—white and three shades of green. The motif or theme has not yet been announced. Suggestions should be given to Mr. Curtis, chairman of the Town Fair Council.

E. DonBullian, in presenting a budget of \$1100 to operate the 1946 Fair, said that a number of individuals and groups have declared a willingness to make contributions as was done last year.

Cash prizes for contests are expected to be similar to those of the previous year. Paul Dunbar is supervising the selection of contests and modifying the rules so that entry forms may be made available around the end of July. Groups wishing to sponsor contests are asked to see him.

C. U. Lowers Rates

At their last meeting, the board of directors of Greenbelt's Credit Union decided to lower interest rates on secured loans from 1% to three-quarters of 1% per month on the unpaid balance. This new rate applies to loans in excess of \$100. For loans of less than \$100, the old rate of 1% prevails.

The Credit Union currently boasts an excess of money. Loan applicants are few and far between in a market of excessive prices and scarce merchandise.

Cones For Kiddies

North End residents, especially the younger generation, will be happy to know that ice cream cones and packages will soon be available at the north end store. Pre-packaged ice cream will also be available at the center store.

Legion Election

Legion officers elected Wednesday are Lloyd B. MacEwen, Post Commander; Kenneth T. Hardy, 1st Vice Commander; Edward Timmons, 2nd Vice Commander; Wayne A. Roberts, Finance Officer; W. J. Van Schelven, Historian; Neville Tobert, Chaplain; Austin R. Green, Sergeant at Arms; Leon G. Benefiel, Frank C. Compoier and Frank C. Drass, executive committee.

Removal of the place of voting of the Greenbelt Precinct from the American Legion Home on Southway Road was announced at the meeting by Alexander L. Buscher, County Supervisor of Elections.

Mr. Buscher informed the Council that whether or not the Town saw fit to provide a central location for the voting place, "we can't have the voting where they sell intoxicants."

The Council voted to make the firehouse available for future registration and election days.

BAR OPEN

It was learned from James N. Wolfe, registration officer for the precinct, that the bar at the Legion Home had been opened at 7 p. m. on the day of the primaries. The Maryland law provides that no intoxicating beverages shall be sold on any primary or election day.

Opinion was expressed at the Council meeting that a larger number of votes will be cast in a more centrally located voting booth.

HIGHWAY PROCEEDS

Mayor George F. Bauer reported that he had been advised by the Federal Public Housing Authority that the super-speed highway would be built close to the town, despite the protests of Greenbelt citizens. Field Office Director Winston will meet with the Council to acquaint them with the stand taken by FPMA and Public Roads in this matter.

If possible, the Mayor will schedule the meeting for next week, in Greenbelt, although it is believed that Mr. Winston prefers that the conference be held in Washington.

COAL TO OIL

Town Manager James T. Gobbel announced that a contract had been let by the Government to convert all heating in the defense homes from coal to oil, and that work was expected to begin in the near future.

The Council voted a 14% increase to all town employees to coincide with the Federal raise. The ordinance was extended to cover part-time employees as well as those paid on annual basis.

Renewal for one year of the bus franchise held by Greenbelt Consumer Services was voted unanimously by the Council.

Greenbelt Canteen

On Thursday night, Mrs. D. Neff, Greenbelt Canteen Chairman, received an SOS from the Red Cross asking the Canteen, which has been inactive for the past six months, to go to the Civilian Air Patrol Show at Beltsville and feed service personnel.

Mrs. Neff succeeded in rounding up Mrs. E. Aylor and Dorothy and Janet Neff who made 100 sandwiches and 5 gallons of iced tea. Mrs. M. Keith, Dorothy and Mrs. Neff manned the Canteen unit and left Greenbelt at 10:30 a. m. and returned at 3:30 p. m. after having fed 60 boys who were grateful for the services of the Red Cross.

Buyers' Strike

During the past few days without OPA controls we have felt the impact on our pocketbooks. Milk sold Wednesday for 20c a quart, ground beef, 65c a pound and steak, 85c a pound. Meat was plentiful and residents who had seen little of it rushed to buy at any price.

To stop buying food is an impossibility of course, nevertheless the consumer has the power to control prices simply by not buying commodities at inflated prices. Most of us have been doing without a full supply of foodstuffs for some time. By continuing to do without, we would discourage high prices. Goods offered for sale must sell—at one price or another. To think that others will buy if we don't, will never lick high prices.

Agree with your friends and neighbors not to pay inflated prices. Other communities are thinking of buyers' strikes—why not ours? Remember the effectiveness of the recent labor strikes throughout the country.

TO THE EDITOR

No Favorites

I have investigated the alleged favoritism in the handling of meat as reported in a letter addressed to the Editor last week signed by Joseph Remenick.

It undoubtedly appeared to Mr. Remenick's wife that there was favoritism going on. Actually what happened was an employee from the lunch counter came to the Food Store to get some breast of lamb which had been reserved quite properly the day before for the lunch counter. Unfortunately, it is true when questioned, the employee replied that the parcel contained chicken. This was not true and certainly should not have been done. She should have explained where the meat was going. I can only say that I am sorry the situation was not handled completely as it should have been.

I would like to say further that the management has made every effort to eliminate favoritism in the handling of scarce commodities. We have an understanding among employees that they will be disciplined if favoritism is shown. We are doing everything we can to eliminate it and I will appreciate it if our customers who feel they have evidence of violation of this policy will personally report the facts to me so that investigation and action, if necessary, can be taken.

Drama Group Plans Play Plus Dance

The Greenbelt Theatre Group plans two one-act plays and a dance for July 13 at the Center school auditorium. The plays will start at 8:30 p. m. and dancing will follow at 10:00 p. m. Music will be furnished by the Cement Mixers and tickets, selling for 75 cents per person, may be obtained at the tobacco store, from members of the theatre group or from Chas. Hutsler.

Any resident interested in any phase of dramatics may meet with the group on Fridays at 8:30 p. m. in the arts and crafts room of the Center school auditorium.

Teen-Age Group Backs Own Center

By BOBBIE SOLET

The youngsters of Greenbelt for whose benefit the Youth Center is being built have worked tirelessly for the Center and their efforts have been inspirational according to Jack Fruchtmann, Ways and Means Chairman, and Youth Leader Ben Goldfaden.

In addition to their work for the Tag Dance last Fall, which raised \$200, the youngsters have been useful in every committee activity. For the May 4 dance they sold tickets from door to door, 100 tickets in one week-end, managed refreshments, checking, decorating and the inevitable and essential last-minute details.

One or more of the teen-age Planning Committee has been present at every committee meeting, volunteering services and offering suggestions. For the July 4 bingo at the lake, the young people have insisted upon a major share of the back-breaking jobs, such as moving materials and managing refreshments.

Mr. Fruchtmann foundered in trying to give the names of the most outstandingly helpful teen-agers. "They've all been so swell," he said, "Let's just name their officers and planning committee, to represent the whole group." The Planning Committee organizes and executes every detail of the work for which the teen-agers volunteer. President Joanne Therrell has never missed a YCWMP Committee meeting. Working with her are John Martone, vice-president; Marie Sansone, secretary, and Dick Trast and Teddy Fox, Planning Committee.

Square Dance Sat.

The Co-op square dance group, which holds country dances each Saturday night at the pavilion at the lake, has extended an open invitation to all Greenbelters.

The group arrives at the pavilion at about 8:30 each Saturday night, equipped with a victrola, lanterns and a collection of folk dance records. Everyone is welcome at the dances, and there is no admission charge.

OUR NEIGHBORS

BY DOROTHY VAN SCHELVEN
Phone 4563

Hi, neighbor. Have you settled down yet from Greenbelt's celebration of the Mighty Fourth? All the folks, small, medium-sized and larger, seemed to have a big time.

Dorothy Neff, 3-D Ridge Road, is the proud possessor of a Navy award of \$125 given her June 28 as a civilian employee of the Bureau of Medicine and Surgery.

Mrs. Bessie C. Miller of Miami, Fla., is visiting her daughter and son-in-law, Mr. and Mrs. Wilfred H. Steward, Jr., 61-A Ridge Road.

Mr. and Mrs. Al Rich and young son, Freddie, 9-E Research Road, are visiting friends in Providence, R. I., whom they have not seen since Al was stationed there just before going overseas.

Mr. and Mrs. Lee Ellis and children, Nancy and Dickie, spent their vacation in New York State. Nancy has remained in New York to spend the summer with her grandparents.

Louis Fink, chemist at the Bureau of Mines and a resident of 16-C Ridge Road, recently won a \$50 prize for his suggestion for "stepping up the efficiency" of the Interior Department.

Mrs. Frank Hensel, 6-D Crescent Road, is enjoying a visit from her sister, Mrs. Molly Williams of Pittsburgh, Pa.

Mr. and Mrs. David M. Granahan and their three children, of 10-J Plateau Road, have started on a month's vacation to Minnesota.

Mrs. James B. Peeler has returned to her home at 33-F Ridge Road where she is making a good recovery from her recent serious illness.

Mrs. C. F. Drass and two children, of 33-R Ridge Road, are vacationing in Altoona, Pa.

The Sam Maryns left Greenbelt last Tuesday morning bound for their new home in Chicago. During the previous week they had been guests of honor at farewell parties given by Nat and Fan Schein, Bill and Edith Nicholas, and Herman and Clara Ramras.

Mrs. Frank C. Linhardt, 2-H Westway, will celebrate her birthday with a bang this week! Mrs. Linhardt was born on July 4, 19—.

Visiting with the Isidore Reuben's of 4-D Crescent Road are Mrs. Rose Blumberg and her two daughters, Janice Kaye and Lillian Begun.

Miss Florence Goldberg and her fiancé, Julius Lieberman, of New York, are guests of the Ben Rosenzweigs of 4-E Crescent Road, this weekend.

Mr. and Mrs. Paul Kosatka, 20-G Ridge Road, have as their guests this week Mrs. Kosatka's mother, Mrs. Nora Comstock, and brother and his family, Mr. and Mrs. Arden Comstock and twin daughters, Jean and Joan, all of Muskegon, Mich.

Mrs. Ada Dingman, 20-R Ridge Road, was honored recently at a farewell party given by Mesdames Grace Danek, Edith Reid and Elsie Smith. Twenty guests came to the lawn party.

Martha Louise Novack, 14-F Laurel Hill, was joined by 20 of her friends June 28 who helped her celebrate her fourth birthday.

Robert Dolgoff, 14-E Laurel Hill Road, is enjoying a visit from his grandmother, Mrs. F. Crammes of New York City, and his aunt, Miss Gertrude Crammes.

Miss Janet Neff, 3-D Ridge Road, is recovering at her home following a tonsillectomy.

Greenbelt boys and girls took part in a concert given at "The Cadoa" in Baltimore on May 26, following this with a repeat performance for the benefit of European Relief June 30 at the American Legion home in Laurel. Under direction of Prof. John Farnsworth, the following pupils performed: Sally Hennessy, Dorothy Welsh, Betty Davies, Barbara Hutsler, Constance Newton, Susan Allred, Dorothy Dawson and George Timmerman, piano; Helen Timmerman, accordion; Joe Long, xylophone, and Barbara Collier, marimba.

Frank Comploier, 38-F Ridge Road, will welcome you with a broad smile these days if you address him by his newest title—"Mr."

Buddy Belton, son of the John E. Beltons, 1-G Westway, has completed his boot training at Bainbridge but canceled his anticipated visit to Greenbelt to enter sick bay for treatment of pneumonia.

Mrs. Kathleen Gamble, former Greenbelt resident, is the guest of Mr. and Mrs. John Belton, and is renewing her friendships with for-

Bible School Ends For 128 Children

The second annual session of the Daily Vacation Bible School sponsored by the Greenbelt Community Church ended July 3. This year there were 128 children taking active part in this project under the leadership of 14 well trained teachers.

Four of the groups took trips to the Beltsville Farm. The Junior group went to the National Cathedral in Washington.

The four and five year-old children made hand-plaques of clay as presents for their mothers. The six year olds made a Nativity scene out of clay and painted it in colors. They also made many paper articles. The primary group made pot holders, as well as clay models. The juniors studied the life of Jesus.

Fellowship Group Elects Officers

The youth fellowship group of the Community Church at their meeting June 30 at Indian Springs elected Alison Medermid as president, Pat Loftus, vice-president, Joanne Therrell, secretary, and Ermine Noble, treasurer.

Holochwest Plays Inspired Baseball; Todd, Boggs "Co-Captains Courageous" As Shams And Oaks Split Twin-Bill

Shady Oak, June 30—Manager Vince Holochwest, eight of his playmates, coach Lou Gerstel, and mascots Billy and Bobby Dove, with exactly five loyal Greenbelt rooters, journeyed over to wage war in a couple of diamond battles with the Shady Oaks in 90 degree heat and extreme humidity.

The loyal quintet witnessed actions courageous in the exceptional endeavors of Ernie Boggs and Joe Todd; and saw Skipper Holly enjoy perhaps his outstanding day of baseball in some seven years of local play.

"Old Blood and Guts" Joe Todd

Iron Man Boggs pitched both games! The husky curve artist walked nary a man and managed to strike out eleven. Errors brought about his downfall in the opener as he lost 4-1. After a shaky start in the night-cap, things began to break his way with a resultant 9 to 5 Shamrock triumph.

The doughty Todd was behind the bat in both tilts until suffering a compound fracture of his right thumb from a tip off Ferguson's bat in the eighth inning of the closer. Joe, with a now famous display of old Todd fortitude, took over rightfield with a glove and a splint to save a forfeit against his gang—since there were only nine.

Offensive and defensive laurels rested neatly upon the weathered brow of Vince Holochwest. The Shams' boss made two sensational catches in rightfield on hard line drives, one a shoe-stringer and the other an over-the-shoulder affair. He threw out Ferguson at the plate on a single by Dobson in the sixth session of the second game. But it was two innings later that he really startled the large Marlboro pike crowd when he threw out Wilson Turner at first base on a cleanly hit grasser into rightfield! The fans, strongly partisan throughout, gave the visiting veteran a great hand on the play. Holly's four hits in eight tries for the day matched Bill Moore's bat efforts. Leroy Clark had a triple and two singles in seven tries.

This Sunday's ball game involves Landover and the Shamrocks at Braden Field. Game time is 3 o'clock.

Clifton Unbeaten In Softball League

In a closely fought game Clifton Liquors remained undefeated by taking the measure of the Greenbelt Reps Thursday night. Curt Barker, just returned from a three week's vacation, pitched a good game but was wild in the pinches. He allowed only two hits but passed ten men. Wiesman, who pitched for Clifton, allowed three hits but walked only one batter.

Greenbelt opened the scoring in the third inning when Jack Burt beat out a hit to third base. He stole second, advanced to third on a passed ball, and scored on an infield out by Roger Eddy. The score remained that way until the fourth when Clifton scored twice to take the lead. Jacobson opened the inning with a single to center, took second on a delayed steal and scored on a double by Brasse. Brasse scored later on two infield outs and bases on balls. The score remained 2-1 until the seventh, when the winners scored their last run on three base on balls and two infield outs. Greenbelt got their last run on a tremendous home run by George Bauer in the last inning.

Al Bowman's throwing arm was in perfect shape as he threw out one man stealing second and four men trying to steal third.

In the second game played on Thursday S & M Market defeated Castle Contractors by the score of 7-5.

The Clifton Liquor team strengthened their lead Tuesday by defeating Mt. Rainier by the score of 5-0. This was the second defeat of the season for the defending champs. Clifton opened the scoring in the first inning when Brasse hit his fourth home run of the season over the right fielder's head.

The score remained one to nothing until the fifth inning when with Al Wellans on first, Brasse hit his second home run of the game to score two more runs. Tom Dobyns, pitcher for Mt. Rainier, left the game with a sore arm and was replaced by Callow. The winners scored their last two runs off him in the seventh on two singles and a double by Brasse. The losers were only allowed three hits, and could not score a run.

Krasnor Stars As Reps Win Thriller

The Greenbelt Reps won a thrilling ball game from College Park Tuesday by the score of 9-8. The Reps won their fifth game of season and remain in third place in the County league by this victory.

In this game the Greenbelt team could do nothing right until the last two innings when they exploded 8 runs to overtake the visiting team. In the last inning with Greenbelt trailing by four runs Goldfaden opened the inning by walking, and the visiting pitcher Kelly lost control of the ball game by walking Barker and Bauer to fill the bases. Bob Egli struck out for the first out of the inning. Jack Burt drew a base on balls to force Goldfaden home with the fifth run.

At this point with the bases again filled, Murray Krasnor was inserted to bat for Foster, and came through with a triple to center scoring all three men. When the visitors tried to catch Murray going to third he scored the winning run on an over throw at third. The losers scored four of their runs in the first inning on two walks and two hits by Specter and Watts. College Park scored twice more in the second on two hits by B. Erwin and Kelly and two wild pitches. They finished their scoring in the next two innings getting one in the third and one in the fourth.

Rec Staff Gets Off To Big Start

By DONNA ROMER

The summer recreation program started this week with an enthusiastic group of children and a most competent staff.

Vincent Holochwest, town director of Recreation heads the entire program aided by a group of well qualified instructors.

Mr. Holochwest came here in September 1938 as director of our recreation department and served as such until 1942 when he joined the Navy. After three years in service he returned to his job here to resume his fine leadership of our athletic-minded residents.

Mr. Holochwest will teach archery, baseball and tennis in the present summer program.

Ben Goldfaden, Asst. Director of Recreation, will be instructor of tennis, softball and arts and crafts. Mr. Goldfaden, also a welcomed service man, returned home to resume his duties here in January of the past year after serving in the Navy.

Helena Knauer, second Asst. director of Recreation, heads the Red Cross swimming program, tumbling and rhythm lessons and acts as supervisor of the 10 kiddie playgrounds.

Miss Knauer, a local gal from Berwyn, was acting head of recreation during Mr. Holochwest's absence of three years.

All three of these people are well known for the work they've done, both in previous summer programs and in the enriched gym activities in our public schools. Each has won the respect and admiration of our small fry which is probably the outstanding reason our summer programs have always been so successful.

Lynn Buck, the handsome blond god and the heartbeat of local gals from 16 to 60, will teach tennis, arts and crafts, softball and baseball. Mr. Buck served on the summer program last year and this year is hired by the County recreational program. He was assigned to Greenbelt by Paul Barnhart, Supt. of the County set-up. Lynn has been attending Maryland U. and is grateful for the chance of rounding out his course in practical training here.

Eddie Norton, head life guard at the swimming pool is scheduled to teach swimming. Norton, also a student of Maryland U. worked for Mr. Holochwest before they each joined the Navy for an extended "vacation."

Donnie Brewer and Tommy Freeman, both local boys are back from the Navy and can be seen in action as asst. life guards any day at the pool. Both boys are teaching swimming.

We are fortunate in having these competent leaders for our children's supervised summer activities. We can help make the job easier for them by seeing that our children take their courses seriously and finish the term assigned them. Since it is impossible to have a

Jr. Legion Loses Two In Twin Bill

Playing host to the Cissel-Saxon Post of Silver Spring, the Junior Legion team suffered two punishing defeats Sunday. The Cissel-Saxon team went to the state finals last year only to be defeated by a Baltimore team.

The first game which turned out to be a one-sided slugfest, was called at the end of five innings with the score 19-4 in favor of Cissel-Saxon. Sloppy fielding, and the wildness on the part of John Martone, the starting pitcher, led to a big 6-0 lead in the first inning.

The second game was much better baseball for six innings. Then Greenbelt fell apart and allowed the visitors to push across six runs in their half of the seventh. As the game ended Greenbelt got four of these runs back but still ended up on the short side of a 12-7 score. Scott pitched good ball for Greenbelt, giving up only eight hits. Nine unearned runs were directly responsible for the lefthander's first defeat of the year.

program to take care of every child here, it is unfair to enroll a youngster with the idea of allowing him to attend only a week to see if he will like it.

Council Commends Cooperator, Civic Leaders, Citizens

A RESOLUTION PASSED JULY 1, 1946 COMMENDING THE ACTIVITIES OF THE EDITOR, REPORTERS AND STAFF OF THE GREENBELT COOPERATOR AND VARIOUS COMMUNITY ORGANIZATIONS AND CIVIC LEADERS ON BEHALF OF GREENBELT.

WHEREAS, for a period of months Greenbelt has been faced with many problems connected with the welfare, safety and best interests of the residents of the Community especially as related to the proposed construction of a super-speed highway dangerously near many of our homes, and

WHEREAS, the various organizations, civic leaders and residents of Greenbelt have been given a clear understanding of the basic problems confronting Greenbelt and have shown a determination to stand firmly together in the fight for the welfare of the Community, and

WHEREAS, the Greenbelt Cooperator has done an outstanding job in presenting to the people of Greenbelt the facts of the various issues involved and in rallying the residents in a common effort to protect the welfare, safety and best interests of Greenbelt, now

THEREFORE, BE IT RESOLVED by the Council of the Town of Greenbelt, Maryland, that the various community organizations, civic leaders, and citizens be highly commended for their activities on behalf of Greenbelt, and

BE IT FURTHER RESOLVED, that the Editor, Reporters and Members of the Staff of the Greenbelt Cooperator be especially commended for the outstanding job they have done on behalf of Greenbelt and that they be urged to continue their efforts to give Greenbelt a fair and impartial reporting of news and events affecting our Community, and

BE IT FURTHER RESOLVED that an embossed copy of this Resolution be sent to Mr. Ralph G. Miller, Editor of the Greenbelt Cooperator.

Recent Victor ballet stories are pleasant to listen to and wonderful to behold. SWAN LAKE, Tschai-kowsky, and APPALACHIAN SPRING, Copland, are good examples of cooperation between composer, conductor, orchestra, engineer, printer, photographer, artist and writer. Fine arts are related and in these ballet stories we have a family reunion.

John R. McGee waded through a stack of dusty discs in a second hand store and came out with a valuable and sentimental oldie, WHEN DAY IS DONE, by Whiteman, plus a couple of early Crosbys.

Unusual platter . . . to stir the imagination and leave your guests shivering play Columbia's PRELUDIO A CRISTOBAL COLON by Carrillo with the lights out unless you believe in zombies. It is played in ¼, ½ and 1-16 tones.

Collector John M. Anderson has 34 versions of the St. Louis Blues and is looking for others. By the way he delights in trading new records for old. His collection overflowed his living room long ago and has spread itself out over the house.

Summertime is platter-party time. Call a few friends and ask them to bring over an album. It's a comfortable way to judge music and better than waiting your turn for a much abused machine and a stuffy booth downtown.

AVC Meets Monday

At the next meeting of Greenbelt Chapter of the American Veterans Committee, to be held Monday, July 8, at 8:30 p. m., in the social room of the center school, the housing committee will give a detailed report on the organization and preparation of the July 15 meeting of the Mutual Housing Association. Organizational proposals and suggestions of the AVC housing committee to be given at the meeting will be discussed.

The agenda for the meeting also includes discussion of the Chapter's participation in the Greenbelt Town Fair and the mapping-out of plans for a membership drive.
