

Greenbelt 'Schooled' - '37 To 48' Is Theme Of Water Pageant

Greenbelt's swimming pool, decorated with greens and gay-colored streamers, formed the setting for the "School Days" water show presented last Saturday before an audience of 2000.

Under the direction of Eileen Mudd and Ora Donoghue of the Recreation Department, local swimmers depicted the highlights of the school days of boys and girls who entered Greenbelt's elementary school when it first opened in 1937 and completed their schooling by graduating from the local high school in June of this year.

School in Water

The Star Spangled Banner, played by the Community band, combined with the raising of the flag to open the program. In the water, youngsters stood in neat rows behind flutter boards, representing their desks. After drill routines, symbolic of school work, the students made their exit, giving teacher a hearty splashing.

Act II showed the same scholars a few years later, entering high school. Freshmen strutted down the deck, to be pounced upon by seniors who gave them a good dose of initiation. This procedure was interrupted by principal John P. Speicher's appearance. Seniors and freshmen left the pool arm in arm, singing "He's a Jolly Good Fellow."

Sports Featured

High School sports were exemplified in a baseball game, after which a senior ball was adapted to water. Four ballet dances in bright pastel ballerina dresses opened the number with their escorts in a ballet on deck, followed by six couples who executed an intricate routine of duet swimming. The number closed with a water promenade.

Last year's All-Greenbelt Night queen, Carol Hofien, re-enacted that role in Act V, receiving her crown from Greenbelt's new town manager, Charles McDonald. Queen and court appeared in the water floats drawn by white swans. As on the All-Greenbelt Night program, majorettes performed for the queen, as did tumbling Ronda Bibler in a solo act on a moving float.

Specialty Acts

Five specialty swimmers performed, and Donald Brewer, Richard Ward, and Carol Day performed on the dives. This act closed with a round of applause and a hearty laugh at the expense of Tom Bolgiano, president of the Gymkana Troupe of the University of Maryland, for his clown's role on the dive.

In the final act, Principal Speicher gave the graduates their diplomas. The show closed as the diplomas were unrolled and the students spelled out Greenbelt High, with the band playing the alma mater.

Woven around an original plot, the program was the result of diligent work on the part of the directors and cast. Costumes, pool decorations, and floats proved effective.

Thanks were expressed by members of the recreation department to the Community band, the majorettes, Bill Baxter's orchestra, Marche Florists, Gasch's Funeral Home, the National Guard, Zip Nana, announcer, and the parents and members of the cast.

GHA Adds Doctor To Staff

A new doctor, William Self, has been added to the staff of the Greenbelt Health Association, it was announced last Tuesday by Abraham Dury, president of the Association. Dr. Self will begin work on September 1, Mr. Dury said.

Mr. Dury also stated that there would be a GHA membership meeting September 21, at which time the members will have the opportunity to meet Dr. Self. Time and place will be announced later.

Indian Springs Road Will No Longer Be A Secret Passage

Newly-installed Town Manager Charles T. McDonald told the Cooperator Tuesday that workmen had regraded the Indian Springs picnic area, smoothing out the deep gullies caused by recent rains.

This improvement, he said, makes it possible to drive to the springs and picnic area without the danger of breaking a spring or getting stuck in the mud. Trees and shrubbery have been trimmed back, so that the road can be traveled without car scratches. Additional tables have been added to the cleaned-up picnic grounds.

Signs To Be Placed

Directional signs will be placed along the roadway down to the springs, he added. The roadway starts just west of the white clapboard house located across from the high school. For hikers, there are several footpaths which lead from the springs to the lake area. Picnickers were urged by McDonald to help keep the picnic spot clean and safe by disposing of refuse in the proper containers and by putting out fires before leaving the area.

Same Old Rental Survey As Before, Says Cormack

According to Charles Cormack, PHA Manager, there has been some misapprehension among old Greenbelters concerning the adjustment of rents. The rental re-examining which is now in progress is the usual yearly readjustment of rental payment to cover increases or decreases in family income since the previous adjustment. Changes will definitely be made, said Mr. Cormack, in line with the old rent scale. The time of the survey was postponed this year to take in the expected increase in Federal workers' salaries.

Council Meets With Public Housing On Rent Increases

Seven citizens of Greenbelt were present at the Town Council meeting Monday night. Highlight of the meeting was the swearing-in ceremony of the new Town Manager, Charles T. McDonald.

Mayor Canning read a letter from John Egan, Public Housing commissioner, in which he requested that the Council meet with him today to discuss the proposed rent revision in Greenbelt.

In discussing the recent water show, Mr. Morrison suggested that a letter of appreciation be sent to the Recreation Department for the fine performance they arranged and presented.

Announcement was made that the National Commander of the American Legion, James O'Neil, will be in Greenbelt for the opening of the new American Legion building on September 33. In honor of the occasion, the Council voted to declare September 23 as James F. O'Neil Day.

Tots To Show Talents And Crafts At Show

The annual Tots' Talent Show and Crafts Exhibit which closes the baby playground program for the summer will be held in the Center school auditorium Tuesday, August 24.

The display will be open in the afternoon from 3 to 5 and in the evening from 7 to 9. The Tots Talent Show will be held at 3:30 in the afternoon and at 7:30 in the evening.

Outstanding numbers from the talent shows held on the individual baby playgrounds will be in the show. The tumbling class will present a number and the crafts classes will display their articles around the sides of the auditorium.

Prizes To Be Given

Prizes will be given for the best articles in the various classes and for the best playground displays.

Articles made at home or at camp in crafts classes will be eligible for exhibit also.

Admission is free and the public is invited.

This program will close the baby playgrounds, crafts classes, and tumbling classes for the summer. Similar programs for the children will be offered again this fall and will be announced later.

Meat Sales Drop Boycott Starts

Although the meat boycott didn't start until last Friday, meat sales for the week ending Saturday dropped \$500 to \$600, according to Bassett Ferguson, assistant manager of Greenbelt Consumer Services, Inc.

The local food store's usual weekly meat volume, according to Ferguson, runs from \$4500 to \$4600. Last week's total was approximately \$4000.

Even these figures do not show the complete effect of the boycott, it was reported, since an unusually large proportion of butcher sales represented fish rather than meat.

Figures for this week will reveal more clearly how effective the consumers' strike can be. The boycott, sponsored locally by the UPW Auxiliary, will run through Saturday of this week. All shoppers are urged by UPWA to limit their main-dish purchases as much as possible to eggs, poultry, fish, cheese and dried beans.

Colwell To Serve As Community Chest Press Chairman

Mr. B. W. Molohon, Chairman of the Public Relations Committee, announced this week that Mr. Fred T. Colwell will serve as Press Chairman during the campaign of the Community Chest this year. Mr. Molohon accepted with regret the resignation of Mr. William Smith, of the Washington Post, but stated he was indeed pleased to be able to obtain the volunteer services of Fred T. Colwell to fill the Chairmanship.

Active Worker

Mr. Colwell for many years has been active in public relations work, and is at present employed as Assistant to the Public Relations Officer for the Capital Transit Co. He has been in the past associated with the Collier Publishing Company and the Prentice-Hall Publishing Company. Mr. Colwell comes from New York City, and was graduated from Columbia University.

G.C.S. Membership Meeting

According to Bassett Ferguson, assistant manager of Greenbelt Consumer Services, the quarterly meeting of G.C.S. will be held in the Center school on September 15.

Child Care Center Is In Third Year Of Self Operation

The Greenbelt Child Care Center is now well on its third year of operating as a non-profit organization.

The Center was organized August 31, 1943, under the Lanham Act for the sole purpose of day care for children of working mothers. At the expiration of the Lanham funds March 1, 1946, there was still an acute need for these facilities. So, with the assistance of Mrs. Mary Jane Kinzer, Supervisor, Community and Family Services, the parents formed a cooperative non-profit organization maintaining the same standards established for the Greenbelt Child Care Center by the Prince Georges County School Board during its operation of the Center as a war time child care project.

Any Child Can Enter

Under the new cooperative organization any child may be enrolled whether the mother is employed or not. Mothers who are going to be confined are urged to put the children in the school two weeks before and two weeks after their confinement for child birth. The school is open from 7 a.m. to 6 p.m. for children 2½ to 11 years. A well planned program is carried on every day. This includes mid-morning juice, a full course dinner at noon and milk and cookies after the children awake from their naps.

Has Good Quarters

The school now occupies eight bachelor type apartments at 14 Parkway Road. Two of these are used as sleeping rooms, two as dining rooms, and one each for a doll room, block room, and music room. It has a well equipped, fenced-in playground, 50x50 feet, for the small children and a large adjoining playground for the older children.

At present there are two full time trained teachers, Mrs. Eva Mae Benson, Director, and Mrs. Alice Smith, assistant. The staff also consists of Miss Nora Ingram, Dietitian and House Mother, and Miss Rose Berry, maid. As the enrollment increases the staff is enlarged.

Meets Rigid Standards

Rigid health requirements, not only for the staff but for the children as well, have always been a well enforced policy of the school. The school meets all the health requirements of the Health Department of Prince Georges County and has been awarded a certificate of approval from the Maryland State Board of Education as a non-public kindergarten and nursery school.

The policies are formulated by the Board of Directors who are elected by the parent members.

The school staff has often been complimented by noted people on the high standards and well kept appearance it maintains. Transportation is now provided to nearby communities.

Reminder Cards Sent Out To Forgetful Parents

Parents, whose children are registered for kindergarten this fall but who have not yet had physical examinations, are having second reminder cards sent them, according to Mrs. Frances P. Stouffer, public health nurse.

Mrs. Stouffer added that there were some late kindergarten registrants whose names she did not have, and urged that any parent who has not received a reminder card, but whose child will enter kindergarten this year, call the public health office as soon as possible.

New Town Manager Attends First Council Meeting

Left to Right: Councilwoman Elizabeth Harrington; Councilman Allen D. Morrison; Mrs. Frances Stouffer, Public Health Nurse; Mrs. Winfield McCamy, Town Clerk; Mayor Thomas C. Canning; Town Manager Charles McDonald; Councilman Frank Lastner, and Councilman David Granahan.

Vol. 12 Thursday, August 19, 1948 No. 52

Hit 'Em Where It Hurts

Local reductions in meat sales last week give a strong indication that a lot of people are trying to cooperate in the protest against high meat prices by not buying meat.

A good healthy sock in the pocketbook of the packers is one sign of righteous anger on the part of the consumer that will not be ignored. The retailer, who has been as tightly squeezed by high-priced meat as has the consumer, can duck the blow by curtailing his purchases. The big-profit boys—the packers—will feel our Sunday punch—if we make it strong enough.

After all, if retailers won't order meat because their customers won't buy it at exorbitant prices, there won't be any profit. And if lowered prices will bring back the retailers' trade, maybe the packers will settle for profits that are down out of the stratosphere.

Attention!

A Recommendation to the Town Council: Please do one of three things. (1) Get a loud speaker system, with individual "mikes" for each participant, installed in the council room; (2) have members of council take a course in public speaking or (3) a course in hand language. Those few persons attending Monday night's council meeting couldn't hear what was being said, and the council table isn't big enough for the council and other interested parties, to gather around. Could be that more people would attend, if they could hear what's going on—or is that the reason?

Town Manager McDonald: Welcome back to Greenbelt. We wish you lots of luck and success in your new job.

Residents of 2 Eastway, 33 and 39 Ridge, 6, 10, and 20 Parkway, 40 and 52, Crescent, 14 and 57 Ridge, 8 Research, and 4 and 15 Laurel Hill Road: you have new neighbors

by the name of Frank J. Sherlock, Joseph L. Munro, Willis F. Edgerly, Douglas B. Diamond, Jr., Donald R. Polz, Harold S. McGay, Jr., Fred J. Melisano, James A. DeButts, Robert F. Killian, Herbert D. Washburn, Harry S. Wood, Earl L. Ruleman, Mathew Krikstan, Charles R. Scoggins, and Christian R. Zust, respectively. Welcome!

To Harold H. Fischer: Congratulations and here's hoping you have many, many years of successful barristering. May all your briefs be short and your fees large. To the organizations of Greenbelt: Elsewhere in this paper is a history of the Child Care Center. This is one of the best ways we know of to acquaint newcomers to Greenbelt of our organizations, what they do, and what they stand for. If your publicity director will turn in similar material we will be glad to run a history of your organization. We only ask that you turn in all copy double-space. The copy readers and linotype operators go crazy at the sight of single-space copy.

North End Playground Celebrates First Month

Over 200 Greenbelters attended the one-month birthday celebration held at the North End play area a week ago Monday afternoon.

Parents who came to view the festivities acknowledged the value of the skilled and supervised daily training which is being offered by the Recreation Department. This play area has facilities to offer an extensive athletic program for children over nine.

Bill Flynn, athletic supervisor of the North End athletic field, with the assistance of Samuel Fox and all personnel of the Recreation Department, planned and executed the schedule of events.

Three boxing matches were the highlight of the afternoon. The first match featured mosquito weights "Mad Tiger" Charles Sawyer and "Black Panther" Babe Brooks who after a three-round bout crawled out of the ring to make way for the lightweight contestants of the second bout. "Dynamite" Mike Redd and "Mauler" Richard Ward slugged away three more rounds. The main event for the heavyweights matched Bob Glazier and Gene Kellaher. The judges were unanimous in a "darw" decision for all three bouts.

The loving cups were donated by the Recreation Department; a large one to be presented to the Beauty Queen and the smaller cup to the boy gaining the most points in field events.

The contest to choose the Beauty Queen was won by 6-year-old Linda Brown. Lois Barber, age 12, placed second.

Field events included a sack race won by Jerry Hawkins, wheelbarrow race won by Jerry Hawkins, wheelbarrow race won by Jerry Hawkins. See NORTH END, page 4

WHEN AND HOW LONG WILL YOU BE SICK—

Don't shrug and say "Who Knows?" Figures show that 68 persons just like yourself become disabled every minute and many of them have to do without regular paychecks until they recover.

Neither calendars nor fortune tellers can tell what minute you'll be one of these unlucky 68... but most people would rather not take a chance. You'll need money for everything from food to rent. Be prepared... low-cost Occidental disability insurance takes the place of guesswork. Let us tell you about it. Call

Waldo Mott To Leave Greenbelt In October

Waldo Mott, manager of the Variety Store since early 1947 announced this week that he plans to leave Greenbelt October 1.

For the past six years, Mr. Mott has served G.C.S. in many capacities. He has done educational work, assisted in the G.C.S. office, managed the tobacco store, and has been acting manager of the pharmacy.

Mr. Mott is going to establish his own business in Paonia, Colorado. Mr. Mott said he intends to promote the growth of producer cooperatives and eventually that of consumer coops. He hopes to utilize all that he has learned here in Greenbelt in the establishment and running of these cooperatives.

FOX TALES

By Sam Fox

The hard work of Miss Mudd and Miss Donohue really showed up in the wonderful Water Show that was put on last Saturday at the swimming pool. The show was one that could be screened for Hollywood and the work of the directors and performers deserves lots of credit. The Recreation Department wishes to thank all the people in the Water Show for their wonderful work and cooperation.

Recreation Department defeated Prince George team in summer basketball league to stay out in front of the league. The score was Recreation 36 to Prince George 30. The stars of the team were Buckley Loomis and Don Brewer. Next Monday Prince George plays North End at 7 p.m.

The Greenbelt Midget Softball team went through the season undefeated and brought the Eastern Division championship to Greenbelt. The boys played very good ball throughout the season with the batteries of Billy May, Gene Kellaheer and Sonny Dickerson doing fine jobs on the mound. The boys won 9 straight games to set a record in the county for the most games in a row. The boys are going to get gold softballs for winning the division.

The baby playgrounds will close this Friday for the summer and we wish to congratulate the Baby Playground supervisors for a swell job and the parents for their wonderful cooperation. See you next year.

The Field Day was a great success at Greenbelt with hundreds of kids here from all over the County and they really put on a great show. They had track events, softball games, volleyball, horseshoes, basketball and a handicraft show.

Greenbelt Midgets Lose Area Softball Playoffs Now Being Held Here

By Joe O'Neill

This year's midget team lost its first game of the season and the county championships to Capitol Heights who slaughtered us with a stinging victory of 14-5. This was the only defeat of the season—and a bad one.

Greenbelt tried a last minute rally started off by Joe Rosmer with a single and was hit in by Kellaheer. Billy May pitched the first four innings; Sonny Dickerson pitched the last three.

BOX SCORES

The cup for winning the most events for the day was awarded to Greenbelt with the second place to University Park. It is really a shame that all can't end in a tie, and it would be a great incentive for all the playgrounds and boys and girls. Greenbelt wins the Field Day Trophy. We will see you again next year to try to keep the cup here at Greenbelt.

Walter Dean, 7031, 5-G Ridge

Greenbelt's softball field will once again be the scene of the play-off series for the Washington area softball championship, to determine the team for the sectional play-offs.

Every evening at least two games will be played at 7:45 p.m., and unless there are more rainy nights the series will wind up on Friday, August 27.

Two Losses and Out

The series is held on a double-loss-and-out basis, so that a team can be defeated once and still secure the championship by winning the remainder of its games.

Fifteen men's teams were entered in the playoffs, but Greenbelt does not have a team entered, probably for the first year. Two girls' teams, the Arcade and S & M, are playing their own little series, the first game being scheduled for Monday, August 23, at 7 p.m.

Scores Given

The series opened on Monday, August 9, with an extra inning game, when Crescent Cafe beat Gentilcore Post 6-5 in eight innings. IBM beat Annadale Co. 4-0. On Tuesday, Mt. Rainier beat Kings Park Inn 11-2, and Webb Aircraft edged out Winchester Packard. Games were rained out Wednesday and Thursday. Friday's results were: D. C. Dodgers 13, Naval Communications 2; Thrifty Beverages 2, Miller Steak House 1. Saturday: Crescent Cafe 4, Century Valet 1; Sentelle Contractors 8, Naylor AC 3. Monday, August 16: Annadale 8, Kings Park Inn 1; IBM 3, Mt. Rainier 2.

Kings Park Inn Out

The first team eliminated was the Kings Park Inn, beaten by Annadale on Monday, August 16. From now on at least one team will be eliminated each night of play.

The future schedule is dependent on which teams win or lose, but on best authority will be as follows: Friday, August 20: Century Valet vs. winner of Winchester-Naylor game; Crescent Cafe vs. winner of D. C. Dodgers-Thrifty game. Saturday: Mt. Rainier vs. winner of Naval Communications-Miller game; Annadale vs. loser of DC Dodgers-Thrifty game. Monday, August 23: Arcade vs. S.M. (girls) at 7 p.m.; winner of second game August 21 vs. loser of second game August 20; winner of first game August 20 vs. winner of first game August 19.

D Block Kids Plunge

Children of the D block playground, with supervisor Mary Burns, enjoyed a swim at the pool on Monday. According to Miss Burns, the children are now looking forward to their talent show, to be held this week.

Our Neighbors

By Gerry Backstrom

At least one Greenbelt mother is very popular these days. She offered to pan fry "Fish"—the catch of several local small fry! Her latest report is "Business is Good!"

Mr. and Mrs. Leonard Mangum, 13-F Parkway are the proud parents of a son, Terry Edward, who weighed in at 7 pounds, 6 and one-half ounces. Terry Edward was born August 11 at Leland Memorial Hospital. Mrs. Mangum is the former Joyce Bates, daughter of Mr. and Mrs. Bates, 13-F Ridge Road. Mrs. Mangum will be at home to friends at her mother's home upon her return from the hospital.

Mr. and Mrs. James T. Gobbel have returned from a vacation which they spent in Florida and Georgia.

Our regular OUR NEIGHBORS Editor, Dottie McGee, has returned from her vacation. She had quite a mishap while there. She broke a rib in a fall. She is rather incapacitated as to housework, but should be quite capable of jotting down the notes our neighbors will call in at Gr. 5677.

Mrs. Joe Macchio has returned from the hospital and wishes to thank her friends for the cards and flowers she received while there.

Women's Bowling League

All members of the Greenbelt Women's Bowling League are asked to attend the meeting on Monday, August 23, at 8 p.m. in the social room of the Center school. A review of the rules and regulations of the National Duckpin Bowling Congress will be made.

Schoolboy Patrol Takes Week's Training Course

Patrol boys from the Greenbelt Center and North End schools will leave for a week's training course at Camp Ernest W. Brown, at 7:30 a.m. on August 23. The camp is a Prince Georges County police boys' camp at Scotland, Md.

Representing the Center school will be Fred Yates, captain; Jack White, first lieutenant; Joe Mac Schubert, second lieutenant; and patrolmen Ray Frank and Ted Kaufman. From the North End are Charles Barlow, captain; Craig Wooley, first lieutenant; Clifford Woodward, second lieutenant; and patrolman Dick Barlow. The boys will be accompanied by Lt. Buddy Attick of the Greenbelt police force.

Midgets Win Eastern Div. Championship

The Greenbelt Midgets won their 9th victory without a loss to cop the Eastern Division Junior Softball Championship when they defeated Calvert Hall to the score of 7-4.

Connie Roelhing led the rally with a double. Al Corneal scored twice and almost every man on the team scored a run to win a complete victory for the midgets.

CLASSIFIED

Baltimore Boulevard—Beltsville, Md. 1½ mi. North of USDA Research Center

ONE GOOD TURN DESERVES ANOTHER—It's the little things that count with friendly neighbors, young and old. And that's particularly true on telephone party lines. So if you're on a party line, remember the other fellow . . . allow some time between calls . . . and answer your calls as promptly as possible. The Chesapeake & Potomac Telephone Company of Baltimore City.

NORTH END—from page 2
row won by Bobby Brown and Ronnie Brooks, piggy back won by Edwin Barber and Jimmie Hahn, and the straight race tied by Albert Schmidt and Mike Redd. All winners received ribbons for first and second places. Edwin Barber, Arthur Sawyer and Jimmie Hahn tied with a total of 3 points each for field events. Judges ruled a draw of numbers for the decision. Jimmie Hahn held the lucky number.

The afternoon ended in true party fashion. Each child present was served a decorated "Birthday Candle" cupcake and cherry punch, donated by interested parents.

The lighting on one candle on a special birthday cake was made an occasion. Newly-appointed Town Manager Charles McDonald cut the first piece of cake and served the honored guests who were: Mrs. Charlene Redd, Mrs. June Ringel, Abbie Edelman, Ora Dinahue, Eileen Mudd, Sam Fox, Vincent Hochwost, John Lehan, George Panagoclis, Ralph Paul, Russel Johnson and Raymond Soo.

Carriages Parade Saturday

Joseph P. Loftus, chairman of the St. Hugh's annual picnic to be held Saturday, August 28, announces a special event to take place at the Center 10:30 a.m. that day, which will feature a doll carriage parade. Prizes will be awarded the three carriages judged the most attractive. Greenbelt children are invited to participate.

We never miss!

Our aim is to help insure your Happy Motoring this summer. See us now for a complete check-up. Important parts of your car need our attention. We'll put in summer grade Esso Motor Oil, do a thorough lubrication job, flush and inspect your radiator for leaks and service the battery.

Other warm weather trouble spots will be checked to help prevent trouble this summer!
