

Child Care Center Reviews Its History

Among Greenbelt's active cooperatives is the Child Care Center, an organization which offers community service to all.

Though the Center is not very old, several successive waves of the younger residents have been served by it; few of the founding members are still in the community, and so its history, necessary for an understanding of its present, tends to be obscured.

Standards of the nursery school were set up by the Prince Georges County Board of Education and the Public Health Officer. The school's money goes to maintain these standards, and because of them the program of the Center is planned to include various activities needed for full and happy child development. In addition to organized activities and free play, full attention is given to the need for rest and the quieter story and music periods. A nutritious noon-day dinner is supplemented by morning and afternoon snacks.

Educational aspects of the nursery school are as important as the fun of attending. The child receives stimulation from other members of his group, learns to adjust to other people, to take turns, to share, to know when to give way to another and when to stand up for his own rights. He learns to care for materials, to hang up wraps, to put away toys, to accept responsibilities in a group. Thus the Nursery School plays a large part in the fashioning of a firm foundation for the important years of school which follow.

The Prince Georges County Council of Cooperative Nursery and Kindergarten Schools has been organized, with Mrs. Richard L. Cain as president. Eleven schools have joined, each represented by two members. The purpose of this organization is to promote, by group participation, the interests of the schools. Committees have been formed to develop a cooperative play, radio advertising, and other activities which can be successfully undertaken by a large group.

Tony Madden Again Tops Million Dollars

For the second successive year Anthony M. Madden, Greenbelt representative of the Farm Bureau Insurance Companies, has entered the exclusive circle of writers of over a million dollars of life insurance protection. He is the first of the Companies' 3,000 agents to achieve this record in 1951. Last year he established a historical landmark for the Companies, by being the first agent in their history to have over a million dollars in net annual life insurance sales.

Madden has been a full time Farm Bureau insurance representative only since 1948, prior to which time he worked for the Department of Agriculture and devoted his spare time to Farm Bureau. A year after becoming a full time agent, Madden was the Companies' leading life insurance salesman.

Reaching the million dollar mark in life insurance is an achievement for any life insurance salesman; it is particularly unusual for a "multiple-line" representative, selling many other kinds of insurance. Besides providing life insurance for over 700 Greenbelt families, Madden writes automobile insurance for over 1,000 local owners of automobiles, and many fire, health and accident, general liability and other policies.

Madden was among the early residents of Greenbelt, coming here in 1938. He is married and the father of five children. His home is at 2-A Gardenway.

Girl Scouts Observe Festival Of Giving

Hundreds of useful articles, representing a year of craft work by more than 3000 Girl Scouts of Prince Georges County, will be brought to Bladensburg Junior High School Saturday afternoon of this week, November 17, for distribution to service agencies which have been designated to receive them. The occasion is the third annual Festival of Giving, a major fall event in Scouting.

The program, which begins at 3 p.m., includes a song skit by three senior scouts of the Greenbelt troop, Brownie songs by all those present in that age group, and a flag ceremony by a squad of Intermediates from Langley Park. Betty Jean Brown, senior scout of College Park, will be master of ceremonies. Mrs. S. L. Emsweller, Girl Scout Commissioner for the county recently returned from attending the national Girl Scout Federation convention in Boston, and Miss Gertrude Raz, new executive director in the Mt. Rainier office, will be introduced.

Showing clever use of both used and new materials, the articles made by the girls include many for hospital purposes, including paper tray covers, feeding bibs, sunshine bags containing small gifts and surprises, toys, layettes, scrapbooks, and toilet aids. Agencies whose representatives will be present to receive the gifts at the end of the program are Glenn Dale Sanatorium, Glenn Dale; Social Service League, and Catholic Charities of Prince Georges County, Inc., Mt. Rainier; District Training School, Laurel; Department of Health, and Prince Georges County Welfare Board, Hyattsville; and Children's Hospital and Gallinger Municipal Hospital, Washington, D. C.

Mrs. A. B. Kenkel of Decatur Heights is chairman of the service committee of the Girl Scout council, directly responsible for the project. Mrs. Ralph Hodgson of College Park, is program director.

Dedications Nov. 18 At Northwestern High

Northwestern dedication program is scheduled for November 18, 2 p.m. to 5 p.m. in the school gymnasium, according to Mr. John Perry Speicher, principal.

Among the honored guests are Governor Theodore R. McKeldin and William S. Schmidt, county superintendent of schools, as well as other platform guests.

Students, parents and friends are invited to the dedication program.

Drop-Inn Data

By Bobbie Baxter

The Juke Box Dance held last Saturday night was the biggest success of all Juke Box dances. Mr. and Mrs. H. O. Kurth were in charge for that night and did a splendid job.

We are now having parents come down to the Drop Inn to assist me for the night. These parents act as hosts for that night. They ask the boys and girls for their membership cards and collect 10 cents from guests who are not members. They also assist in keeping order among the boys and girls. So far the hosts and hostesses have been Mrs. Dwiggin, Mrs. Singer, and Mr. and Mrs. H. Kurth. They have been a great help to me and I hope I will see more and more parents in the near future.

Our Thanksgiving Dance will be held Wednesday night, November 21, from 8 to 12. There will be entertainment, cup awards, and refreshments.

Builders Protest Award By County Without Bid

The awarding of a \$350,000 road-construction contract without bids by the Prince Georges County commissioners has been protested by a group of local and Montgomery County road builders. The protest was in the form of a telegram to the commissioners, presented at their meeting last Tuesday, in which the builders maintained that it would be in the public interest to invite competitive bids before awarding the contract.

The contract covered construction of a 3-mile road, 24 feet in width, over the abandoned trolley right-of-way from Branchville to Beltsville. The commissioners claimed that bids were not requested because engineering proposals, incident to securing bids, had proven excessive in cost. They also stated that the board of commissioners is not legally required to secure bids.

The builders questioned the experience of the company which received the contract, and maintained that the commissioners should have consulted builders with proven experience.

The award of the road contract without bids followed the commissioners' much-publicized award of an insurance contract to a stock company at a rate more than 40 per cent above that offered by the Farm Bureau Mutual Automobile Insurance Company.

Cooperator Elects Board of Directors

Five new board members were elected last night to the Greenbelt Cooperative Publishing Association at its annual meeting. Those elected were Lydalu Palmer, Isadore Parker, Bobbie Solet, Harry Zubzoff and Betty Jane Zust. Officers of the board will be elected by the board members at a meeting next Tuesday night.

The major portion of the meeting was devoted to discussion of newspaper policy and the division of authority between the board and editor. It was determined that the policy has been and still remains to report the news accurately and fairly. Staff members were reminded that grievances can be taken to the board and staff members for consideration.

In emergencies, the editor must determine the content and material to be published. All editorial decisions are subject to the scrutiny of the board, the staff agreed.

Means of increasing advertising revenue were considered. Negotiations are now being undertaken with large advertisers for contractual arrangements which may alleviate the financial burden of the newspaper, editor Harry Zubzoff informed the staff. At present the Cooperator is in fairly stable circumstances, he disclosed.

Plans for the coming New Year's See COOPERATOR, Page 4

3 Greenbelt Dogs Take Show Honors

Three Greenbelt Siberian Huskies competed in the annual Ft. Belvoir Dog Show on Sunday, November 11. The dogs are owned by Mr. and Mrs. Gordon Finlay of Parkbelt and by Miss Karen Ann Good of Beltsville.

Results: 3 class Firsts, 1 Winners, 1 Reserve Winners, 1 First local, 1 Second local.

The dogs were handled by Pop Bell of Greenbelt. These three Huskies are fast making a name for themselves and are coming champions.

North Enders Asked To Meet Monday With GCS Board On Improving Store

By George C. Reeves

Greenbelt's North End store is still losing money and may have to be closed unless measures can be taken to stop the losses. This was reported to the board of directors of Greenbelt Consumer Services at their meeting Friday night.

Those most familiar with the problem, including three directors who live in the North End—Henry R. Walter, Opie Stage, and Martin Bickford,—agreed that something has to be done about it.

All North End residents will have an opportunity to suggest how to improve the service and eliminate losses from operation of the store, at a meeting to be held Monday evening, November 19, at the North End food store, at 8:15.

DAR Organizers Plan Historic Tour

On Saturday, November 24, the organizing group for a local chapter of the National Society of the D.A.R. will meet in the private law office of one of the early and Judge Gabriel Duval, after which the current owner will show the group and their guests over the home, where the old Justice was born in 1752.

"Marietta" is one of the fine old homes occasionally opened to the public during "Garden Week." The exact date of its construction is not known, though it was the residence of the Judge's family at the time of his birth, and was held by that family until 1910. At this time a bewildered widower, after struggling with the problem of taking care of his children with the aid of servants adverse to being "buried in the country", sold it.

The house is located on Bell Station Road in Glenn Dale, near its junction with Defense Highway. It can be glimpsed from Defense Highway when the leaves are off the trees, about one mile beyond the Glenn Dale Sanatorium. It is a red-brick colonial of three stories, which originally faced a terraced lawn of acres. The main approach was from "Good Luck" road, from Washington. Thomas Jefferson is said to have personally planted the pecan trees that are situated in front of the house.

Photoprints of correspondence between the Judge and such public figures as Thomas Jefferson, James Madison, John Marshall and James Monroe will be exhibited by Mrs. Paul A. Scherer, present owner of the house.

Information may be obtained from either Mrs. Charles E. Slauch or Mrs. Miles A. Bonner.

St. Hugh's To Collect War Relief Donations

Hours during which donations may be made to the annual Thanksgiving collection sponsored by the War Relief Services of the National Catholic Welfare Conference have been announced. Usable clothing, blankets and shoes may be brought to St. Hugh's school on Monday, Wednesday, Friday and Saturday mornings of next week (week of November 18) between 8:30 and 9:30 a.m., between 2:30 and 3:30 p.m., or in the evenings of the same days, between 8 and 9:30 p.m.

Arrangements will be made to pick up donations by calling Mrs. T. J. Callanan, 3878, or Mrs. James Flynn, 3291. The drive is for relief purposes in Korea, for the expelled and refugees of Europe, and the near and far East. Locally, it is sponsored by the Greenbelt Ladies of Charity.

CARE

The Woman's Club of Greenbelt is joining the National Federation of Women's Clubs in a drive for CARE packages for Korea. Organizations or individuals wishing to make contributions, please call Mrs. Henley M. Goode, Gr-3111.

General Manager Sam Ashelman explained that the North End store has been operated as a convenience for the residents. It occupies dwelling quarters which are not suitable for carrying on a business. In spite of handicaps, it has at times returned a net saving but most of the time it has been slightly in the red. It maintains the same prices as does the supermarket, which is unusual for a small store of this type, Ashelman said he advocated that the North End store be placed under a different OPS classification which would permit it to charge slightly higher prices.

Ashelman said that he did not attribute the difficulties of this small store to the personnel; rather, he thought the employees were capable and some had been outstanding. He had several ideas for cutting down the losses, and will discuss them with the patrons of the store at the meeting Monday night.

Net Margin Down

The general manager's report revealed that the net margin on all GCS operations was down to six-tenths of one percent of total sales during the quarter ending September 29. All operations showed a net saving except the three food stores, all of which showed a loss with the North End store's loss the greatest, percentage-wise. The general manager said he regarded the unfavorable turn as a temporary condition caused by (1) tight price controls by the OPS, especially on meats, and (2) a 12 percent higher wage bill this year as compared with last year.

A new labeling machine for meats has been introduced in the food store. The handling of fish other than frozen fish will be eliminated at both the Takoma Park and Greenbelt stores. These and other innovations will help to keep operating costs down, Ashelman said.

Successful Opening

The new drug-variety store on New Hampshire Avenue in Takoma Park had a successful opening day. The store is at the other end of the shopping center from the recently-opened Food Store No. 3. Among unusual features it boasts a "park-your-tot" nursery supervised by volunteer women of the community.

The board voted to hold the December 14 meeting at the Takoma Park drug-variety store, in the upstairs meeting room which has already been frequently used by local organizations in the Takoma area.

Price Comparison

The board heard a report on price by Morris Solomon, who has been making extensive comparisons of the prices charged by competing stores, especially in the food line. A statistical compilation was presented showing on how many items GCS prices were lower, higher, or identical in comparison with certain competing markets. The report was turned over to management to assist it in carrying out the long-standing policy of the cooperative movement, to sell at prevailing competitive prices. The general manager stated that price adjustments are now

Vol. 16 Thursday, November 15, 1951 No. 13

North End Food Store

Next Monday night the residents of the North End will have a rare opportunity to rise in the world. At a meeting called at the North End food store, they will get up on the policy-making level with a bunch of co-op directors. The directors have called the meeting to find out what to do about the continuing loss operation in the Number Two food store.

In a letter addressed to the North End members, the suggestion was made that they consider three alternatives: cutting down on the number of items carried by the store, so that business could go on in half the present space; reclassifying the store under OPS rules, so that higher prices could be charged than are now charged; or closing the store altogether.

Management maintains that the store has always been a "convenience" operation, that the convenience has consisted only of a nearby source of food for northenders, and not of a tight well-organized business, and that the quarters could be used better for almost anything besides the food business. Pilferage has been a constant source of complaint; supervision of the four rooms is difficult, if not impossible, with a small staff; and there is at present no prospect of improving the situation by building a "north end supermarket" since Greenbelt is - and has been for years - "about to be sold."

While closing the store would be a drastic step, this is no time to play around with loss operations - and something is going to be done. Any suggestions, North Enders?

Trattler Chatter

By Pauline Trattler
Gr. 3762

Hi! getting ready for Thanksgiving? Well, don't work too hard, else you'll be too tired to enjoy your cooking. I'm sure hubby won't mind cleaning all the pots and pans, while you get the "bird" ready. And while he's at it you might just as well get him to do the silverware and glasses and set the table, then all you'll have to do will be to sit down and enjoy yourself. Nice work if you can get him to do it, hey what!

Wedding bells rang out on October 21 for Kitty Hunter (she's the daughter of Mr. and Mrs. Edgar Hunter, formerly of Greenbelt) and James Havener, of Washington. The happy couple is now living in Mt. Rainier.

It's another boy for the Rex-rodos, 4-F Laurel Hill. Garry Lynn was born November 5. Mrs. R. is the former Virginia Taylor, who worked at the beauty shop.

Mr. and Mrs. Joseph Long, 3-B Gardenway, spent last weekend exploring historical sights in Philadelphia. Is the Liberty Bell really cracked?

Mr. and Mrs. Martin Strones and family, 1-F Southway, just returned from a weekend trip visiting relatives in Evensville, Pa. Popular place, Pennsylvania!

Irving Gerring, 36-N Ridge, just returned from a three week tour. He attended the American Public Health Association Convention in San Francisco. He also visited many universities and had a wonderful time seeing the sights. Let's thank him for bringing home this welcome warm weather we've been having lately.

To Mrs. Helen Boyer, 32-J Ridge goes our deepest sympathy in the passing of her sister Betty Smith. Miss Smith had been visiting with her sister at the time of her illness.

Our deepest sympathy also goes to Mrs. Terry Herman, 16-S Ridge in the passing of her mother, Mrs. Wagman. Mrs. Wagman lived in Newark, N. J.

Happy birthday to little Janet Shinderman, 10-D Southway, who became five on November 11. Janet had a lovely party for her friends, and some of her mommy's friends were invited too.

It's nice to know that Mrs. Mary Rogers, 17-K Ridge, is feeling a little better. Mary was a pretty sick gal, and had us all a little worried. But like they say, "You can't keep a good gal down." Keep up the good work.

Another winner! Mrs. Benj. Wolfe, 8-H Plateau, won as a door prize, a 13 c. Gibson deep freeze, at the new Food Fair that opened at First and Farrigate St. N.W., Washington. Isn't it just wonderful!

Local boy makes good! Martin Rosenblatt, formerly of Greenbelt, now living in New York, has been appearing regularly on the better T.V. programs under the name of Ross Martin. Some of the shows he has been on are: "Suspense," "Lights Out," "Studio One," "Hands of Destiny" and many others. It was nice to see him Monday night on the debut of a new T.V. show called "Mr. District Attorney". Lots of good luck, Marty!

Congratulations to Chaplain and Mrs. Milton B. Crist of Savannah, Georgia, on the birth of a new son October 22, William Bernard. Mrs. Crist is the former Janet Yeats of Greenbelt and Center school. Chaplain Crist was formerly pastor of Potomac Heights Community Church, now serving with the Army in Georgia.

Mrs. Elizabeth D. Singer held a party on Friday, November 9, in the 9-Court of Southway for her daughter Mrs. James Monroe Miller stationed at Headquarters in Tokyo.

The many friends in the court and nearby communities sent Jean off in gay spirits.

The party will be held in the social room of the Center school starting at 8:30 p.m.

From CHATTER, Page 1

The Miller, Singer and Burton families saw Jean and her two young daughters off at the station

the following afternoon.

Well, folks that's about all for this week. I hope that someone calls to tell me they won something nice. That's one news item I love to tell. So long!

SOUP FOR LUNCH, that favorite eating habit, can mean leisure at lunch for you, Mom. And it's always a hit with the hungry. All you have to do is heat up condensed soup to serve with sandwiches; your choice for the day might be savory tomato, vegetable, or mushroom soup. Meanwhile the family can sit down at the table where you've placed the makings for fix-your-own sandwiches. Give them a variety of breads and spreads to use. Rye and white bread, cheese, sliced meat, lettuce, and pickles.

TALKING TURKEY: For joy in good eating, you just can't beat Thanksgiving. And the second-day of the feast can be wonderful as the first if you cream the remaining turkey or chicken and pour it over hot buttered biscuits. Use condensed cream of chicken soup as the sauce.

Creamed Turkey on Biscuits

1/4 cup finely chopped green pepper
1 tablespoon butter, melted
1 can (1 1/2 cups) condensed cream of chicken soup
1/2 cup milk
1 cup diced, cooked turkey or chicken
1/4 cup chopped pimiento
6 hot biscuits, split and buttered

Cook green pepper until tender in butter in a saucepan. Stir in soup, then milk. Heat slowly, stirring constantly. Add turkey (or chicken) and pimiento; continue cooking about 10 minutes. Pour creamed meat over the hot split biscuits; garnish each with a top knot of parsley. Makes 6 servings.

APPLE PIE POINTER: Give a pretty party look to this dessert by serving it with cheese apples. For each apple, cut a cube of American cheese; then roll it in the palms of your hands until it's nice and round. Roll in paprika and stick in a clove for the stem. Put a cheese apple by each piece of pie.

Navy Wives Meet

Tuesday evening, November 6, at 8:30 p.m., the Truman Riddle Navy Wives Club of Greenbelt met at the home of Mrs. James Balogh, 7-C Crescent Road.

Mrs. Jean DuFrees and Mrs. Dinah Faulconer were guests for the evening. Mrs. Kenneth C. Wiram was reinstated as a member.

It was voted to hold a bake sale and "fancy" table on Friday December 14 at the theatre for the benefit of the Prince Georges County Polio Fund.

Nine hundred rolled dressings were turned in by members for the local Red Cross. More volunteers are desired to help with bandage rolling. Anyone interested in helping with this worthy project, should call the president, Mrs. Christopher Mullady, at Greenbelt 8581. After the business meeting, bridge and casata were played, and refreshments were served by the hostess.

The next meeting of the Navy Wives Club will be held Tuesday, November 20, at 8:30 p.m., at the home of Mrs. Theresa Davis, 24-J Ridge Road.

From G. C. S. BOARD, Page 1

made in the Greenbelt stores simultaneous with the Takoma Park store, which is in a better position to react quickly to competitive price trends because of its proximity to competitors.

Membership

Henry Walter, chairman of the membership committee, reported that about a score of new members were signed up following two educational meetings recently held for the benefit of new residents in Greenbelt.

Boys Club Activities

Our football teams had another very successful weekend, all teams winning their games. They are looking better each week and it now appears that we may have three championship teams, one in each of the weight divisions of the County League. If the 90-lbers win their game next weekend they will be tied for league lead.

The 150 lb. Packer Jrs. journeyed over to Mt. Rainier Sunday and defeated the Mt. Rainier 150 lbs by the very convincing score of 51 to 6. The Packers never lost control of the ball at any time. The only time Mt. Rainier gained possession of the ball was an kickoes from Greenbelt. Greenbelt never had to punt at any time and was playing in Mt. Rainier territory most of the game. The Mt. Rainier score came in the last minute of play on a desperation pass which clicked for about 30 yds to a receiver who had managed to get behind Greenbelt's defense. He went another 20 yds to score. Twice Mt. Rainier had the ball inside the Greenbelt 10 yd line but was unable to make any progress thru the Greenbelt line. Bing Miller made the first TD on a 10 yd pass into the end zone. Ward made the 2nd TD on a 40 yd pass into end zone. Ward also made the 3rd TD on a short pass into the flat and a 15 yd run into scoring territory. The 4th TD came on a nice pass interception by Frankie Lagana on about the 2 yd line and his brilliant 98 yd broken field run for the TD. Ward again came thru with the 5th TD on a short 10 yd pass into end zone. Kosisky made the 6th TD carrying the ball on line plays from about mid-field and finally going over from 5 yds out. Joe Bosmer made the 7th TD on a line plunge of about 4 yds. Stu Knott made the final TD on a 3 yd drive thru the line. Greenbelt's defensive unit played a very strong game, stopping Mt. Rainier even before they could get going. Packer Jrs are still undefeated and are looking better all the time.

The 105 lb team swamped Riverdale 36 to 0, scoring 5 TD's and a safety and making four conversions. Kenny Clay drove thru the line for 10 yds for the 1st TD. Clay passed to Canning for 25 yds for the 2nd TD. Canning made a beautiful 75 yd punt return for the 3rd TD. Fred Comings made a TD on a wide end sweep for 40 yds. White made a 40 yd run around end to the Riverdale 5 yd line and on the next play White scored thru the Line for the final TD. Islei missed only once on the conversion kicking 4 out of 5. This boy is quite a point getter on these conversions. Their record now is 5 wins 1 loss and are tied with Berwyn for League lead.

The 90 lbs defeated Lanham 13 to 0. TD's were made by Jay Gallagher on an end run of about 7 yds for the first TD. Teddy McCord made the conversion. Bob McLoughlin made the second TD on an end sweep covering about 15 yds. Conversion was missed making the score 13 to 0. Their record now is 4 wins 1 loss and 1 tie.

Notice

All boys interested in basketball - here is the following schedule of practice and the coaches to report to. Midgets, boys 9 to 12 will practice Wednesday evenings 6 to 8 p.m. Report to Mr. Cockill, coach. Juniors, boys 13 to 15 will practice Tuesday evenings 8 to 10 Report to Spud Clay, coach. Seniors, boys 16 to 18 will practice Thursday evenings 6 to 8. Report to Bob Lindeman, coach.

Boxing

All boys interested in boxing, practice workouts will be held Wednesday and Thursday evenings 6 to 8 p.m. Report to Coach Woodward Page at the gym on these evenings.

TROOP 229

Boy Scout Troop 229, accompanied by five troop fathers, spent last weekend at Camp Herbert Hoover, in the Virginia mountains. The 27 Scouts, with their fathers, enjoyed fine weather for their program of Scout activities, good food and as a trip highlight, a hike to the summit of Doubletop Mountain, which has an elevation of 3900 feet.

"Dicerent" Cauliflower Dish

Vary your vegetable menu with a cauliflower recipe that's just a bit "different". It's called Cauliflower Polonaise and despite its title, is very easy to fix. To make 4 servings, first cook ½ cup dry bread crumbs in ¼ cup of melted butter until they're golden brown. Then add 1 tablespoon of minced parsley, 2 tablespoons of grated uncomfotable, but may trip your yolk. Season the mixture with salt and pepper.

Now for the final step. Place 1 medium head of cooked cauliflower in a serving dish and sprinkle the crumb mixture over the top and your cauliflower Polonaise is ready to go before the board of approval—your family.

Junior's Accident Aptitude

Does your youngster have an aptitude for accidents? One way to cut down on his tumbles and falls is to make sure that his clothes fit and are in good repair. Oversize clothes are not only awkward and uncomfotable but may trip your youngster or catch on a protruding object bringing Junior to a quick and disastrous stop. Shoulder straps that slip off may restrict his arms at the moment he needs to reach out to save a bad fall. Unfied shoe strings, unbuckled shoe straps or flapping soles are other invitations to accidents.

Tricks in Washing Corduroy

Corduroy that popular and fashionable material for school clothes, needs just a bit more care in washing than many other materials, says Helen Shelby, University of Maryland clothing specialist. Corduroy garments of each color should be washed separately. If you put it in with the general wash, it's apt to collect lint or color from your other garments.

Don't wring corduroy, warns Miss Shelby, for wringing will make creases in the fabric. Select a nice breezy day for washing your corduroy if you can, and hang your garment while it's dripping wet, shaping it as much as possible. Brush the fabric when it's almost dry. A light once-over with a steam iron will improve its appearance but this should not be necessary if the garment has been shaped before hanging.

Cranberry Cupcakes

Have you ever made delicious cranberry cupcakes? If not, you'll find they add just the right touch to a holiday meal. To make them, first cream ½ cup of shortening with 1 cup of brown sugar. Add two well-beaten eggs and beat again. Sift 1½ cups of flour with ½ teaspoon of salt, ½ teaspoon of soda, 1 teaspoon of cinnamon, and 1 teaspoon of nutmeg. Then add these dry ingredients alternately with ½ cup of thick sour cream and ½ cup of jellied cranberry sauce, beginning and ending with flour. Finally, add 1 cup of chopped nuts.

Fill the oiled cupcake pans ¾ full and bake in a moderate oven (350 degrees F.) for 25 minutes. This recipe yields 18 medium-size cupcakes.

Left-over Left-overs

When the meat loaf you've made from left-over meat is again left-over, here's what you can do. Spread the slices with catsup, broil slowly for five minutes, top with grated cheese and broil for 3 more minutes. Result - no left-overs.

WOLFE TALES

By Donnie Wolfe

The Greenbelt Boy's Club is planning a "Bowl Game" in memory of the late Roy S. Braden on Thanksgiving Day, Thursday, November 22. The event will be called Braden Bowl, and Greenbelt will be host to its neighbors from Riverdale. The 'Dalers have only lost to Greenbelt in a close game at the beginning of the season. It was in the last minutes of the game that Greenbelt was able to pull it out of the fire. Riverdale would like very much to prove to Greenbelt that it is the team that should have won the game.

The game calls for color, and the Greenbelt Band and Majorettes will handle that side of it. Greenbelt's Jr. Packers hope to complete the afternoon by downing Riverdale for the homefolks. A trophy will be given to the winning team by the Greenbelt Boys' Club Advisory Board. We are hoping that we will be able to continue the Braden Bowl and make it into an annual event.

Here Comes Kris Kringle!

Imagine the whoops of joy that will go up when Santa Claus arrives at the kids' Christmas party, riding high on these charming little coconut cakes instead of in the conventional sleigh with reindeer! Although Kris Kringle Cakes are very festive looking, they will give you no argument at all about time and work involved. You just make them with a quick white cake mix, or if you prefer, buy plain sponge cake, cut it in squares, and decorate them as pictured. The frosting itself couldn't be simpler, and the youngsters will love the tart flavor and delicate color the jelly gives it. Drifts of shredded coconut cover the cakes, so Kris Kringle looks for all the world as if he were climbing right out of drifts of snow.

KRIS KRINGLE CAKES

Buy or bake your favorite cake. Cut in squares and spread with Coconut-Currant Frosting.

Coconut-Currant Frosting

½ cup tart currant jelly 4 tablespoons sugar
1 egg white, unbeaten Dash of salt
 ¾ cup coconut

Combine jelly, egg white, sugar, and salt, in top of double boiler and mix thoroughly. Place over boiling water and beat with rotary egg beater 3 minutes. Frosting will stand in peaks. Remove from boiling water and cool slightly before spreading. Spread on cake, sprinkling with coconut while frosting is still soft. Makes enough frosting to cover tops and sides of two 9-inch layers, or top and sides of 13x9x2-inch cake, or about 2 dozen cupcakes.

Center School Auditorium

\$3.00 per Couple - Dress Optional

PLAN TO ATTEND

"This bargain rings
the bell with us!"

"We're keen on bargains in our family! And telephone service is our biggest! Only a fraction of a cent per hour!"

When you stop to count all the things that telephone service does... at such low cost... you can see why so many families call it the biggest bargain ever.

Since 1939, food, clothing, and other items have gone up in price as much as 90, 100% or even more. But the cost of telephone service to our customers has increased on the average only 27%!

Every day, the telephone grows in value, and it is being called on more and more to help speed national production and to meet the growing communications needs of Civil Defense.

The Chesapeake & Potomac Telephone Company
of Baltimore City
