

Telephone Co. Plans \$25,000 Program To Improve Service

Final First Grade Registration Friday

Final registration of prospective first graders will take place Friday, June 5 between 9 a.m. and 4 p.m. in the auditoriums of both Center and North End Schools. Children who will have their sixth birthdays before January 1, 1954 will be eligible for the first grade in September, 1953.

The following papers should be brought for all children being registered:

Birth certificate, vaccination certificate, certificate of immunization against diphtheria (adequate immunization consists of the initial two doses of diphtheria toxoid or a booster shot since January 1, 1950.)

ROSENZWEIG HEADS UJA FUND APPEAL

The United Jewish Appeal got off to a good start at the Kick-off brunch held at the Indian Springs Country Club Sunday, May 21, 1953.

The United Jewish Appeal drive returns to Greenbelt this year under the chairmanship of Benjamin Rosenzweig, for the Jewish Community Center of Greenbelt.

Captains for the drive are: Norman Granims, Joseph Dalis, David Fisher, Florence Bloom, and Joseph Karlin.

The drive this year is for a goal of \$1,800,000 for the Washington area to swell the national goal of \$175,000,000.

This money is being used to aid in liberating 800,000 Jews trapped in Europe by Communist liquidation of the remnant of the population decimated by Hitler's legions.

The money donated will be used to establish the refugees in Israel on a self-sustaining basis, the easternmost bastion of democracy, patterned on the American culture with free elections, and a form of government on the American pattern.

BRIDGE CLUB PLANS GAME TOMORROW

The Greenbelt Bridge Club will hold its monthly duplicate game on Friday, June 5th, at 8:30 p.m., in the Arts and Crafts room, Center School. Winners of the last game were Mr. and Mrs. James Daly and the Messrs. William Blacker and Dale Frese. For further information, call GRanite 3-5702.

CHEST COUNCIL ELECTS BOWMAN

Bruce Bowman, board member of Greenbelt Veteran Housing Corporation, was unanimously elected Secretary of the Recreation Committee of the Community Chest and Planning Council at its meeting held Wednesday, May 20 at the County Service Building.

Other officers elected were Francis Leverone, Postmaster of Mount Rainier, as Vice-Chairman for the Recreation Committee, and Merle Howes, Assistant County Agent, as the representative to the Steering Committee of the Planning Council.

The Recreation Committee is one of the 4 operating groups in the Planning Council, the other 3 consisting of Family and Child Welfare, Health and Research.

Greenbelt residents can look forward to some improvement in their telephone service, it was disclosed last Monday night by Frank Holmes, official of the Chesapeake and Potomac Telephone Company. In the next year, the telephone company plans to spend about \$25,000 to improve their equipment in Greenbelt. It will be possible at that time to dial Washington directly, but with an interruption by the operator to request the caller's number.

Over 1700 telephones are now in operation in Greenbelt, Holmes stated. No further improvement in service, other than that planned at the moment, is anticipated until the size of Greenbelt expands. If this happens, Greenbelt phones will "tie in" with sub-stations in Hyattsville, Landover Hills, or Riggs Road.

Greenbelt equipment is not standard CPTC equipment, Holmes added. It was installed in 1937 by the Automatic Equipment company; standard equipment now in use is produced by Western Electric. At present only 20 residents are without phone service, after requesting it. This is due to lack of lines and inadequate cable installation. About 150 requests for two-party "unlimited" service are being considered until such lines become available. In the last 3 years, Holmes declared, Greenbelt subscribers have increased only by 53 new phones installed.

Holmes was accompanied by W. F. Wolfe, district manager of the telephone company, as he spoke before several citizens in the home of Thomas Ritchie. Present at the meeting were councilman Ben Goldfaden and Dave Kane, GVHC maintenance supervisor.

Coordinating Group Votes Phone Book

The Community Coordinating Committee voted Monday night to publish a telephone directory for Greenbelt. Clearance was received from the Ladies' Sodality of St. Hugh's who had been planning to issue a similar directory. Members of the Sodality present at the CCC meeting were prompt to permit the Committee to undertake the project and will concentrate on their regular dance program as a source of funds for their organization.

At present the Committee plans to print a directory which would also include full information on Greenbelt organizations and on the areas of responsibility between the city government, Greenbelt Veteran Housing Corporation and Greenbelt Consumer Services, CCC co-chairman Bruce Bowman explained.

The sub-committee to get the directory started is made up of Townsend Scudder, Ida Tannenbaum, and Vane Glendenning.

Bowman emphasized the point that the Committee, already representing over twenty groups, is aimed at being community-wide and asked that any organization not yet represented contact him or Scudder at 2231.

At the Committee's next meeting, June 22, by-laws will be presented for adoption. The sub-committee preparing a draft of by-laws is composed of Anita Bickford, Joseph Comproni and Norman Granims.

Greenbelt Girl Wins First Prize

Phyllis Chasanow, daughter of Mr. and Mrs. Abraham Chasanow, 11-T Ridge Road, has been awarded a \$25 savings bond by the Prince Georges County Independence Day Committee as first prize in that group's essay contest.

Phyllis' essay "What Independence Day Means To Me" was judged the best in the junior high school division of the contest, in competition with all public and parochial schools in the county.

She will appear on Art Lamb's TV Show, June 9, at 3:45 p.m. over Station WTTG and also will be honored guest at the July 4th county celebration at Magruder Park.

Last October, she won second prize in the Lions Club contest with her essay on the United Nations.

Phyllis is an eighth grade student at Greenbelt Junior High School.

VACATION CO-OP SEEKS MEMBERS

New members are being sought by a group interested in purchasing a Blue Ridge campsite and four cabins originally built for Herbert Hoover's cabinet. An immediate goal of 25 or 30 families is needed to provide the necessary funds for the down payment and for the purchase of kitchen and bathroom equipment.

Trips to the camp on the Rapidan near Skyline Drive are being arranged nearly every weekend for those who wish to see the camp and for members who are starting the rehabilitation of the cabins.

The cabins will be returned to their original condition with hot and cold running water and electricity available. Members will be able to enjoy weekends or vacations in a cool mountain camp over 2000 feet high and with many of the comforts of home.

For additional details about this vacation co-op or directions to the campsite call the Bowmans (6468) or the Harpers (7046).

FISHING LICENSES ARE ISSUED HERE

The bass fishing season opened Monday, June 1, and the lake is well stocked with bass, also plenty of bluegills.

To fish in fresh water in Maryland, you must have a state fishing license and it should be displayed so that a game warden can see it. Fishing instructions and regulations are issued with the license. License may be obtained at the Greenbelt Police station.

Membership Meeting Tonight PHA Releases More Vacant Land; GVHC Considers Possible Purchase

BAND, MAJORETTES PREP FIRST SHOW

The Greenbelt Community Band and Majorettes will present their first summer outdoor concert June 7 at 7 p.m. in front of the Center School. The concert will feature the Greenbelt Majorettes who won second place in the recent Lions Club competition.

One of the outstanding events of the evening will be the presentation of a bond by City Manager Charles T. McDonald to the winner of the Greenbelt Band Emblem Contest and also the presentation of a bond to the school the child represents. The person winning the emblem competition will be presented to the audience on the evening of the concert so it is hoped that all of those who have competed and those who supported this contest will be present so that they will be informed as to who won the award.

The Band Booster campaign has been very successful to date; however, the drive has not been terminated. The Parent Band members wish to express gratitude to the new Band Booster members who have supported the drive. The Greenbelt Majorettes will continue to campaign for additional members this Friday night and Saturday in the Center shopping area.

The officers of the Greenbelt Community Band have been flooded with applications for membership and it is hoped that additional parents will encourage their children to join the band.

Adults and members of different bands in the surrounding area are invited to attend rehearsals every Monday evening from 7:30 to 9:30 p.m. during the summer months.

Board of Education Helps Kindergarten

Parents who wish to send their children to kindergarten will receive the cooperation of the Prince Georges County Board of Education, according to Superintendent of Schools William Schmidt. Speaking at a meeting on May 27 of the Prince Georges County Council of Cooperative Nursery and Kindergarten Schools, at which delegates from the Greenbelt Cooperative Nursery School were represented, Schmidt said the Board of Education would accept petitions from groups of parents who want their children to attend kindergarten.

The Board would help in securing teachers, supervise the program and help in locating space, Schmidt stated. Where space is available in schools the kindergarten would be held there, but at present he said there are few schools with vacant rooms.

Petitions from parents must contain a minimum of 30 names by law but this number would hardly be sufficient for two sessions as the cost would be very high, Schmidt warned.

Register Now

Be sure and register your child for Kindergarten at the Center and North End Schools. When the quota is reached, fifty children for each school, the late-comers will be placed on a waiting list.

As the Cooperator goes to press, it has been disclosed that PHA is releasing approximately 900 more acres of undeveloped land within the corporate limits of Greenbelt. This information came to the board of GVHC too late to include a discussion of it on the agenda of tonight's membership meeting at the theater. However, the board plans to bring the matter up for informal discussion, and, if the reaction of members is favorable, perhaps to initiate negotiations with PHA for the purchase of this land. Although all the details are not available, it has been learned that previous appraisals of this land price it at somewhere near \$400,000. It is land which PHA was holding for possible development in connection with the government's dispersal plans, but evidently they have decided to dispose of it.

There is no assurance that GVHC can qualify as a preferred negotiator for this land, and, in fact, PHA may decide to open it to public bid. In any event, a membership decision must be made.

Child Care Camp For Summer Days

The Greenbelt Child Care Center is offering a summer day camp program for children. It is offering proven service and constant supervision.

Last summer's program was so well received that the Center feels this service to the community should be continued. Under college-trained staff and efficient workers, children derive benefit from the recreational facilities of Greenbelt. Their days are planned to take in the various activities—swimming, arts and crafts, organized games, free play and attention to the need for rest and the quieter activities essential to a happy, healthful day round out the program, which is in operation from 7 in the morning until 6 in the evening.

This summer day-camp program is available to all children between two and ten years of age. Full-course meal plus morning and afternoon snacks are included.

Interested parents may contact the director, Mrs. Margaret Pluto, at 14 Parkway, GR. 3-5856.

New Home Builders May Get Tax Relief

A proposal to exempt home-builders from municipal taxation will be considered at the city council meeting next Monday night. The proposal was made by Mayor Frank Lastner at the last council meeting, and city manager Charles McDonald was instructed to investigate the possibilities of adopting such a measure.

Purpose of the plan is to exempt builders from taxation on their land, if ground is broken and intent to build is clearly shown. This in effect, encourages private and industrial building, according to Lastner. Those immediately affected by the plan will be GVHC and the Lakeside Development company.

McDonald is now consulting with Ralph Powers, city solicitor on the legality of the proposal.

Our Contemporary

We are pleased no end to see GVHC resume publication of its newsletter for more reasons than one. To begin with, an organization with approximately 1,400 members and 200 tenants must have its own medium of communication to be certain that its membership will be informed of all aspects of its activities. Secondly, its own publication is the only one that can reasonably be expected to provide all the information that its members need in order to carry on their business wisely and judiciously. Third, an attractive format, such as they have adopted, is a welcome relief from the singularly unattractive appearance of the straight mimeographed sheets and letters which they have been using — so reminiscent of the unimaginative PHA. And last, but far from least, we are looking forward to reading letters to the editor from GVHC board members in *their* newsletter. We might even venture to write one ourselves.

I'm New Here

There should be a more complete and happy understanding between the homeowners and the GVHC maintenance office. Acquaintances of ours, mighty nice people too, have complained of long waits before the servicemen come. They claim to mark the waiting days on the calendar and have almost run out of lead. The lady of the house has composed the following little poem which we submit for your amusement:

M is for the million things our house needs

AIN'T means that they aint a'being fixed

TEN just stands for all the weeks we've waited - -

ANCE - so all our pleas are quickly nixed

When you ask for help down at the office

Do not hold your breath too patiently.

Put them all together, they spell

M-A-I-N-T-E-N-A-N-C-E

Hard to get from GVHC

We are impressed with the glowing healthy looks of the Greenbelt children. Seems they are larger and healthier than those in surrounding communities. The invigorating air, safe playgrounds and numerous companions we feel sure, contribute to this happy state of affairs. We look forward with real happy anticipations to the swimming pool and picnic ground facilities in the good old summer-time.

Since we're new here, we would like to see the views of other newcomers to this Maryland paradise. Why not send in your ideas to "I'm New Here" - Cooperator, 9 Parkway.

We would also like to see more thumbnail biographies of men, women and children who are active in our civic life here. If you have any preference as to which person should be "thumbnailed" write, phone or telegraph The Cooperator.

Hot TV Program

Lightning struck a television antenna at 53-G Ridge Road early last Sunday morning, starting a fire which damaged the four attics in that row. No injury was reported. Police estimated damage at about \$800.

CITY COUNCIL NOTES

No water rate has been established yet, according to the city manager. The city has been purchasing water from the Washington Suburban Sanitary Commission since January, but as yet have not been tendered a bill. Until a rate has been established, the city can not pay for its water. However the city is charging a rate to local consumers comparable to the rate paid by the federal government when it owned the community.

The Greenbelt Lake picnic area has continued to attract huge weekend crowds, according to Charles McDonald. The huge volume of requests for fireplaces at the lake are continuing, but permits are still being saved for local residents. The bass fishing season opened last week and many fishermen were there to try their luck.

Improvements at the lake are being planned but actual work is being held up because of unusual weather. The shelter will be completely refurbished, and picnic sites extended and improved.

Requests for courtesy cards by local citizens to take advantage of reduced rates at the swimming pool amount to 1500, according to McDonald. Although the pool opening was affected by rainy weather, McDonald stated that a larger percentage of those attending were out-of-towners.

Still being considered by the municipal government is the proposal to lease concession stand rights at the lake. Other means of gaining revenue from the lake picnic area are also being considered.

TOWN REPRESENTED AT LEAGUE MEETING

Mrs. Jane Hunt was Greenbelt's delegate to the biennial convention of the League of Women Voters of Prince Georges County, in Baltimore May 21 and 22.

Mrs. William H. Wood of Bladensburg, out-going President of the League, has been nominated as Secretary for the League of Women Voters of Maryland. Candidate for Treasurer is Mrs. Dwight R. Partelle of Hyattsville.

About 90 voting delegates from nine local Leagues in Maryland attended this convention to elect officers and adopted a two-year current agenda. The number of delegates for each League is determined by the size of membership.

To The Editor

Appreciation

We wish to express our thanks for the lovely gifts, flowers and cards received during Mrs. Edmiston's recent illness. We also thank the Greenbelt Rescue Squad for their wonderful cooperation.

Tractor Collision?

At the last meeting, the Board of Directors of GVHC rejected the offer of the city government to cut those areas of public grass which could be handled by a tractor, and decided we should have a tractor of our own, at a cost of over \$1,000 plus the wages of an operator and maintenance.

This is an example of the lack of cooperation and economy which will spell the difference between low monthly payments and high monthly payments on our homes.

I expect the next item of expense will be a collision between GVHC's tractor and the town tractor, as some of the grass lands overlap to a degree where it is difficult to divide them.

Sincerely yours,

A. C. LONG.

ORIOLES WIN TWO COUNTY CONTESTS

The Greenbelt Orioles are off and winging in their 1953 Prince Georges County Boys' Club Junior pennant chase. Coach Bill Moore's 16 and under Orioles tripped Hollywood and Beltsville last week at Braden Field.

Right-handed Tommy Canning spun a 5 hit job as he stopped the Stars 7 to 2 Wednesday and Lefty Jim Miller blanked Beltsville on a two-hitter Thursday, 3-0. Third-baseman Dave Lee and Canning had 2 for 4's and Vernon Iseli batted in 3 runs in the first game. Charley Tex Thompson had 3 for 3 Thursday for the Orioles, supported by catcher Bob Gross' two-bagger and single in three tries.

Lakeside Lot Sale Opened

Selection of lakeside building lots under the non-profit plan of Lakeside Home Owners, Inc., will be possible over the weekend, if the surveyors mark off the proposed lots as promised, it was announced Tuesday evening at the meeting of the newly formed corporation held at Center School.

The 67 lots will vary in area from about one-fourth to almost one-half acre and will be priced from \$1200 to \$2100 each. The proposed roadway, if approved by planning authorities, will start from Crescent Road a short distance west of Westway and curve northwest, west and southwest and will be called Lakeside Road. It will not connect with the extension of Woodland Way as indicated in the original Hale Walker plan, but in most other respects the Walker ideas will be followed.

A motion was adopted to permit buyers to take only one lot each until after priorities have been exercised, after which each purchaser could buy one additional adjacent lot, if available. Problems of architectural control, by-laws and covenants, and limitations on resale of vacant lots for profit were referred to committees for study. The committees will have the technical advice of Roger Wilcox, of the F.C.H. Co. planning and development firm.

A map of the preliminary subdivision plan will be posted in the city office, and registration of lot selections will be made there, Ben Goldfaden, chairman, announced. The following were elected directors of the corporation: Ben Goldfaden, Dr. James W. McCarl, LeRoy F. Root, Mrs. Vida Stricklin, George Panagoulis, William L. Hoff, and Lloyd Clay.

Payment of a \$10 membership fee to LeRoy F. Root, secretary, entitles one to a priority in the selection of a lot. After June 15, each member will be required to deposit a total of \$100, including nonrefundable membership fee, in escrow at the Suburban Bank.

My Neighbors

By Dorothy McGee, phone 3083
Mr. and Mrs. Leon Kahn of 4-B Crescent Road announce the birth of their first child, a daughter, Moira Louise on May 23 at George Washington Hospital.

Mr. and Mrs. Joe Kosisky, 2-E Laurel Hill Road had as house guests for two weeks, her son and

daughter-in-law, Mr. and Mrs. Frank Kosisky with their two sons, Ronnie and Kennie, who returned Saturday to their home in Cleveland. During their stay the family enjoyed a reunion dinner party with sixteen sitting at the table. Mrs. Kosisky is eagerly awaiting the arrival from Korea of her son, Richard. Corporal Kosisky, who has been overseas for a year, is due to arrive at Camp Meade this week.

New residents at 7-B Hillside are Mr. and Mrs. Charles Watkins and their small son, Craig Allan, from the District. They come originally from Rochester, New York.

Former residents at 7-B Hillside, the Howard Owens family have moved to Adelphi Park in the West Hyattsville area. Last week Annabelle Owens' friends and neighbors gave her a fare-thee-well party at the home of Mrs. Dora Friedman at 7-C. The gift for the new home was a handsome lamp and a lovely tablecloth.

Mrs. Ada Markley, who makes her home with her daughter, Mrs. Daniel Neff at 6-Q Hillside, is very ill in Cheverly Hospital where she was entered last Thursday. We send our very best wishes for recovery.

New neighbors at 19-E Ridge are Mr. and Mrs. Sam Vernoff and their two daughters from Washington. Their previous home was New York City.

Carnie Harper, 2-B Eastway, we are sorry to report, is learning how to use crutches since she broke her ankle last Saturday aboard the boat of their friends, Henry Meyers, down at Deal, Md.

The Al Ellersins, 7-A Hillside had a week's holiday in New York City, returning Sunday night.

By way of celebrating her birthday last Friday, Janet and Izbie Parker went in to Washington to see Washington's Nationals beat the Boston Red Sox.

FORMER RESIDENT LEADS STOCK GROUP

A former Greenbelt resident and instructor in the adult education program here will have a big hand in Noel Coward's "Hayfever," which opens the summer season at the Avondale Playhouse June 23.

Dorothy W. McDonald, who lived at 7 Parkway for two years before moving to Baltimore, is directing the opening production of the Pine Tree players, acting company at Avondale.

The summer theatre, beginning its second season, is located one mile south of Laurel on Route 1. Curtain is at 8:40 and reservations may be made by phoning Laurel 1342.

Mrs. McDonald, an authority on Noel Coward's plays, was brought in by Avondale especially to direct the opener. She has had a broad experience with Coward comedies, having directed several, including Blithe Spirit, in which she also played "Ruth," the leading role.

Downpour Hampers League Schedule

Despite afternoon rains May 25 and May 26 Little League games were played at McDonald Park as well as the regularly scheduled games of the next two days. The Monday game found Chet Speziale's Papooses rallying for 4 runs in the last inning to stave off Mel Taylor's Wildcats who clawed back for 3 runs on their last raps, final score 12 to 11.

Elly Byers, Tom Hyland and Mike Barcus chipped in with two hits apiece to pace the Indian tomahawkers. Keystone guardian Tom Bartholomew topped Wildcat batters with his two hits. Winning pitcher Byers struck out 13 'Cats and gave up 14 bases on balls.

Indians 03 21 24 - 12 7 2
Wildcats 02 33 03 - 11 5 2

Byers and Patrick; Attick and Halpin. Umpires - Hoffman and Moore.

Hoppy Hofstetter's Tigers were slightly better mudders than Lou Tierney's Pirates as the Bengals nipped the Buccaneers 14-12 Tuesday evening, May 26.

Firstsacker Dye's single, double and triple were best for the Tiers. J. Miller and P. Marshall helped out with two bingles each.

Pirates 23 00 25 - 12 4 5
Tiers 07 13 3x - 14 8 3

Gelberg, Jones and Day, Munro; P. Miller, Dye and Chavrid. Umpire - Hoffman.

Jim Ewing's youthful Giants had a ten-run second inning to ice their Wednesday contest with Bernie Emmert's Co-Op, score 15-5. Ronnie Bussard was the 'Giant' of all Giant batters with 3 bingles. Umpire Moore called the game on account of darkness after five innings.

Giants 0 10 3 2 0 - 15 0 0
Co-Op 0 0 3 0 2 - 5 2 3

Vaughn, Bordonet, Bussard and McDonald; Clark, O'Neil, Jones, Vaughn and Kelly. Umpire - Moore.

The Athletics used Bobby Cangelosi's and Tommy Iveson's home runs to bomb Bob Kelly's Post 136 Redbirds. Bobby Oring, Cangelosi and Iveson had 3 hits each and Roy McCauley added two more as George Preston's White Elephants trampled the 'Birds 25-5.

Post 136 0 0 0 3 2 0 - 5 4 2
Athlets. 2 1 12 6 4 x - 25 13 1

McGill, Ehdres and Goldfaden; Cangelosi and Sherer. Umpire - Hoffman.

John Bigbee brought his Severna Park L. L. team here from near Annapolis last Saturday for two games at McDonald Park. Both Co-Op and the Athletics walloped the visitors, 10-5 and 15-5. Bobby Jones hit a home run in the first game.

The team managers, under boss carpenter Mel Taylor's direction, built four sections of grandstand last Friday. Each section will seat approximately 45 adults. The skippers' hard work will help MORE FANS to comfortably cheer their charges.

Pappy Sines must have our Little Leagues pegged as SAND-BOX-AGE tots judging from the playing surface at McDonald Park.

Next week's schedule, Monday through Thursday, follows: Wildcats vs Giants, Athletics vs Tigers, Indians vs Co-Op, Pirates vs Post 136. All game start at 6 o'clock.

Team Standings

Cyrilla O'Connor, President of the Woman's Club of Greenbelt, attended the daily sessions of the 62nd Annual Convention of the General Federation of Woman's Clubs in Washington during the week of April 25 to April 29.

Department chairmen who were on hand for the Workshop meetings on Wednesday were Mrs. Jay Brubaker, Fine Arts; Mrs. Allan Chotiner, International Relations; Mrs. Charles Orleans, Communications.

Members who attended the evening sessions at Constitution Hall were Mrs. Leon Benefel, Mrs. Beverly Fonda, Mrs. Henly Goode, Mrs. Lloyd Nelson, Mrs. Donald Romer, Mrs. Ralph Webster and Mrs. Richard White.

Tonight the new executive board will meet in the home of Mrs. Lloyd Nelson, 45-L Ridge Road.

Local Citizen Airs Co-op Views

In an interview broadcast Monday at 7 p.m. by cooperative radio station WCFM, the voice of Walter F. Volckhausen, 4 Forestway, was heard explaining the activities of the Potomac Cooperative Federation, which unites promotional efforts of several retail stores, a health services prepayment plan, a large insurance company, this newspaper, and several nursery schools, all of which have in common their cooperative form of organization. Special mention was made of Greenbelt Consumer Services, largest retail co-op in the U.S.A.

Volckhausen was interviewed by Jean Putnam, station manager. He also appeared earlier the same day in another program of the same station.

Methodists Set Childrens Day

Next Sunday, June 7 has been designated by the Mowatt Memorial Methodist Church as Children's Day.

Combined Church and Sunday School services will begin at 10 a.m. The program will follow actual experiences that are going on in the children's groups. Adults, too, will participate in a service of appreciation and worship on behalf of their children "That They May Know God".

The conclusion of this family centered Christian fellowship will be a film entitled "Stranger At Our Door". This is a heart-warming story of the trials of an immigrant teen-age boy and of his devotion to Christian principles.

In addition to special music by the Junior and Senior Choirs, the following will participate: Janet Friend, Brian Tierney, Patty Barrick, Roy McCauley, James Morgan, Beverly Parson, Paul Sayers, Bonny Stricklin, Linnet Sayers, Jerry Sayers, Elsie Tucker, Robert Brown, Leslie Tierney, Mr. Richard Corbin, Mr. Louis Tierney, Mrs. Coletta Warne, and Mr. J. Richard Hoffman, General Superintendent.

Speaking participants are reminded that rehearsal will be held Saturday afternoon at 2 p.m. in the Chapel on Woodland Way.

YOUTH CENTER SETS FILM BENEFIT DATE

A benefit movie sponsored by the Advisory Board of the Drop Inn will be held at the Greenbelt Theatre the night of June 24. Tickets will be sold from door-to-door by the teen-agers and the profits of the movie will be used to buy fans for the youth center.

With an active membership of over 300 young people, the Drop Inn will be open two extra nights a week after the close of school. A special admission charge will be made for these evenings. The fans will be used during the hot summer months ahead.

WANT MARILYN'S TELEPHONE NO.?

Would you like to have Marilyn Monroe's telephone number?

Then make a note on your calendar to see Twentieth Century-Fox's Technicolor thriller "Niagara," which comes to the Greenbelt Theatre on Sunday and Monday, June 7 and 8.

To avoid legal technicalities, the shapely star dialed her own private number in a scene with Jean Peters and Casey Adams in which she plots to kill her husband, Joseph Cotten, and run away with her screen lover, Richard Allen.

Henry Hathaway directed "Niagara" under the production guidance of Charles Brackett.

WALTON UNIT PLANS BIG FISHING RODEO

Greenbelt will participate in the fishing program and rodeo offered by "Better Fishing Inc." of Chicago, Ill. This is a national non profit organization in which many municipalities participate each year. Last year there were over 5 million boy and girl participants in the rodeo which is the final event of the season. This year the Izaak Walton league will again handle the program for the city. Better Fishing rodeo is primarily for boys and girls up to sixteen but adult members may attend the fishing classes which will be held weekly at the lake this summer. It is planned to have the first meeting, which will be a registration meeting, June 24 at the lake and we hope to have E. M. Berry, state fish commission, with us to net a few fish and explain how to tell what kind of fish they are and other interesting facts. More information in detail on the planned summer fishing program will be published later.

The Izaak Walton league is sponsoring the publication of a special 300th anniversary edition

St. Hugh's Notes

The ladies of St. Hugh's parish will attend a Day of Recollection at the Washington Retreat House on Sunday, June 7. Reverend Arthur Harvey, C.S.C. will be Retreat Master. Contact Peg Baldwin, GRanite 3-7402 for information.

Mrs. James Flynn will be installed as prefect of St. Hugh's Sodality on Wednesday, June 10. Other officers to be installed are Mrs. John Ford, vice prefect; Mrs. John Santora and Mrs. James Ourand, secretaries, Mrs. Peg Baldwin, treasurer. Mrs. Joseph O'Neill is the retiring prefect.

A penny-sale for the benefit of the Sodality will be held immediately following the business meeting on Wednesday, June 10. All Sodality members are asked to help this event by attending the meeting.

Mrs. Kenneth Keany, chairlady of the "Sodality Evening Out", is taking reservations for the dinner to be held Monday, June 15 at the Wayside Inn.

of "The Compleat Angler". The famous book on fishing and the philosophy of the out o' doors that inspired the founders of the modern American conservation organization to take the name of its author. This information has just been received from Chicago offices of the league by Herb Hoover, president of the local chapter.

The "Tricentennial Edition" of "The Compleat Angler" will contain from six to eight pages of introductory information telling of the founding of the Izaak Walton league 31 years ago, and of its nationwide work for the improvement of soil, forests and grasslands, waters and wildlife in the public interest, so all generations of Americans may enjoy the bounties of the earth in abundance.

Acreage Plot Group Meet Next Tuesday

A membership meeting on undeveloped land will be held Tuesday, June 9, 8 p.m., at the Maintenance Bldg. Roger Wilcox of the FCH Company will be present to answer questions. Residents desiring to purchase land in acre lots may join present "Acreage Plot Group" of approximately 15 members. Officers temporarily serving on the Committee who may be contacted for further information are Michael Burchick, president; M. M. Fontaine, vice president; Gloria Wood, secretary; Bruno Zanin, treasurer.

My Daze

LOOKED AND HOLLERED FOR MY LITTLE BOY all over the neighborhood, making inquiries along the way. 'Spied him at last digging under the oak tree in our very own yard, as though he'd been there at least an hour. The incident reminded me of what happened to a Greenbelt mother last week who searched for her youngster an hour and a half, appealing to friends, neighbors, and the police, before finding him asleep in his crib upstairs. Awakened, he was puzzled by the fuss over him, but promised that from now on he would notify her when he took a nap. That'll help.

IN THE BEGINNERS' CLASS PORTION OF the end-of-term dance recital at the Center School, our six year old boy will be one of the bears who frighten the children playing in the woods with their growling. The dress rehearsal came off fine. Our boy's such a jumpy character, that we thought

the dancing would be a good way to help work off his energies and satisfy his penchant for standing on his head. Often, our boy and girl will imitate the dance numbers on TV, either singly, or as a pair. They might dance to radio music at other times. Once our boy surprised us by ending his performance with a neat, quick, bow from the waist.

THE CORRECTED RECIPE FOR THE DOUGH MENTIONED IN THIS column a couple of weeks ago, used in our Co-op Nursery School, and which is an inexpensive, clean, pliable substitute for clay, and which has proven so popular, is as follows: Combine two cups of flour, one cup of salt, one cup of water, and maybe vegetable coloring. Damp days may make the dough sticky, so add a bit of flour to improve the consistency.

WHY DO I FEEL SO AGGRIEVED WHEN my husband fails to "lend a hand" about the house, and so guilty when he does?

—DAISY.

It would be wonderful if at home when asked embarrassing questions we could reply, "No comment," as do the big shots of Hollywood and Washington.

The facts of life are plain, but few will face them.
